

Chapter 1 : The Darkest Promise (Audiobook) by Gena Showalter | www.nxgvision.com

Gena Showalter is the New York Times and USA Today bestselling author of over thirty books in paranormal and contemporary romances, as well as young adult novels. Her series include White Rabbit Chronicles, Angels of the Dark, Otherworld Assassins, Lords of the Underworld, Alien Huntress and Intertwined.

If she dares, her memory is wiped clean. With no other recourse, she sneaks into a land more fantastical than any fairy tale, determined to find the one man with the key to her redemption. Lazarus the Cruel and Unusual rules his kingdom with a single unwavering focus: Nothing distracts him - until Cameo. He is relentless in his quest to make her smile and seduce her into his bed. Every heart-stopping kiss and wicked touch causes Cameo to teeter on the brink of happiness. But if she falls, she risks forgetting him forever. The Darkest Promise is part Alice in Wonderland, part biblical tangent, part mythological twist. You have Cameo, who is inhabited by the demon of misery. Lazarus the cruel and unusual is king of the realm of the grim and fantic. The world Showalter has created is insane! Its so incredibly unique and fantastical! Its also VERY sexy. Talk about sexual tension! Now, Lazarus is a character I know from the Bible. He is the man Jesus raised from the dead in his last miracle before his passion. Also, religiously speaking, Balthazar was the demon of misery who, like Satan, was once an angel who was banished. So, these stories had me thinking about the characters and trying to make connections in other ways. Talk about a forbidden love that is never to be! Cameo has her memory erased the moment she experiences happiness. So, no love, no joy. Lazarus knows she is his intended he has a weird greek word for it , but they simply cannot be together. Its all very tragic and angsty. Cameo is one of the Lords of the Underworld, but because her demon makes everyone around her miserable, she has pretty much steered clear. Lazarus also knows that keeping Cameo in his life will lead to his death, just like his father. When Cameo makes Ever and Urban cry just by talking, my heart hurt for her. Loved the supporting characters! Urban and Ever are adorbs! Viola is an interesting character as well. Finally, I enjoyed the banter between Lazarus and Cameo. Despite all the tragedy and danger, there are moments when these two are hilarious and punny! It was incongruous with their situation, but it totally worked. However, you really could read this as a stand alone like I did. I totally skipped to the end to make sure this would end in a way I was okay with.

Chapter 2 : The Darkest Promise by Gena Showalter | Reading in Pajamas

*The Darkest Promise: A Dark, Demonic Paranormal Romance (Lords of the Underworld) [Gena Showalter] on www.nxgvision.com *FREE* shipping on qualifying offers. New York Times bestselling author Gena Showalter returns with a sizzling Lords of the Underworld story about an iron-willed sovereign and the somber beauty who melts him with a glance.*

Some readers want him with Gilly, others want him with someone new. The latest book in this Series is just as dark and depressing as the previous ones. For those who have not read the previous books, this book can be read as a standalone. Showalter does an excellent job For me what made this decent was the ongoing development between Cameo and Lazarus prior to this book. Their story was built up Which of course is saying something since I always enjoy them. First off let me say that I absolutely adore Lazarus. Beth Feb 24, Cameo is possessed by the Demon Misery. Lazarus, the Cruel and Unusual, a child of a god and ruler of a kingdom, will stop at nothing to crack Cameo? She was passion and pleasure, suddenly his sole reason for breathing.? Is it just me, or does the wait between releases in this series get more and more painful every time I finish anot I foresee lots of Hopefully, a prelude to my Gilliam as well. This series is on hold until I know what happens with those two!!! Ana Oct 26, Lazarus. Lazarus the Cruel and Unusual. Son of Typhon, the most deadly creature in Greek mythology, and Echidna, a Gorgon. King of the Realm of Grimm and Fantica. Has a garden named Garden of Perpetual Horror. The keeper of Mise Jo Jun 14, Finally we have the book I? I can walk into a room and ruin a party,? You can open your mouth and do the same.? Not missing a beat? It dragged and it was repetitive in my opinion I want my Gilliam!!! Lol sorry waiting for their book How many times had this woman faced rejection? The Darkest Promise is by far my favorite book of this year Honestly the romance was a really good build up but the sex was lacking. I read this book way before it came out, almost two years ago and at the time never wrote a review. I decided to reread Rachaellovesbooks Sep 26, Welllllll yes there definitely are spoilers ahead!!!!!!!!!!!!!! On those occasions he recognized her as his?????????? Plot I literally have not gobbled up a book this quick in so long. This book has action, drama, romanc Kat Valentine May 20, So in love with cameo and Lazarus book!!! Cameo is one of the best characters from the dark series,any hot bad ass chic that can hold her own in a group of totally alpha males has got to be awesome. Her and Lazarus have a c Jun 01, 5 stars Bloody. Emma Jun 12, So done with the back and forth on William and Gilly. Jessica Jun 26, I loved this. This series definitely has dark undertones. What I like the best is that you could take out all the smutty sex and still have a great story, that cant be said about too many paranormal Bir kere en ba?? Sophia Triad Apr 16, Cameo: Demon of Misery Butterfly: Misery, depression, tears, emotional pain. Her voice makes people commit suicides. It makes them crazy with sadness. Cameo was never happy. Son of Typhon and Echidna, a Gorgon. King of the R Victoria Castillo May 24, Ok Meret Punk Apr 27, 4. I have to say, I have been waiting for so long and I was expecting a solid 5 from this book, Im a little disappointed: It was still beautiful: I love everything about Lazarus.. And the way he teased Cameo, it was the cutest thing ever Download at full speed with unlimited bandwidth with just one click! Fully optimized for all platforms - no additional software required! Experience all the content you could possibly want from comprehensive library of timeless classics and new releases. We will not sell or rent your email address to third parties.

