Search Love Journals One of the best ideas to keep your precious memories with your partner alive is to maintain a love journal. It is a testimonial of your love for each other. Twenty years later, when you sit with each other and go through these pages you will blush at your own romantic whims and impulsive actions. The years you spend together will appear to have fled away so fast. But thankfully you have preserved them in the journals to be cherished forever. You will always enjoy maintain love journals as you get to relive your treasured moments again and again. We bring you some great ideas to maintain love journals which will help you to immortalize your love. If possible, do it on a daily basis. You can decorate it with little hearts, snapshots of each other, small ornaments, small artificial roses and any colorful item which can stand for love. Click pictures of special moments and paste them in the dairy with diary entries based on them. Anniversary Book Maintain a journal that has all major anniversaries, landmark incidents and the major turning points of your life. It can be anything like your first wedding anniversary, your unusual anniversary celebration, your first kid, or simply your first drink together. It is fun to read these years later and also serve as a reminder of major dates in case you forget them! Book of Love Maintain a scrapbook of things that you love and are precious to you. You can write down different incidents, stick those little things you had together like movie tickets, game tickets, cards, snapshots, etc to make your scrapbook look like a book of love. The best part about this is that there are no limits for the number of reasons which you can cite. The reasons can be as silly as you want it to be. They can be taken from daily incidents also. It is true that love is blind but there are some things which you find in your partner and not in anyone else. List them all in your scrapbook and congratulate yourself in making the wise selection. Maintain a dairy to list down your fight and the cause and effect of the same. Make sure that both of you write in this journal so that both of your views are brought out. When you read through the journal after some days, you will certainly come to know your faults and begin appreciating your partner more. Besides, after a considerably long duration you two can a hearty laugh by recalling the silly fights you used to have. From that day, till the next birthday, keep jotting down those little things you did to make the relationship more enjoyable and interesting. It is best if done on a daily basis. Do it together as it also gives you time to spend with each other, no matter how busy you are. You will see how effective it proves to strengthen your love further. [Comment On This Article.](#)

Chapter 2 : 42 Journal Prompts on all things Love – HEART & MOXIE

"A Journal of Love" is a blog written by Marvlyn Reed, which focuses on Faith & Family with an underlying theme of Cultivating the Love of God. In it she shares her personal faith journey, while engaging the readers with uplifting material to inspire, and encourage continued personal growth.

Sounds like fun, right?! To sweeten the deal a little bit more pun, totally intended! In other words – there are journal prompts here for everyone! Pull out your favorite pen, pour up a big ole cup of your favorite beverage, curl up in your favorite chair, and get comfy cozy so you can really dive in and get some thoughts out on paper. Feel free to share these with your partner, your friends, or your family! Get everyone in on the action and then share what came up for you! The beauty of journal prompts is that you can do with these what you like. Take them as is, use them as a launching pad to even more self-reflection, create visual journal pages, etc, etc. There is no limit, no right or wrong, and no judgement! Journal Prompts loving yourself prompts When do you feel most alive? How can you bring more of this into your life? When do you feel the most joy? What are your favorite qualities about yourself? What makes you unique and awesome! What were your 5 most recent moments that brought you joy and happiness? Why did they make you so happy? How can you share yourself more with others? What is your definition of self-love? How can you love yourself more? What needs a little more attention?
