Chapter 1 : Ielts Preparation and Practice: Reading and Writing: Academic Module by Wendy Sahanaya

A reading book in the Soso language - Kindle edition by Philip Doughlin. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading A reading book in the Soso language.

All of these things will accompany the language training you receive. Vocabulary will be translated into English when necessary, or explained using drawings. Some space is left for " supplementary vocabulary. Your language trainer will give you cultural notes to add to those included in this book. Note them down in the spaces provided; get to know them well, as they will be invaluable to you as you integrate yourself into the culture of your host country. As for grammar, in this book you will find information to supplement that which is covered in class. We hope that you will find this additional information useful. It is recommended that you carefully read the instructions before beginning any exercise oral or written , whether an individual or group exercise. Feel free to ask your language trainer for additional information when needed. Also included in this book are a variety of language learning tasks, which we strongly recommend that you do. The tasks will provide you with an opportunity to practice the language in a less formal atmosphere, and they will put you into direct contact with native language speakers. This, too, will help you integrate into the culture. It is in the Mande language family. It is one of the national languages of Guinea and spoken mainly in the coastal region of the country. The language was also used by people in present-day Guinea as a trade language. Susu is an SOV language, Poss-N, N-D, generally suffixing, non-pro-drop, wh-in-situ, with no agreement affixes on the verb, no noun classes, no gender, and with a clitic plural marker which attaches to the last element of the NP N or D, typically , but does not co-occur with numerals. It has no definite or indefinite articles. Sentential negation is expressed with a particle, mu, whose distribution is unclear with adjectival predicates it seems to sometimes infix, but with transitive verbs it comes before the object. Susu is spoken in: Guinea, Sierra Leone Susu is also called: A menu should appear on your screen when you do. From that menu select "Save Link As Once you do a window should appear asking you where on your computer you would like to save the file. Just select the location, and click "OK". This will start the download. The download time depends on the speed of your internet connect.
