### Chapter 2 : Advent Storybook by Antonie Schneider

*This Advent reading plan of Scriptures and stories from the Jesus Storybook Bible is a lot like the Jesse Tree Advent calendars. A Jesse Tree Advent tells the story of God's plan for salvation, starting with creation and continuing through the Old Testament to the birth of Jesus Christ.*

Go to this post to download and print it! Once I got my hands on a copy, I knew it was something I needed to share about! What is the The Jesus Storybook Bible? The Jesus Storybook Bible tells the story beneath all the stories in the Bible. At the center of the story is a baby, the child upon whom everything will depend. Every story whispers his name. From Noah to Moses to the great King David—every story points to him. He is like the missing piece in a puzzle—the piece that makes all the other pieces fit together. From the Old Testament through the New Testament, as the story unfolds, children will pick up the clues and piece together the puzzle. Recommended for ages 4 to 8. It is beautifully illustrated and the stories are the perfect length to keep their attention! Genius, I tell you. There are 21 Old Testament stories in this Bible. Follow that with three stories about the birth of Christ and you have 24 days worth of material to go through with your family starting December 1st! And it helps tie the whole Bible together for even the littlest ones in your household! Here is what the plan looks like: Nehemiah , Malachi 1, 3 and 4, Ezra 7 Dec. I am so excited to do Advent this way this year! This book will teach your child how wonderful it is to be a child of God blessed with the gift of imagination. The kids will be getting them for Christmas, but I can tell you that I loved looking through them before the hubby wrapped them up! So glad to have well-written and illustrated Christian books that capture the attention of my boys!
