Prayer, As Asking God Prayer Meetings Night Prayerfulness The Holy Spirit Giving Joy Oppression, God's Attitude To Singing Faithfulness, Examples Of All Night Prayers But about midnight Paul and Silas were praying and singing hymns of praise to God, and the prisoners were listening to them;

Daniel Olukoya As Christians, we are bombarded and attacked every second of the day but its more intense and severe in the Night. The bible says, they rob us in the night so we have to pray in the night especially midnight to stop them from robbing us. This is the portion of them that spoil us, and the lot of them that rob us". Every occultic agenda for my Country be scattered unto desolation, in the name of Jesus. He says call upon me and I will answer you and show you great and mighty things that you did not know. Just believe and trust God that as you pray every midnight from 12, God will fight your battle. The GO said today that a woman whose competitor placed embargo on her prayed one day from 12 midnight to 2am and the next day she sold her foodstuffs which she had not been selling. The next night when she prayed till 4am, God opened her eyes to see that there was something buried in her stall that has been preventing her from selling. In the morning, she went to her stall, anoints the place where she saw the talisman buried in the dream and then dug and burnt the talisman. That day, she sold all her stuffs within 15 minutes. She definitely knew something was wrong and decided to confront the powers by praying through the night to counter the operations. Without the midnight prayers, she would not have gotten her breakthrough.

Chapter 3 : MFM Prayer Points For The Midnight Battle Vigil “ By Dr Daniel Oluykoya “ PRAYERS FI

For eight hours each Friday night we come before the Lord, fasting from food and sleep in order to focus on vital issues the Holy Spirit reveals to us to attack in prayer.

Page 1 of 3 "Pray all night? Bonnie and I discovered long ago that although prayer is the calling of God to all believers, it is our decision whether we respond or not. Prayer has always been a foundation of our ministry. Ever since the beginning, the Lord has impressed upon me the necessity to fast and pray on a regular basis. Get Spirit-filled content delivered right to your inbox! [Click here to subscribe to our newsletter.](#) I have seen God break the powers of witchcraft and demonic forces, setting the oppressed free. On one occasion, I saw a child raised from the dead. The secret to this ministry has always been the anointing of God that is released through prayer and fasting. To Bonnie and me, prayer has never been a duty but a precious privilege, allowing us to walk into the throne room of the King of kings and gain an audience with Him. The Design of the Watch For eight hours each Friday night we come before the Lord, fasting from food and sleep in order to focus on vital issues the Holy Spirit reveals to us to attack in prayer. The Lord often visits at night, as we see in Scripture and as Bonnie and I have seen in our lives. We must mount an offensive attack at night because the enemy of our souls is busiest while most of us are sleeping. Through what we call the "Watch of the Lord," we are taking back the night and claiming it on behalf of its Creator, the Lord Most High. The watch starts at 10 p. We fast from chitchat and socializing at the watch in order to give the Lord and His purposes our full attention. Those who come to pray with us are free to nap if necessary in order to complete the last few hours of the watch. Ministry usually begins around midnight with corporate intercession for global ministries and for the nations. The Holy Spirit quickens various Scriptures to us throughout the course of the watch. We receive a living word from God each week—the essence of what He appears to be saying to His corporate body at that given time. We pray for our staff, other ministries, our police force, the schools and other agencies. Toward the end of the watch we always celebrate communion. Often the Holy Spirit moves in our midst, performing healings, releasing prophecy and touching His people in His deep and profound way. Always we take our direction from the Lord, the Captain of the watch. A normal watch may find prayer warriors at the altar, some people fallen out around the altar under the power of God and others throughout the auditorium curled up in sleeping bags or with blankets and pillows. We are very informal during these all-night prayer vigils. Our prayer focus is always the higher agenda of the kingdom of God rather than our own personal needs. We often have a time of personal ministry around 5 a. However, Bonnie and I have discovered that when we seek first the kingdom of God, our personal needs are met supernaturally! The Fourth Watch of the Night During the fourth watch between 3 a. A lot of the miracles, healings and specific supernatural intelligence occurs during this time, even though it is the time when the fewest people are present. There is a special excitement and an open heaven in the hours just before the light. When we are at our weakest physically, the Holy Spirit comes in His greatest strength with prayer, revelation and refreshing. During a military campaign, the hours of the fourth watch are the most strategic hours of the night.

