*Giving it Up is my first read by Holly Dodd and I have to say that I was surprised with how much I blushed while reading it. This story caught me from the beginning with it's sexy paced characters with every turn of a page there is humor, kink and some drama.*

People who bought this also bought Lily Kate Narrated by: Kasha Kensington, Iggy Toma Length: He opens it buck naked. In Her Words By: Jaxson Kidman, London Casey Narrated by: Aiden Snow, Savannah Richards Length: I fell in love; she took off. It feels like a lifetime ago now, though. I traded in my guitar for a needle, working at St. But I never knew that after she left our one night, she left pregnant. Yvonne Syn, Alastair Haynesbridge Length: They say nothing compares to your first kiss, but our first kiss was orchestrated for an audience. He stared into my eyes until the air buzzed. Pepper Winters Narrated by: Kylie Stewart, Eric Rolon Length: However, two meetings with two men changes her happy existence forever. First, she meets the man who makes her heart sing. Three years later, she meets the man who makes her blood quiver. It belongs to the stranger her father believes is her perfect match. The stranger who pulls his lies over everyone he touches. I hate the emotional blackmail that my mom gives me for not being with Sebastian, the guy my mom wanted me to marry. I never wanted him. I am only interested in the quarterback who I cheered for on the sidelines, even though I hate his guts. But we are about to graduate and go our separate ways. What am I going to do? Cold Hearted Narrated by: Yvonne Syn, Douglas Berger Length:

Jan 26, Jamie rated it did not like it Where to start I mean, this book is pretty small, just over pgs or so. Did no one edit it at all? I can overlook that, the problem with me was there was really no build up, at least not in my opinion. It was like the writer wanted to pack everything in really quick and finish up. Or maybe she Where to start Or maybe she thought adding in some BDSM or portraying the virginal main character as an inexperienced sexual deviant would make it all the more attractive. It was just a turn-off for me. And the use of the word "creaming? Dear Lord stop, please. Take my opinion with a grain of salt and see what you think. I just thought it was crude and gross. And for me to say that, takes quite a bit. I was quickly engrossed in the story line and was turning pages as fast I could to experience every moan and pant of Jo and Kevin and to watch them fall head over heels. And let me tell you, Jo and Kevi I received a copy in exchange for an honest review I absolutely love reading books by new authors because it is like indulging in a box of chocolates The only problem is the guy that she wants to make it reality with, does not sleep with virgins. So while she is blushing and salivating over Regi, there is only one man that she feels is in her comfort zone and hot enough to show her everything that she needs to know. Little does she know he has been dying to make her sweat and shake up her whole world. One minute she is blushing over sex and the next she is talking about wanting to be dominated and pleased. She is an enigma and I took to her character like a duck to water. All I can say after meeting Kevin with his delectable muscles and sexy man bun is whew! I would love to ride the Harris express! Holly Dodd delivers a scorching ride through the turbulent innocence and kink of a small town college girl that finds more than what she was looking for. Holly shows her readers that sometimes our future is different but far more exhilarating that we could have ever imagined. I highly recommend Giving It Up for a romance with a little sweet and a lot of heat! Who knows what steam and emotions that Holly will write for her readers.
