According to the digital sheet music published at Musicnotes. This was highlighted by Henderson who wrote that "the spirit carries both her and the song into a Stevie Wonder -reminiscent climax of continually rising key changes. Club viewed "Love on Top" as an exception on the album due to its up-tempo nature, calling it "a first-listen earworm with its breezy, retro-soul style. This effervescent throwback escapes corniness by reveling in its pure joy and as such, it becomes one of the highlights of the album. It is energy and not ego that drives the constantly rising progression. A preview of the clip was shown on the Australian television program, Sunday Night , on October 9, Together with her five male dancers, they perform choreographed moves at Canoe Studios, a penthouse studio in West Chelsea overlooking New York City. Thank you for the amazing response to the song at radio. I have worked very hard on this video, this song is special to me and I had an idea for the video based on some of my favorite male groups. I remember seeing videos from New Edition, The Jackson 5 and the Temptations, bands I love for their beautiful harmonies, and precise choreography and I always wanted to make a video and be part of a boy group myself. It was so much fun. The video teaser was part two In his opinion, that is why "she is one of the greatest living performers. Although the song is 4 minutes and 27 seconds long, the video is 3 minutes and 17 seconds long due to the omission of the second verse. About halfway through, the visuals suddenly switch to night as the singer lights up the space in various formal looks, including a gold pantsuit, white suit, and finally a tuxedo complete with coattails, top hat, and cane. The choreography from here resembles that of the s male groups. The wardrobe changes in fact correspond with every key change, except the final one. What else do you people need?! Still, she changes wardrobe with every key change as the song reaches its euphoric climax. This, it turns out, is a good thing. That pantsless African dictator look in the first scene? Elements of 4 which chronicled the concert. It premiered online and released on the iTunes Store on January 11, Carter Show World Tour in Carter Show World Tour. However, he wrote that Holcomb "seemed to struggle a little with keeping up with the melody" and that her version was different from the original, but concluded that it was a solid performance.
