Find Free WordPress Themes and plugins. CSS this subject requires candidates to be updated with general knowledge of history, geography, politics and day to day development of news event. It is a dynamic subject and student hardly gets competitive Notes from a single source. Current affair is all about latest happenings in Pakistan and world. It includes hot topics in the world including economy, politics, social issues and the relation of Pakistan with rest of the world. Current Affair is a compulsory subject of CSS and consists of marks. CSS aspirants have to get themselves prepared reading lots of books, newspapers, and columns to keep themselves updated with the latest news and updates. It is a compulsory subject and high scoring subject. Getting passing marks in the current affairs paper will not help any student for qualifying into a particular service group. It is necessary for students to be connected with the world, keep an eye on the drastic changes and study geographical dynamics to attempt the paper in the right manner. It is essential for a successful bureaucrat to know what is happening and what will happen in coming years. So, a student has to think like a bureaucrat to attempt the paper and gain sufficient knowledge to qualify the paper. What to do with Degree? You can still make your efforts to get a hold on the subject with hard work and dedication. However, there is no need of a specialized degree in journalism or current affairs to appear for the competitive exams. Current Affairs for Competitive Exams Attempting for competitive exams is all about the test of memory. It depends on student how much information he absorbs during the preparation and how effectively he recalls this information on time. The questions can be from any part of the topic and you have to answer it briefly in the exams. This subject is not specific and a broad subject consisting of various branches. It is important to mention here that all the branches of current affairs are not necessarily linked to it. Some of the major branches of current affairs are:

It is scheduled to take place in Russia from 14 June to 15 July, after the country was awarded the hosting rights on 2 December. The Organization of Islamic Cooperation founded in 1969 has 57 members, 56 of which are also member states of the United Nations. The European Union EU comprises 28 member states. Prime Minister Theresa May invoked Article 50 on 29 March to formally initiate the withdrawal process. The Cold War began a long period of rivalry which pitted the U.S. The Cold War was fought on the political, economic, and propaganda fronts. The Cold War was to dominate international affairs for decades and many major crises occurred – the Cuban Missile Crisis, Vietnam, Hungary and the Berlin Wall being just some. For many, the growth in weapons of mass destruction was the most worrying issue. The NPT is a landmark international treaty whose objective is to prevent the spread of nuclear weapons and weapons technology, to promote cooperation in the peaceful uses of nuclear energy and to further the goal of achieving nuclear disarmament and general and complete disarmament. Opened for signature in 1968, the Treaty entered into force in 1980. On 11 May, the Treaty was extended indefinitely. A total of 113 States have joined the Treaty, including the five nuclear-weapon States. Pakistan and India have both refused to sign the NPT. The Baikonur Cosmodrome was originally constructed by the Soviet Union in the late 1950s as the base of operations for its space program. Both Sputnik 1, the first artificial satellite, and Vostok 1, the first manned spaceflight, were launched from Baikonur. Elizabeth I was Queen of England and Ireland from 1558 to 1603. Through her parents and grandparents, Elizabeth II can trace her ancestors back long before Elizabeth I! When he died in February Elizabeth became Queen. Her coronation was on 2 June. Queen Elizabeth II is one of the most famous women in the world. She has visited many countries and met many world leaders. She has probably travelled more miles than any king or queen in history. Only Queen Victoria has had a longer reign 63 years and 7 months. British rule in Burma lasted from 1824 to 1947, from the Anglo-Burmese Wars through the creation of Burma as a province of British India to the establishment of an independently administered colony, and finally independence. After three Anglo-Burma Wars, and Burma was conquered and transformed into a British colony. Burma became an official colony on January 1, 1948. The British ruled Burma as a part of India from 1824 until 1937. In 1937, Burma was made a crown colony of Britain. Britain in part used Burma as a buffer zone between India and the rest of Asia. 11 Oldest tennis venue: The Championships, Wimbledon, commonly known simply as Wimbledon, is the oldest tennis tournament in the world, and is widely considered the most prestigious. It has been held at the All England Club in Wimbledon, London, since 1877 and is played on outdoor grass courts. Bishkek formerly Pishpek and Frunze, is the capital and largest city of the Kyrgyz Republic. During the Soviet era, the city was home to a large number of industrial plants, but most have been shut down since or now operate on a much reduced scale. The last census in Pakistan was conducted in 1998 since then there are mere estimates that Pakistan works with for policy making. Constitutionally Pakistan is bound to conduct census every 10 years. The March census are taking place after a gap of two decades. Pakistan has a long history of Census taking and the first regular Population Census in the area now comprising Pakistan was held in 1951. Since then regular censuses have been conducted after every ten years in the year ending at one. After independence, the first census of Pakistan was conducted in 1951, the second in 1961 while the third census was held in 1973 instead of due to political environment in the country and war with India. The fourth census was held in March 1981 and fifth one which was due in 1991 could be held in March, due to specific circumstances. Anwar el-Sadat was the one-time president of Egypt who shared the Nobel Peace Prize for establishing peace agreements with Israel. The resolution, proposed by the Prime Minister, Liaquat Ali Khan, proclaimed that the future constitution of Pakistan would not be modeled entirely on a European pattern, but on the ideology and democratic faith of Islam. Individual do have religion but state had not. Mian Muhammad Iftikharuddin was the only Muslim member in the house who opposed the resolution. With around 300,000 farmers cultivating cotton, China is the biggest cotton producing country. The cultivation requires moderate rainfall.

