

Chapter 1 : Events Archive - Every Nation

Every Nation churches and campus ministries begin each new year with five days of prayer and fasting to humble ourselves before God, consecrate ourselves to him for the upcoming year, and corporately agree for breakthroughs.

Peacefulwife prayer We must pray like never before for our world, our nation, and our culture. There is a great spiritual battle going on and time may be very short. God is calling to us to wake up! As followers of Christ, we must stand in the gap for our nations, our government leaders, our communities, our churches, our businesses, our schools, our friends, our neighbors, our families, our marriages, and our children. Everything that is precious to us is hanging in the balance! Our battle is not against flesh and blood but against demonic forces. They need Jesus like we all do. Satan has plans to steal, kill, and destroy us all. He wants to destroy our culture and our nation with evil lies and all manner of ungodly delusions. He especially wants to take our children captive and derail their God-given, glorious destiny. Our weapons are spiritual weapons. We get on our knees before the sovereign Almighty God and pray with humility, urgency, grief, fervency, and passion. We plead for the salvation of so many who are deceived, miserable, and lost. We pray for His new spiritual Life to awaken them. We speak the truth in love. We stand for holiness and righteousness. We protect life and innocence. We hate evil of all kinds. We entreat God to rid every area of our culture of evil, corruption, and sin. We ask for righteous, faithful, godly, just leaders in government, churches, businesses, the media, and families. We invite His glory into His church and into every arena of influence in our land. We invite His Gospel to move forward powerfully and pray in a great harvest into the Kingdom. We invite the Bible into the closed, dark places of our society. We prepare ourselves to be sent by God to reach those whom He loves so dearly. Lord, You have us here in this place in this time for such a time as this. Cleanse us of any sin in our own lives. Purify us and set us apart for Your purposes. Prepare, equip, and empower us to be salt and light for You in this raging spiritual battle. Use us to share Your love, Your Gospel, and Your healing with countless people. Use us to rescue the dying and recover Your loved ones who are lost. Increase our faith greatly! Help us to receive all of Your Spirit that we can hold. Help us to grow by leaps and bounds in spiritual maturity so that we might pray powerfully and effectively in the strength of Your Spirit. We need Your intervention more desperately than we can possibly say.

Chapter 2 : In Christ - Annual Prayer and Fasting - Victory Greenhills

Every Nation churches and campus ministries around the world will begin the year with a time of prayer and fasting. Join us as we believe God for new opportunities and big breakthroughs in !

It is our way of humbling ourselves before God and consecrating to Him the upcoming year of life and ministry. It is also the time when we as a church family come into agreement and believe together for breakthroughs in our personal lives, families, and church in the coming year. We are especially praying for people who are not yet walking with God to come to know and follow Jesus Christ. Fasting is a spiritual discipline that has been practiced by Christians for thousands of years. Jesus Himself fasted Matthew 4: Biblical fasting is refraining from all food or certain foods for a spiritual purpose for a limited period of time. We do this by adjusting our typical patterns and routines to seek Him in a more focused way during a given time. But by fasting, we are choosing to intentionally seek God in a more focused way. And God is a rewarder of those who diligently seek Him Hebrews We are asking everyone in our church family to prayerfully set some goals for participating in this 5-day fast. Some will abstain from all food for all some or all of the 5 days. The important thing is to seek God to discern how He is calling you to participate. There will be grace for you to obey what He calls you to do. After all, He is the One you are wanting to please 2 Cor. Along with devotionals, it includes instructions and tips for preparation, fasting itself, and breaking the fast. Fasting can be challenging, but Jesus assures us that it brings everlasting rewards Matthew 6: Setting aside a specific amount of time for fasting prioritizes our relationship with God. When we fast from food, we are effectively saying that we are more hungry for God, His presence, and His purposes, than we are even for even physical food. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great. Between the dangers of self-denial and self-indulgence is the path of pleasant pain called fasting.
