

Chapter 1 : CASCADE HEALTH SERVICES – Nurse Staffing Agency – Kansas and Missouri.

Companion Care. Cascade In-Home Care knows that staying social is an important aspect of good health, and is especially important as we age. Our services help seniors.

He ended up liking them very much despite his initial determination not to! They knew how to help him in the areas where it was needed, and where to foster and encourage his independence – a respectful approach very important for this retired Army Colonel! We could always depend on the caregivers to perform the care plan, but they often went beyond that and found other ways to make the home run more smoothly. Their careful observations of small changes in day to day health often helped us head off a problem before it became acute. We would highly recommend the team at Cascade Companion Care to anyone needing family respite, recuperative care, or ongoing home care. They respond quickly, they have great staff, they follow up, but most importantly, they really do care! Reply Report Abuse Add Review They genuinely care about each and every one of their clients as well as their caregivers. Thank you Cascade Companion Care for being an of service company! I have been truly blessed to be employed by such an outstanding company. Cascade Companion Care provided wonderful and responsive service to my elderly parents. They were flexible and understood my desire to do part of the caregiving myself. But as an only child with no siblings to share the load, having skilled and cheerful people coming in throughout the week was a lifesaver. I highly recommend Cascade Companion Care. Cascade Companion Care was quickly responsive, compassionate, and professional in setting up an ideal care plan for my year old father. It is a tremendous relief to know that a skilled companion will care for his needs while we have much needed care-giving breaks.