Chapter 3 : Cover Reveal: The Darkest Promise by Gena Showalter

Amazon - B&N New York Times bestselling author Gena Showalter returns with a sizzling Lords of the Underworld story about an iron-willed sovereign and the somber beauty [].

If she dares, her memory is wiped clean. With no other recourse, she sneaks into a land more fantastical than any fairy tale, determined to find the one man with the key to her redemption. Lazarus the Cruel and Unusual rules his kingdom with a single unwavering focus: Nothing distracts him - until Cameo. He is relentless in his quest to make her smile and seduce her into his bed. Every heart-stopping kiss and wicked touch causes Cameo to teeter on the brink of happiness. But if she falls, she risks forgetting him forever

My Review: The Darkest Promise is the hopefully lucky 13th book in the Lords of the Underworld series. It is appropriately just a bit different from the previous books, because the demon in this particular entry inhabits Cameo, the lone woman among the men who became Lords of the Underworld by hosting a demon. Unless, of course she lets her demon out. Or the deepest darkest depression ever known. When Misery talks, everyone around them cries, runs away and tries to slit their own wrists. And he does, every single day of her long and miserable life. But even though Misery makes her forget the few times that Cameo manages, well, not to be completely miserable, she is aware that there is one male in the cosmos who made her happy, however briefly. All she has to do is find her way back to the Spirit Realms to see if Lazarus the Cruel and Unusual, Lord of the Realm of Grimm and Fantic, is willing to make her happy yet again. Because Lazarus is cursed by his own blood to be turned into a crystal chrysalis by constant exposure to the one woman who is his mate - his obsession. For Lazarus, Cameo is that woman, and her initial visit to his realm has already begun the deadly process of crystallization. Lazarus has vengeance to wreck before he becomes to enfeebled to carry out his plans. Being with Cameo dramatically shortens the time he has available. The premise behind this whole series is still a fascinating one. When the box was opened, all those escaped demons needed a place to live and work their worst so they inhabited the bodies of the warriors near them. But as the series has progressed, those warriors have managed to find love and happiness in spite of the demons they harbor. Of course, as immortal warriors they have also gathered a whole lot of equally immortal enemies, and often find themselves caught in the crossfire between rival factions. In the case of this entry, they are caught up in the ongoing warfare between Hades and Lucifer. And yes, this is a story where all the pantheons seem to be real. The romance in this paranormal romance is between two beings who expect to be hated and reviled - Lazarus, son of the monster Typhon and Cameo, Mother of Misery. These are two people who have zero expectations of a happy ever after, or of ever finding happy at all, and yet, they are perfect for each other - if they can leap over the baggage that they carry and get past millennia of negative expectations and destroyed hopes. In the end, love does conquer all, and in a way that the reader has been expecting pretty much from the beginning of the story. This post is part of a TLC book tour. Chapter 4 : Review: The Darkest Promise by Gena Showalter –“ Escape Reality, Read Fiction!

Coming June 13, New York Times bestselling author Gena Showalter returns with a sizzling Lords of the Underworld story about an iron-willed sovereign and the somber beauty who melts him with a glance.

Demon of Misery Butterfly: Misery, depression, tears, emotional pain. Her voice makes people commit suicides. It makes them crazy with sadness. Cameo was never happy. Son of Typhon and Echidna, a Gorgon. King of the Realm of Grimm and Fantica Supernatural ability: He is the son of the most feared immortal on Earth and a gorgon. Gorgons were a vicious race known for venomous snakes that grew from their scalps and an ability to turn anyone Cameo: Gorgons were a vicious race known for venomous snakes that grew from their scalps and an ability to turn anyone into stone with a simple meeting of eyes. Lazarus has a lot of things to inherit and to use. And it is not easy to kill him –” although he is already beheaded and dead eh, what??? Like Alice on her way to Wonderland, Cameo, host to the demon of Misery, tumbled end over end down a long, dark cavern. The sequential number in the series. For some people, it is their lucky number. For others, it brings misfortune and misery. I have a feeling that Gena Showalter knew from the beginning of the series that book number 13 would be for Cameo. I loved that Cameo is looking at the readers and dares them to hear her sad story. I loved that Lazarus is only looking at her like nothing else matters. When there is a promise, there is life. There was no way their story would be simple. Not any love at all for both of them. Only many past lovers for Lazarus and a horrible mistress. Slavery is worse than death for someone who loves his power that much. Obviously he will ache for revenge. Only a few past boyfriends for Cameo. But no love, only need. And lots of loneliness, even when she had a relationship. Cameo is the keeper of misery and consequently her book is full of sorrow and darkness. The story takes place at the Realms of the dead anyway. On the whole, for me it is one of the best and strongest stories in the series. Highly anticipated and expected. It shattered my heart, blew away my mind and made me feel the strongest emotions. No girl should be that sad, no man should be that harsh with himself. These two beings belonged together and they should never be alone again. You are my light on the darkest of days. To me, you are first. You will always be first. Nothing and no one will ever come before you. There are a few characters that also have a small or large part in this book like Viola, the children Urban and Ever how cute is Urban! But I think the story of Lazarus and Cameo overpowers all the side-stories.

Chapter 5 : The Darkest Promise by Gena Showalter

THE DARKEST PROMISE is the thirteenth book in Gena Showalter's Lords of the Underworld series and features Cameo, the keeper of Misery and Lazarus the Cruel and Unusual. I recommend reading the series in order to fully enjoy the series storyline.
