The two core missions of investigations and protection synergize with the other, providing crucial benefits to special agents during the course of their careers. Proficiency in analyzing handwriting and forgery techniques being applied in protective investigations of handwritten letters and suspicious package threats. Partnerships that are created between field offices and local law enforcement during the course of investigations being used to gather both protective intelligence and in coordinating protection events. Financial criminals include embezzling bank employees, armed robbers at automatic teller machines, heroin traffickers, and criminal organizations that commit bank fraud on a global scale. The USSS plays a leading role in facilitating relationships between other law enforcement entities, the private sector, and academia. The Service maintains the Electronic Crimes Task Forces, which focus on identifying and locating international cyber criminals connected to cyber intrusions, bank fraud, data breaches, and other computer-related crimes. Additionally, the Secret Service runs the National Computer Forensics Institute NCFI , which provides law enforcement officers, prosecutors, and judges with cyber training and information to combat cybercrime. The Secret Service is authorized by law to protect: From until , legislation was in place limiting Secret Service protection to former Presidents and their spouses to a period of 10 years from the date the former President leaves office. President Barack Obama signed legislation on January 10, , reversing this limit and reinstating lifetime protection. The Secret Service investigates thousands of incidents each year of individuals threatening the President of the United States. It was commissioned in Washington, D. The Marshals did not have the manpower to investigate all crime under federal jurisdiction, so the Secret Service began investigating a wide range of crimes from murder to bank robbery to illegal gambling. After the assassination of President William McKinley in , Congress informally requested that the Secret Service provide presidential protection. A year later, the Secret Service assumed full-time responsibility for presidential protection. In , William Craig became the first Secret Service agent to die while serving, in a road accident while riding in the presidential carriage. The Secret Service was the first U. Secret Service is not a part of the U. Marshals, and an additional private security detail led by Frederick Russell Burnham , the celebrated scout, were all called in by Chief John Wilkie to provide added security. Truman was residing in Blair House while the White House, across the street, was undergoing renovations. Though mortally wounded by three shots from a 9 mm German Luger to his chest and abdomen, Private Coffelt returned fire, killing Torresola with a single shot to his head. As of [update] , Coffelt is the only member of the Secret Service killed while protecting a US president against an assassination attempt Special Agent Tim McCarthy stepped in front of President Ronald Reagan during the assassination attempt of March 30, , and took a bullet to the abdomen but made a full recovery. Collazo was also shot, but survived his injuries and served 29 years in prison before returning to Puerto Rico in late They work with other federal, state, and local law enforcement agencies and the military to safeguard the President when he travels in Air Force One , Marine One and by limousine in motorcades. The operation, which was later described by Bruce Sterling in his book *The Hacker Crackdown* , affected a great number of people unrelated to hacking, and led to no convictions. The Secret Service, however, was sued and required to pay damages. That directive made the Secret Service responsible for security at designated events. Immediately after the World Trade Center was attacked as part of the September 11 attacks , Special Agents and other New York Field office employees were among the first to respond with first aid. On August 20, , Director Brian L. These bodies collectively provide necessary support and resources to field investigations that meet any one of the following criteria: Significant economic or community impact, Participation of multiple-district or transnational organized criminal groups, Use of new technology as a means to commit crime. Secret Service