Chapter 5 : Rccg Victory House London [PRAYER ARROWS]

A FORMAT FOR "ALL NIGHT PRAYER" Jesus, as our eternal Intercessor is the example of prayer. His very nature is prayer. While on earth He gave us the heavenly pattern of divine intercourse, which is prayer.

This is a question that again, God is moving and working among us to bring us to the place that He wants us. Many in other places know what it is to pray all night. Who is to pray all night? It is much of what has been said. How much is there to pray for? Naming people by names; situations, families, lost souls, churches, covering the pulpits, teachers, music, pews and witness to the community, these all have time to be spent. The biggest thing of such a prayer time, where time is given, at night when all is still, is that we hear God more clearly than perhaps in the hustle and bustle of the day time activities. Most do not give time, but an all night prayer time makes times to hear from God. Waiting, listening, and meditating on Him and His ways and His attributes. The anguish of prayer is the most notable that leaves us with one agenda, one desire and we will not move nor let up until there is an answer of deliverance and victory. Some are more disciplined and would be able to spend hours before the Lord in that way. To the soul that is not accustomed to it, they will not be able to do it. Therefore, there is no doubt, that they will have to sit a little, get up and walk a little, pace around; but ultimately the position is that which is declared in the Scriptures, humble before Him. Too many saints, have already come and gone that have declared the truth of position to us. To those that simply because of health cannot do it, because of bodily affliction or other restraints, that is between the Lord and them, the Lord knows what we are able to do. But the proud spirit and heart that seeks ease and comfort over proper humility has another sin to deal with before they can address the Lord. Moses threw himself down before the Lord to seek for His mercy. When God is ready to destroy a nation, a people, family or individual the casual, informal, easy going prayer time will not secure the desire of deliverance. A night of prayer is sometimes for that very reason. But the causes may vary. There is a whole lot that goes into this. I have tried to answer some of the main points.

Chapter 6 : Night Vigil Prayer Points | Closer to Jesus Ministries

Closer to Jesus Ministries is an End time ministry with the purpose of bringing men and women, youths and children closer to Jesus Christ while here on earth and preparing them for the coming of Our Lord and Savior, Jesus Christ.