To save the plant from pests, there is a huge usage of pesticides and fertilizers. The explosion wiped out 90 percent of the city and immediately killed 80, people; tens of thousands more would later die of radiation exposure. Three days later, a second B dropped another A-bomb on Nagasaki, killing an estimated 40, people. Described as the greatest geopolitical catastrophe of the 20th century by the current president of Russia Vladimir Putin the collapse of the Soviet Union has caused profound changes in global political and economic affairs, impacting the lives of hundreds of millions of people. Economic factors have played an immense role in the collapse of the Soviet Union and this role relates to the negative impacts of centrally-planned economic system. Substantial disadvantages associated with centrally-planned economic system include inefficiencies associated with resource distribution, lack of economic stability and lack of motivation for quality improvement due to the absence of competition and each of these disadvantages have played their part. The Suez Canal is an extremely crucial and famous shipping canal allowing the passage of vessels between the Mediterranean and the Red Sea. ### Chapter 5 : Current Affairs - CSS Forums

*Candidates get CSS Current Affairs Notes to display an extensive show of their knowledge in the CSS exams, especially in this paper. CSS this subject requires candidates to be updated with general knowledge of history, geography, politics and day to day development of news event.*

We all know that most of the competitive exams in Pakistan come up with these two subject areas, and most of the students feel great difficulties to score high marks in it. One reason could be that there is constant development in the Global Affairs and National Politics on a daily basis, which makes it difficult to stay updated with all the latest affairs all the time. We need to strategize our plan of action to prepare for it accordingly; otherwise it will be tough nut to break for sure. Some Important Tips to Follow: So, always be ready to be amazed by a new observation, new piece of knowledge and new feeling of curiosity about anything and everything you see. Your mind is filled with hundreds and thousands of questions. Did you Know Who climbed the Mt. Everest For the First Time? How Does a Microwave oven Work? Who are the Haqqani Network? How many operations our Army has done against Terrorists, what are the names of all those major operations? Even if its a fifth grade school book. Once you read it then you will realize that even small bits and pieces of information can add up to your knowledge base. Reading can include anything: We need to make a habit of reading newspapers regularly. One tip is to go for e-Dawn news. Simply download the app and keep yourself updated on the go. You need to get it from your local bookstore, and start reading it thoroughly. These magazines beautifully categorize the articles with its genres to make it interesting to read on. This will increase your chances of cracking the competitive exams with ease, as you grow your GK consistently. Some useful Blogs are: Better is to watch 9pm news every night. You could also get the highlights of daily news in video format at <http://> All the leading ones shows the glimpses of all important events of the day quite frequently, so 30 minutes will be enough for you to boost up your current affairs and GK knowledge. This diary will become quite useful for the revision part, as it will provide you information about all the important events at a place. You should keep revising the diary frequently, as it will help you to memorize important names, dates, awards, events etc. It also helps for preparation of all compulsory subjects. Use Social Networking Sites for Good Believe me or not you can surely use social networking sites to your benefits. You can join some Facebook pages, or follow some twitter accounts that are related to current affairs. Home-deliveries are made within 5 working days. Conclusionâ€” Civil Superior Services CSS examination has a lot of questions about current affairs and dealing with them is the toughest task for most candidates. But staying up-to-date with the current happenings and making it a hobby can bring an ease for the candidate.
