

Chapter 1 : US 'abandons restraint' in Iraq | UK news | The Guardian

*What is Condoleezza Rice's net worth? There is a lot to consider when confirming Rice's net worth. Her salary during her time in politics and her salary while serving as Provost and professor at the University of Stanford, before and after her political career.*

However, in the same vein with former President Barack Obama, she is the first female Black American ever to be appointed to such a prestigious position. This happened in under the then-president George W. She was born in Birmingham, Alabama on November 14, From the age of three, Rice had a love for the languages, the arts, and music. By the time she was fifteen, she wanted to be a concert pianist but life had other plans. She then moved on to the University of Denver to study Music. However, down the line, owing to a series of events and sitting in on an International Politics course, she switched her major and graduated with a B. In , Rice became an assistant professor of political science at Stanford University and was promoted to associate professor in Two years later, she returned to Stanford and became a personal mentee of George P. Shultz who served as the Secretary of State under Ronald Reagan. In , Rice was appointed as Provost of the University of Stanford and also made a full professor. She broke three records following her appointment, becoming the first female, first African-American and youngest Provost in the history of the institution. Condoleezza Rice and President George W. On November 16, , President George W. Bush nominated her for Secretary of State, a nomination that was confirmed in an vote by the Senate. Hers was the most negative votes recorded against a Secretary of State nominee since Some of the nay voters included Barbara Boxer and Robert Byrd who believed the Bush administration had done badly on the foreign policy and terrorism intelligence fronts. Condoleezza Rice is the most travelled Secretary of State, as her tenure saw her initiate diplomatic efforts on behalf of George W. Throughout her political career, she showed divided opinions on sensitive issues such as LGBT rights, gun control, terrorism, nuclear capabilities, immigration, abortion and much more. During one of her final interviews as Secretary of State in December , Condoleezza Rice announced that she would be returning to Stanford as a professor. She made it clear that teaching has always been where her heart is. As of , the former National Security Adviser and Secretary of State is a member of the Political Science faculty as a professor of political science. Who is her husband? The academician cum politician apparently has never considered raising a family as a priority. However, Rice does have a dating history. Sometime in the s, she was in a relationship with Ric Upchurch, a then-professional American footballer. The couple even got engaged right before Rice left him, citing that she knew the relationship was going nowhere. Her salary during her time in politics and her salary while serving as Provost and professor at the University of Stanford, before and after her political career.

*Condoleezza Rice is special / Astra Taylor Somebody blew up America / Amiri Baraka Now it can be told!: Dr. Condoleezza Rice (herself): worldwide sleep-in girl.*

