

Chapter 1 : Fables, Fairy Tales, and Funny Rhymes | Workbook | www.nxgvision.com

I use this book with my grade resource kids. It is WONDERFUL!! The stories are cute and they are divided up according to strategies used. The students enjoy doing the problems after reading the stories because the word problems come from the story and don't just come from nowhere.

Next - Grade 2: Read-Aloud Anthology for Fairy Tales and Tall Tales contains background information and resources that the teacher will need to implement Domain 1, including an alignment chart for the domain to the Common Core State Standards; an introduction to the domain including necessary background information for teachers, a list of domain components, a core vocabulary list for the domain, and planning aids and resources; 8 lessons including objectives, read-alouds, discussion questions, and extension activities; a Pausing Point; a domain review; a domain assessment; culminating activities; and teacher resources. By the end of this domain, students will be able to: Demonstrate familiarity with specific fairy tales; 2. Describe the characters, plot, and setting of specific fairy tales; 3. Identify the fairy tale elements of specific fairy tales; 5. Identify fairy tales as a type of fiction; 6. Demonstrate familiarity with specific tall tales; 7. Identify the characters, plot, and setting of specific tall tales; 8. Identify common characteristics of tall tales such as exaggeration and larger-than-life characters; 9. Identify the exaggeration in specific tall tales; Identify tall tales as a type of fiction; Ask and answer questions e. Recount fiction read-alouds, including fables and folktales from diverse cultures, and determine the central message, lesson, or moral; Describe how characters in a fiction read-aloud respond to major events and challenges; Describe how words and phrases e. Describe the following story elements: Use information gained from the illustrations and words in a read-aloud to demonstrate understanding of its characters, setting, or plot; Compare and contrast orally or in writing similarities and differences within a single fiction read-aloud or between two or more read-alouds; Plan, draft, and edit opinion pieces in which they introduce the topic or book they are writing about, state an opinion, supply reasons that support the opinion, using linking words e. Plan, draft, and edit a narrative retelling of a fiction read-aloud, including a title, setting, characters, and well-elaborated events of the story in proper sequence, including details to describe actions, thoughts, and feelings, using temporal words to signal event order, and providing a sense of closure; Participate in shared research and writing projects e. With assistance, categorize and organize facts and information within a given domain to answer questions; Generate questions and gather information from multiple sources to answer questions; Use agreed-upon rules for group discussion e. Carry on and participate in a conversation over at least six turns, staying on topic, linking their comments to the remarks of others, with either an adult or another child of the same age; Create audio recordings of stories or poems; add drawings or other visual displays to stories or recounts of experiences when appropriate to clarify ideas, thoughts, and feelings; Produce complete sentences when appropriate to task and situation in order to provide requested detail or clarification; Identify real-life connections between words and their use e. Provide synonyms and antonyms of selected core vocabulary words; Learn the meaning of common sayings and phrases; Use words and phrases acquired through conversations, reading and being read to, and responding to texts, including using adjectives and adverbs to describe e. Distinguish fantasy from realistic text; Prior to listening to a read-aloud, orally predict what happens and compare the actual outcome to the prediction; Prior to listening to a read-aloud, identify orally what they know or have learned about a given topic; and Rehearse and perform a read-aloud for an audience using eye contact, appropriate volume, and clear enunciation.