I am born again through the living Word of God that lasts forever. My past is forgotten, the old things are gone and everything is new. I am not the one living now, but Christ is living in me. I live by faith in Christ, the Son of God. Through Christ, He chose me, loved me and made me His Child again. I am His possession. He brought me out of the darkness into His wonderful light. I believe that He started something good in me and He will complete it on the day when Jesus Christ comes again. My strength and my hopes is in Him. And every day my faith in Him will grow stronger. The earth can quake, the seas can roar, the mountains can shake, but I will not fear. When the storms of life appear, my God is here to help me. I am secured and nothing and no one can move me. I exalt and honor you! His powerful hands lead me and His unconditional love sustains me. I am not worried for He will not fail me or leave me. I am His property. Therefore, when I go through rivers, I will not drown. When I walk through fire, the flames will not hurt me. I am not afraid! I believe that the Lord is the stronghold of my life. Evil people around me might attack me. My enemies may try to destroy me. But, they will not succeed. They will stumble and fall. And the Spirit within me gives me power, love, self-discipline and a sound mind. He is my Rock, the only one who can save me. He is my high place of safety. I will not be tense with fear when troubles come. I will never be shaken. I will be stronger than ever. Although it seems like impossible, I trust and believe that with God everything is possible. In accordance to your word, I ask you: Give me strength to face every day. Give me strength for tough times and power to win my battles. Give me the patience to wait on you. I am convinced that in due time you will renew my strength. I will mount up with wings like eagles. I will run, and not be weary. I will walk, and not get tired. You will help me! You will supply all my needs with your righteous right hand. He clears the path I need to take. He prepares me for the daily battle of life and gives me strength to overcome anything and to always stand firm and courageous. Jesus, teach me how to conquer and how to stay calm, with abundant peace of mind, in every situation. Give me your light burden and sweet yoke. I trust that you can give my soul rest. I rely on the presence of the Holy Spirit for inner peace. Stress will not overpower me, but my mind is now clear and calm. I believe that the peace of God, that surpasses all understanding, is guarding my heart and my thoughts. Be still and know that the Holy Spirit will never leave you Oh Soul of mine: I give Him now all my worries, because I know he cares for my well-being. I trust in God, and I trust in Jesus. His peace will keep me. He is my God and I declare and trust that He will supply all my needs from all His riches in glory through Jesus Christ. Let me have more than enough of everything. Teach me to serve others without reward or recognition. And I trust that in return you will bless me with grace, favor and riches. God, give me more influence and opportunities. Allow me to reach new heights. Enlarge my territory and shower me with blessings. I believe that very soon I will receive a monetary blessing that will allow me to pay off all my debts completely. I receive now total liberty and deliverance from the yoke of debt. I will no longer be enslaved by debt holders. I am a child of God, bought by the precious Blood of Jesus. My Heavenly Father is the King of the Universe. He owns the Earth and everything in it, the world, and all who live in it. Redeem my life from destruction. Crown me with your loving kindness and tender mercies. Renew and restore me. Save my life from the hands of sickness! If you want, you can do it. You are the Lord my Healer. Please, send your word and heal my disease. There is healing power in your Word. Just, say it Lord and I know that I will be restored. My healing is coming my way. I now receive my healing. I know that I am not worthy and I am not good enough for you. But, I need you more than ever before. I know you have the authority to tell my sickness to go. Just say one word, and I will be healed. In accordance to your Holy Word: I believe and I speak healing and restoration into existence. I proclaim healing on my body. I declare that I am free from the bondage of sickness and disease. The chains of sickness and pain are now destroyed. I believe it and I now receive it. Sickness and disease have no power over me. I declare that I am free from sin and guilt. I am dead to sin and alive to righteousness. I strongly refuse to allow sickness to control my body and my life. The precious Blood

of Jesus covers me. The Life of God flows within me. I believe and declare that every fiber in my body is healed and completely restored.

Chapter 7 : DEALING WITH THE WICKED POWERS OF THE NIGHT

A Night of Prayer. Optional All-Night Prayer Meeting for Day Why a Night of Prayer? There is nothing holy in staying awake and praying a whole night or part of a night.

Midnight is sometimes so empty, A dark and lonely time. Yet as the clock now reaches twelve, I feel your life in mine. I think of your twelve disciples, The chosen number by you. And when the clock struck twelve We know that Peter felt too scared To say that he was your friend Lord, But you understood his cares. And now, just as Peter realised Your love remains the same, I know I sometimes turn from you, But you always call my name. So at this midnight hour I feel not darkness, but such light I know that I am not alone, But always in your sight. I follow in your footsteps, You are my daily bread. Your goodness never turns from me For my life is heaven led. Midnight Prayer for Breakthrough suitable for a job or marriage situation Dear Father, I can not sleep. So often we are lost for words when it comes to the really deep things in life. Hopefully the resources we create will fill in those spaces, and help you communion with your heavenly Father, communicate to your church Read More Closing Prayer I find that there is a unity that arises through worship that it is difficult to express in words. We sometimes encounter glimpses of this when we are joined together in hymns and worship songs, as we fix our eyes on eternal things and are in awe again of Jesus, our remarkable redeemer. So, if you are in a relaxed place and able to drink in the goodness of God and his provision, it is a joyful and special time to give thanks! However, as Christians Read More.