Rice has roots in the American South going back to the pre-Civil War era, and some of her ancestors worked as sharecroppers for a time after emancipation. The Rices lived on the campus of Stillman College. Rice enrolled at the University of Denver, where her father was then serving as an assistant dean. Rice initially majored in Music, and after her sophomore year, she went to the Aspen Music Festival and School. There, she later said, she met students of greater talent than herself, and she doubted her career prospects as a pianist. She began to consider an alternative major. Rice later described Korbelt who is the father of Madeleine Albright, then a future U. Secretary of State, as a central figure in her life. She first worked in the State Department in, during the Carter administration, as an intern in the Bureau of Educational and Cultural Affairs. Her dissertation centered on military policy and politics in what was then the communist state of Czechoslovakia. Rice contacted both Harvard and Stanford, but states that Harvard ignored her. Early political views Rice was a Democrat until, when she changed her political affiliation to Republican, in part because she disagreed with the foreign policy of Democratic President Jimmy Carter, [26] [27] and because of the influence of her father, who was Republican. As she told the Republican National Convention, "My father joined our party because the Democrats in Jim Crow Alabama would not register him to vote. She was promoted to associate professor in, a post she held until Breslauer in the mids. She was taken under the wing of George P. Shultz included Rice in a "luncheon club" of intellectuals who met every few weeks to discuss foreign affairs. At Stanford, in, Rice volunteered to serve on the search committee to replace outgoing president Donald Kennedy. Everything she has done, she has done well; I have every confidence that she will continue that record as provost. When Rice took office, she promised that the budget would be balanced within "two years. In, Rice assumed office as Secretary of State. Rice played a big responsibility in trying to stop the nuclear threat from North Korea and Iran. The agreement between the United States and North Korea included North Korea agreeing to freeze and eventually dismantle its graphite moderated nuclear reactors, in exchange for international aid which would help them to build two new light-water nuclear reactors. In, North Korea agreed to give up its entire nuclear program in exchange for security guarantees and economic benefits to ensure its survival. In, Rice was involved in another nuclear agreement with North Korea Pyongyang. Rice, other negotiators for the United States and four other nations six-party talks reached a deal with North Korea. As Secretary of State, Rice was involved in the negation of this agreement. At the age of 15, she played Mozart with the Denver Symphony, and while Secretary of State she played regularly with a chamber music group in Washington. Kennedy Center for the Performing Arts. As the end of their tenures approached in January, outgoing President Bush appointed her to a six-year term as a general trustee, filling a vacancy on the board. Chevron honored Rice by naming an oil tanker Condoleezza Rice after her, but controversy led to its being renamed Altair Voyager. In Rice joined the Ban Bossy campaign as a spokesperson advocating leadership roles for girls. She impressed Bush, who later introduced her to Soviet leader Mikhail Gorbachev, as the one who "tells me everything I know about the Soviet Union. Late that year, California Governor Pete Wilson appointed her to a bipartisan committee that had been formed to draw new state legislative and congressional districts in the state. The group of advisors she led called itself The Vulcans in honor of the monumental Vulcan statue, which sits on a hill overlooking her hometown of Birmingham, Alabama. Rice would later go on to give a noteworthy speech at the Republican National Convention. The speech asserted that "Rice earned the nickname of "Warrior Princess", reflecting strong nerve and delicate manners. Rice has stated that "while race-neutral means are preferable", race can be taken into account as "one factor among others" in university admissions policies. Rice indicated "It was information based on old reporting. Moreover, she stated that it was "incomprehensible" to her that she had ignored terrorist threats two months before the September 11 attacks. The White House claimed executive privilege under constitutional separation of powers and cited past tradition. Under pressure, Bush agreed to allow her to testify so long as it did not create a

precedent of presidential staff being required to appear before United States Congress when so requested. Rice was a proponent of the invasion of Iraq. She stated that while: Attorney General Eric Holder , [93] and many senior politicians, including U. The Senate report says that the Bush administration officials "reaffirmed that the CIA program was lawful and reflected administration policy". And so, by definition, if it was authorized by the president, it did not violate our obligations under the Conventions Against Torture.

Rice will receive an honorary doctor of public service degree at the event. She has also had a very distinguished career in the academy as a teacher, scholar and administrator. Few equal her experience in both public affairs and higher education. Departmental ceremonies will continue to take place on Sunday, May From January , Rice served as the 66th Secretary of State of the United States, the second woman and first African American woman to hold the post. Rice also served as President George W. As professor of political science, Rice has been on the Stanford faculty since and has won two of the highest teaching honors – the Walter J. She has authored and co-authored numerous books, including two bestsellers, No Higher Honor: The Soviet Union and the Czechoslovak Army She remains an active proponent of an extended learning day through after school programs. The firm works with senior executives of major companies to implement strategic plans and expand in emerging markets. Hadley and former Secretary of Defense Robert M. I look forward to her message to the graduates. In addition, she is a member of the boards of the George W. Previously, Rice served on various additional boards, including: Rice is a Fellow of the American Academy of Arts and Sciences and has been awarded ten honorary doctorates. She currently resides in Stanford, California. Schedule change In previous years, the Commencement ceremony was held on Sunday. However, this year, the event was moved to Saturday in order to accommodate departmental ceremonies, which used to take place the same day in locations across campus, said Vice President for Student Affairs Ginger Ambler. The decision to move the main ceremony to Saturday and keep departmental ceremonies on Sunday was made by the Commencement Policy Committee, chaired by Ambler, and approved by President Reveley. For example, the Alumni Induction Ceremony will now take place after the graduation ceremony which allows us to form a new tradition around that event. For information on departmental ceremonies as well as other Commencement weekend activities, view the weekend guide online.
