

Chapter 1 : Almost Perfect eBook: Denise Domning: www.nxgvision.com: Kindle Store

An Impetuous Season has 56 ratings and 4 reviews. Ruined by a youthful indiscretion, Verity Standiford travels from upper crust England to the wilds of V.

Publishers, thank you for the many years of reading pleasure you gave me, but all good things must come to an end. Due to failing eyesight I am forced to retire. I can no longer review your books, and any that you send will be donated to the local library, unread. Do not send any more. I can only read for a couple hours every day, and this does not allow me to finish a book in reasonable time. I will be devoting time to my own books from now on, and reading on a personal level. Books that interest me. I prefer paperbacks and hardbacks, not eBooks. My eyesight has been failing the last few years, and I cannot handle hundreds of review books any more. My books are still available for review. Contact me for pdf copies at [fadingshadows40 gmail](mailto:fadingshadows40@gmail.com). The File sent to me did not contain the novelette. Savannah Escalante Pemberton is the child of an American white woman, and a Mexican gentleman. But Savannah wishes to return to her Mexican family, to learn of her heritage. Rough men, and wild Indians might be too much for a lady. When Jacob Hancock arrives, claiming to be a bank examiner, she learns that the Black Horse Gang may be back in the area. Indeed, they are, and in no time the bank is robbed again, and the sheriff and his deputy are killed, while Jess and Jacob are away. She discovers that Jacob is also following them, and he may not be the man he claims. Outlaw or Pinkerton agent, his real name is Nick Devilbiss, brother of the leader of the outlaws. The author should have tightened it more. Yet Savannah Escalante Pemberton never shows her Mexican courage, and Zachariah Connelly, who we are told is big and tough, never follows through in a fight, leaving me to wonder if either would have survived in the West. I was also disappointed in the slave girl, whom we are told loved Savannah and liked being her slave. The characters were tough and determined, with grit and courage. Nor do we have a slave in this one; of course it was after slavery had been abolished. There is a young Chinese girl, and she is portrayed as a smart and an independent woman. I want to see strong female leads, even for secondary characters. The stories were a fun read, and despite my personal gripes I think fans of Historical Romance will like these two novels set in the Old West.
