Older books may show minor flaws. Shows some signs of wear and is no longer fresh. Used textbooks do not come with supplemental materials. Average used book with all pages present. Possible loose bindings, highlighting, cocked spine or torn dust jackets. Obviously well-worn, but no text pages missing. May be without endpapers or title page. Markings do not interfere with readability. All text is legible but may be soiled and have binding defects. Reading copies and binding copies fall into this category. Mint condition or still sealed SS. Absolutely perfect in every way. No defects, little sign of use, well cared for. Not necessarily sealed or unused, but close. Could be an unopened promotional or cut item. Will show some signs that it was played and otherwise handled by a previous owner who took good care of it. Attractive and well cared for, but no longer fresh. Minor signs of wear, scuffing or scratching, but will play almost perfectly. This item is in okay condition. Obviously well-worn and handled. Most vinyl collectors will not buy good or below, but some tracks on CD or vinyl will play. This movie is unopened and brand new. No defects, little sign of use. No skipping; no fuzzy or snowy frames in VHS. Attractive and well cared for but no longer fresh. Minor signs of wear, but will play almost perfectly. This item is in okay condition and basically works well. Basically plays, but may be obviously well-worn with some scratching or tape distortion. Disc or tape is intact, but may be scratched or stretched. There may be skips or distortion or product defects. Sign up for bookish emails And get a coupon for your first purchase.

Chapter 2 : Rick McCown Books & Textbooks - www.nxgvision.com

A colleague of Jack Snowman for 25 years, Dr. McCown shares Snowman's views about the role of educational psychology in teacher education. He is an accomplished writer, with published papers (one of which was co-authored with Snowman), journal articles, and book chapters.

ED PSYCH has the most applied approach to educational psychology--taking complex psychology theories and demonstrating how they apply to the everyday experiences of in-service teachers. Customer Book Reviews Great book, no shared value By Edwin Kinard Fennell Iii on Sep 16, Coursemate pretty much cornered the used books market by pulling a remarketing registration scheme. The book is fantastic and should help you through any and every problem a decent professor will provide you with. Love the book By Sheeba on Jan 27, Awesome material context was great I wish I had purchased and not rented textbook was great and very knowledgeable love it more than expected By Mrs. Jackson on Mar 20, I thought i ordered the regular book and ended up with the teachers edition. The book contains more information and i need it. Thanks it works By Amazon Customer on Feb 08, i needed the book and it works. Needed it for school. The cover is falling off and so are a lot of the pages. Great textbook for the price! By Amazon Customer on Feb 11, Excellent book! It really is a useful textbook. The thing that would have made it 5 stars is if it came on time ; Five Stars By Tcureton on Oct 31, I really liked this book and i have used the information in other classes. Great survey text for intro to educational psychology By Amazon Customer on Oct 04, Great survey text for intro to educational psychology. I really appreciated the practical application sections that aimed to give ideas for how to apply ed. Combs on Jun 16, Filled with pop psychology and trendy ideas easily debunked with a few minutes of research. This is supposed to be a textbook, but there is much more opinion disguised as fact than actual facts in here. The package was nice and safe, and the delivery was very fast! This particular edition is in a Paperback format. It was published by Cengage Learning and has a total of pages in the book. To buy this book at the lowest price, [Click Here](#).
