

Chapter 1 : Cooks Illustrated Annuals | Awards | LibraryThing

Cook's Illustrated is a wonderful magazine, and the hardbound annuals are an excellent investment. The recipes don't grow stale and the essays about the search for the best way to cook anything are as enjoyable in as they were in

I bought the last 10 years for my dad as a christmas gift and he loves these books. He uses them all the time in the kitchen for references. He said he is going to wait for the annuals rather than subscribing to publisher. It is also a handy way to keep the magazines nice. This was a gift for my father, who was missing this particular issue. Worth it for the profiteroles alone! Okay, the equipment reviews are out of date as to model and possibly manufacturer, though they do tell you what to look for. And the book reviews are out of date as many of the books are out of print, though a dedicated collector should be able to find them in the secondary market. But those essays are just priceless. The team knows just what a dish should look like, smell like, FEEL like in your mouth, and taste like The mistakes along the way are as interesting to me as their ultimate successes. In this annual, I sighed over the recipe and essay about profiteroles, one of my favorite desserts. The main dishes run from pork chops to pot roast to chicken Vesuvio, halibut steaks and shrimp Kung Pao. The recipes are all reliable. Five Stars By Sally D. Have ordered several years. The annual index helps locate recipes. Five Stars By A. The focus on basic cooking skills and not about fancy cooking recipes using oddball and hard to find ingredients is what won me over. Honest reviews on cooking utensils and recipe items such as sauce and condiment taste for example have not let me down. A collection of these annual issue books has allowed me to liquidate many many cookbooks I owned that did not make the grade. These are the definition of what the foodie needs for honest info and decent results when attempting the recipes within. Highly recommended for novice to skilled, all will pick up knowledge from this. Bound copies of magazines - NICE! All of their annuals are 5 stars.
