In a squad of American soldiers on patrol in Vietnam, kidnap, rape and murder a young Vietnamese woman. What happens when the young man, who refused to take part in any of the above, comes forward to seek justice for young Mao is sickening. And the slaps on the wrist that these "excellent soldiers" received made me furious. As for the wri In a squad of American soldiers on patrol in Vietnam, kidnap, rape and murder a young Vietnamese woman. Fox and Sean Penn. As a Vietnam Veteran I found this true story of the rape and murder of an innocent Vietnamese girl by American soldiers gut retching. One of the most important books about the Vietnam experience. I want to be clear that it took me that long due to my schedule and not because of the content of the book. I appreciated the conciseness and brevity of the book. I was still able to sympathize with Eriksson without the extra narrative. Apr 29, Paige rated it it was amazing Recommends it for: I saw this in the library while I was browsing. It is a tiny book--like pages or something, and they are small pages with sort of large print. It looked really hokey and like it was just one of those companion books to a movie. There WAS a move based on it, but as it was published in , the book did come first. It had all sorts of rave reviews on it, including one from the Boston Globe saying it was the best piece of writing to come out of the Vietnam war. Then he did this, and then the other person did that. This is the story of a gang rape and murder of a young Vietnamese civilian by a patrol unit. When he tried to report it to his superiors, he faced many obstacles including being thrown in jail for "his own protection"! When he was finally successful in bringing a case against the rapist-murderers, his life got even more hellish as the defense questioned HIS integrity and morals! I already knew things like this happened When Americans think that soldiers from other countries are the only ones to commit atrocities, they should absorb this book. Americans can be, and often are, as brutal as any military monster. The rape and murder of this young Vietnamese girl by four Americans went,in the final analysis, unpublished.

The synopsis below may give away important plot points. Fox as he sits on a subway train in A young Vietnamese woman gets on the train. Eriksson looks at her with a haunted expression as he remembers his experiences in the Vietnam War. In November a group of US soldiers are on patrol in the jungle when they are suddenly attacked by the Vietcong. During the attack, the ground cracks open beneath Eriksson and he becomes trapped in the hole, part of a tunnel system below the jungle. Sergeant Tony Meserve Sean Penn saves his life by pulling him out and shooting a Vietcong who is preparing to stab him. Suddenly Brown Erik King is shot in the neck. The soldiers manage to fend off the attack, and Brown is taken to the hospital by helicopter. However when the squad arrive at Wolfcamp base, Meserve tells them that he has died. Later that night, the squad get ready for a night out but are refused entry into a brothel by an MP. Already frustrated, Meserve becomes even more infuriated when he finds out that they have had their leave cut short and have to get back out in the field. Eriksson tells his friend Rowan Jack Gwaltney , about his concerns but Rowan assures him that Meserve is obviously joking. Meserve tells Eriksson that they are going to have some fun with the girl when they arrive at their outpost. Meserve tries his best to get Eriksson to take part, even making threats on his life but he stands his ground against his superior officers. Diaz refuses to go against his comrades, and takes part to avoid been an outcast in the group. Infuriated, Eriksson is ready to help Oahn when Clark puts a knife to his throat and tells him to go on security for the night. Eriksson sits on watch, helpless and horrified, as he witnesses his comrades take turns with Oahn in the hut. Later on the squad have to take position on a railroad bridge overlooking a Vietcong river supply depot. Eriksson and Hatcher return to the outpost to collect some more ammunition. Clark wants in on the action and tells Eriksson to stay with the girl, while he goes off with Hatcher. She is weak, cut, bruised ,dehydrated and sick. He gives her some food and water. Meserve is furious when Clark and Hatcher arrives without Eriksson. He tells him to get back to the outpost and collect him and the girl. Eriksson is just about to leave the outpost with Oahn, and get her to safety when he realizes that it will make him a deserter. Seeing how desperate the girl is for him to go with her, he decides to go, but just as they are about to escape, Clark arrives and stops them. On the railroad, the squad are watching and waiting to attack. Oahn is coughing and, realizing she could give them away, Meserve tells Eriksson to kill her. Clark sees some helicopters approaching, and Meserve desperately orders Diaz to kill her. With Meserve goading him on, Diaz prepares to stab her, when Eriksson fires in the air to get the attention of the Vietcong in order to save her life. The situation becomes desperate when the Vietcong move mortars up the river and begin lobbing shells onto the bridge. Meserve manages to take them out with a machine gun. Oahn, bleeding profusely from the stab wounds, slowly gets up and tries to make her escape. Meserve orders the squad to shoot her. Eriksson tries to intervene, but Meserve knocks him down with his gun. The squad shoot Oahn dead and her body falls off the bridge. Meserve leads his men away from the scene. As Eriksson slowly falls unconscious from the head injury dealt by Meserve, helicopters approach and they fire missiles, hitting the riverboat the Vietcong were using. In the course of the explosion, a passing U. S Navy boat catches fire and the crewmen are killed. Eriksson is carried out by an helicopter and wakes up in hospital. He tells Rowan about the kidnapping, rape and murder of Oahn. Rowan tells him to go and talk to Lt. Not realizing that Eriksson has already informed the superiors, Clark tries to kill him with a grenade. Eriksson suspects something when he sees Hatcher at the door of the latrine and he greets the unseen Clark and then runs away. Eriksson sees the grenade and jumps out of the latrine just before it explodes. Eriksson confronts Meserve and attacks Clark with a shovel to the head. At the bar, Eriksson drowns his sorrows and pours his heart out to a Chaplain. The soldiers are court-martialed. Meserve is sentenced to 10 years hard labor, Diaz is sentenced to 8 years hard labor, Hatcher is sentenced to 15 years hard labor and Clark is sentenced to hard labor for life. Eriksson wakes up from his flashback on the train, deeply haunted. The train reaches the next stop, and the Vietnamese woman, who reminds him of Oahn, gets off. Noticing the woman left her scarf behind, he grabs it

and gets off the train to return it to her as she walks up to street level to Mission Dolores Park in San Francisco.

