Chapter 1 : Rohrabacher Cites Ex-Intel Report Denying Russian Hacking | Congressman Dana Rohrabacher

Dec 13, Á. Annette Taddeo lost a Democratic primary for a House seat in Florida after documents uncovered by Russian hackers were published by reporters and bloggers.

President Trump in the first label on intra meeting with the queen today in Great Britain. Chris present coming off a NATO summit yesterday. And his meeting with the prime minister Theresa May earlier today and then press comes he had this morning also in Great Britain this is of course ahead. Of his meeting on Monday in Helsinki. With the Russian president Vladimir Putin. Black tie dinner last night also in Great Britain. This one of the highlights of the trip of course for the president. And the First Lady. Made headlines course in Great Britain and let his. Criticism of two recent day his praise of one of her opponents to just let the government the foreign minister Boris Johnson. And this ship a long time coming protests across Great Britain. But the president being that there. Expect to spend the weekend. And women golf resorts in Scotland turned very. Might get a little golf and also planning prepare for of course for that meeting. Prison like the pop of these trips. When that big parade. Military parade he had in Paris. The business side it has been a controversial trip. Follow through on their pledges to increase defense spending. But they were able to get a joint communique. Are trying to clean that up now as well. This part of the trip ceremony. As we see that now we have learned now that. An indictment indictment of Russian nationals related to hack of the DNC back in game two that the sixteen. Here taxes in the rumor Reza senate set to appear Pierre what do we now. Look towards the indictment comes just as the president going to meet with. Vladimir Putin it charges that twelve Russian nationals associated would much Russian military intelligence. Hacked in the NC and then provided to get that information out to harms that campaign of Hillary Rodham Clinton. So the bottom line is that they are talking new indictments today against Russian nationals in connection with the fact of the DNC George. And all of those Russian nationals or members of the Russian intelligence service that comes on top of the thirteen Russian nationals. And the three entities that were indicted for her during the election back in February or bring in Chris Christie. As well former governor entered New Jersey. Bonds due Americans like Mr. Two questions regarding how much he would challenge. President Clinton Mitt at the idea that they were meddling in the US election. Eight on this issue. Well then and own that Chris are you now have to a unanimous findings of the American intelligence agencies and now 25 Russian nationals indicted. Mellish an actual thought all along that there are clearly. No debate about whether the Russians try Q. I leadership that you committee among our intelligence agency start. As brown probable cause to leave. And Jon Karl what we now have. With the campaign it would that we live tax fraud and other violations. On the campaign the big open question will he find that any members anyone connected to president Trump cooperated. The British prime minister. He referred once again to the Mueller investigation as a witch hunt Saturday new a new crashed into its that was a rigged witch hunt. So he went on the attack today. Against Robert Mueller and now we see. Mueller coming out what these indictments I think the timing is incredibly significant here George the fact that the president. Is about to be sitting down with Vladimir Putin at a summit meeting. Muller can do these indictments whenever he wants he has decided to do it essentially on the eve. Of that summit summit is on Monday we are here on Friday. A subject of that summit and and just victorious comes at the time it will be. With Robert Mueller for an in your views on some of these questions and it was. That the president is very unlikely. To sit down for that interview. Over and over again including. Not to do that interview. But George to your point that the list of indictments. Is piling up here it seems. He gets harder harder to dismiss the special counsel investigation. As he witch hunt. Today a grand jury in the District of Columbia. Indictment charges twelve Russian military officers by name. For conspiring to interfere. With the point presidential election. Eleven other defendants are charged with conspiring to hack into computers. And release those documents with the intent to interfere in the election. One of those defendants and a twelve Russian military officer. Are charged with conspiring to infiltrate computers. Organizations involved in administering elections. Including

state boards of election. Secretaries of state and companies that supplied software. Used to administer elections. And according to allegations in the indictment. The defense work for two units. Of the main intelligence directorate. Of the Russian general staff known as the G argue. Units engaged in active cyber operations. To interfere in the There was one unit that engaged and active cyber operations by stealing information. At a different unit that was responsible for disseminating the stolen information. First they use a scheme known as spear fishing. Which involves sending misleading email messages. And tricking users into disclosing. Their passwords and security information. Second the defendants hacked into computer networks. And installed malicious software. That allow them to spy on users and capture. And Exel trade or remove data from those computers. The defendants access to email accounts of volunteers and employees. Of a US presidential campaign. Including the campaign chairman. Starting in March They also hacked into the computer networks. At a congressional campaign committee and a national political committee. The defendants Covert and monitored the computers. And planted hundreds of files containing malicious computer code.
