

Chapter 1 : Useful Hebrew for Travelers: Words & Phrases to Use in Israel

Hebrew Words for Travelers in Israel A fun guide to some of the more useful (and some less useful) Hebrew words and phrases for travelers to Israel. Posted by Adam on 26 July in Israel, Learn Languages, Travel Tips.

The very first time I traveled to Israel, I quickly become fascinated with the language. But not in such a positive way. Israel has two official languages: The sounds are similar, both read right-to-left, but if you look at the letters, the two languages appear quite different. And honestly, if you ask me, the Arabic script is strangely beautiful while the Hebrew letters come across as big and clunky. In speech, I always preferred the sound of Arabic over Hebrew. Also important to note is that just about everyone in Israel and even Palestine speak perfectly fine English. Hebrew Words for Travelers Hebrew Alphabet So with Hebrew being a different alphabet and all, there are some English-ified words based on pronunciation. Used for hellos and goodbyes, and plenty of other uses in between. A word to use whenever you really feel like. Want to go to the beach? Want to ride bikes? Want to make out on the roof? As in adios, amigo! Nachon Like the Hebrew word tov, nachon has plenty of uses. Good luck figuring out the conversion. Many are home to great restaurants and cafes, or even strange amusements like an ostrich farm one I went to near the Sea of Galille. Sherut Sheruts are essentially shared taxis. The Birthright program is a program set up for young Jews around the world famously America to come to Israel. Thousands of Birthright tourists arrive every year, most commonly in the summer, but also in December and January. The program allows applicants from and has several restrictions. Making Aliyah If you run into enough Birthright tours in Israel, then this is a phrase you might hear a lot. Making Aliyah refers to the process of immigration to Israel for Jews. As a relatively small country, Israel provides citizenship to Jews around the world. Zionism is essentially Jewish nationalism for a Jewish state in what is Israel today. Zionists typically believe that they should immigrate to the Jewish homeland. How do you find using the language when traveling in Israel? Note the first edition of this guide mistakenly left out the word used when clinking beer glasses.

Chapter 2 : Tefillat HaDerech - Traveler's Blessing

You can get around almost anywhere in Jerusalem speaking only English and using (polite) hand gestures. But if you can add some Hebrew words to your vocabulary, you'll have lots more fun.

You can get around almost anywhere in Jerusalem speaking only English and using polite hand gestures. To try your hand at it, here are a few Hebrew phrases you are likely to hear over and over again during your stay. The Hebrew language has its own script, written from right to left. In this part of the world, it is our most fervent desire expressed each time we meet or part. Gagging when you do this is bad form, however. For example, if you hear: If you can smile prettily and ask the vendor for a discount in passable Hebrew, odds are high the price will drop. If you are in the shuk, no matter what the answer to the above questions, the proper reply is: Lo, seliha, zeh yoter mee die. Price should start dropping rapidly. This holds true even in the nicer stores where haggling is frowned upon. You will almost always get a little something knocked off the total. Any where else, go ahead and try your luck. All they can say is no, and many times the answer will be yes. Telling Time What time is it? Refer to the numbers above to figure out the answer. The pivotal words to listen for will be either: Assarah leh shtayim 10 to 2: If you liked this taste of Hebrew and want more, check out the many ways to learn to speak Hebrew.