Chapter 3 : Casualties of War - Wikipedia

*Casualties of War* by Chris Lynch, is a book chronicling the one of four friends service in the US Air Force during Vietnam. This is the last of the four part series by Chris Lynch, and as to be expected, as with the other books, it is well written and has an interesting plot that leaves you wanting to read more.

After a disastrous reassignment she is condemned to medical leave, but finds the strictures of civilian life not only restrictive but psychologically destructive. Lieutenant Commander Thomas Kane, the ambitious war hero cannot curb his voracious appetite to climb the military ladder of success, even seeking a convenient marriage to a beautiful Jovian socialite. Jack Mallory, a young brash pilot with superior intelligent is troubled by a severe injury that haunts him, but like Thomas Kane finds some solace in his reassignment to the Neil Armstrong, a research vessel looking into Dark Bomb technology. This a story of struggle not just between the colonies and Terra, but between the veterans of war and the demons that haunt them. The characters are strong and complex, and the reader falls prey emotionally to the twists and turns of their thoughts and actions as the plot thickens. This is a story filled with intrigue, betrayal and deceit but also with elements of friendship, love and loyalty, although at times the lines between them seem grey. I enjoyed this book so much that I plan to backtrack and read "Virtues of War" the first book. This is a great series and look for another book to follow Casualties of War. Yet, I had no problems jumping right into this one. Having not read the first book, sometimes you can feel like you have missed a lot. However, this was not the case with this book. What drew me into this book was the world and the characters that the author has built with this series. A nice futuristic book. Commander Thomas Kane to Lt. Katja Emmes and SubLt. Jack Mallory were all strong characters. As much as I enjoyed the characters and the wor I did not read the first book. As much as I enjoyed the characters and the world, I did feel like about two thirds of the story was mainly just conversation. There was really nothing going on. The last third of the story is where the action happened. However, it was over pretty quickly. I do agree with another reader that if this had been the first book in this series that I would have not wanted to continue reading. It helped me to understand what the Vietnam vets went through when they returned. It was interesting to reconnect with the characters from Virtues of War. In this book we meet them after their battles. I found it hard to sympathize with Katja- I felt she had become too much of a soldier, a killer, but could understand the honesty of the I enjoyed this book even more than Virtues of War. I found it hard to sympathize with Katja- I felt she had become too much of a soldier, a killer, but could understand the honesty of the character development. It felt like she had lost compassion. But it felt real. The other aspect I appreciated was seeing what happened from the other point of view. And sometimes the power of love.

Plot[ edit ] The story is presented as a flashback of Max Eriksson, a Vietnam veteran. Reilly leads his platoon of American soldiers on a nighttime patrol. They are attacked by the Viet Cong VC after a panicked soldier exposes their position. The platoon takes a break outside a river village in the Central Highlands. The platoon is sent back to their base. Frustrated because his squad has been denied leave for an extended period, Meserve orders the squad to kidnap a Vietnamese girl. Eriksson strenuously objects but Meserve, Cpl. Before the five-man squad disembarked, Eriksson talks about his concerns to his closest friend, Rowan. At nightfall, the squad enters a village and kidnaps a Vietnamese girl, Than Thi Oanh. The squad and Than eventually take refuge in an abandoned hooch, where Eriksson is confronted and threatened by Meserve, Clark, and Hatcher. Diaz suddenly gives in to the pressure, leaving Eriksson alone in opposing the act. Meserve forces Eriksson to stand guard outside while the other men take turns raping Than. At daybreak, Eriksson is ordered to guard Than while the rest of the squad takes up a position near a railroad bridge overlooking a Viet Cong river supply depot. However, Meserve sends Clark to get Eriksson and Than to go to the bridge before Eriksson can carry out his plan. In the midst of the firefight, Than tries to escape. Eriksson tries to save her but is stopped by Meserve, who knocks Eriksson down with the butt of his gun. Eriksson watches helplessly as the entire squad shoots Than numerous times until she falls off of the bridge. After the battle, Eriksson wakes up in a field hospital at the base. He eventually bumps into Rowan and tells him everything that happened. Rowan suggests that Eriksson sees Lt. Reilly and company commander Captain Hill. After narrowly escaping an attempt to kill him in the latrine with a grenade made by Clark, Eriksson storms into a tent and smacks Clark in the face with a shovel. He bluntly tells Meserve that killing him is unnecessary, because "I told everybody! Eriksson then meets an Army chaplain at a bar and tells him the story of what happened during the patrol. The chaplain in turn reports it, launching an investigation. The four men who participated in the rape and murder are court martialed: At the end of the film, Eriksson awakens from a nightmare to find himself on a J-Church transit line in San Francisco, just a few seats from a Vietnamese-American student who resembles Than same actress. She disembarks at Dolores Park and forgets her scarf and Eriksson runs after her to return it. As she thanks him and turns away, he calls after her in Vietnamese. She surmises that she reminds him of someone, and adds that he has had a bad dream. They go their separate ways, and Eriksson is somewhat comforted.

## Chapter 5 : Casualties of War (Vietnam #4) by Chris Lynch Book Reviews

*Casualties of War was a decent read. This science fiction novel is based on military relations on space warfare. At times this novel proved to be a challenging slow read, but when the action and deception kicked in Coles really delivered. During these times of war Coles gives us (the readers) great insight into the main character's psyche.*
