Shipments outside the U. These fees are not included in our shipping charges or purchase price at checkout. We do not mark items as "gifts" Delivery and Missing Packages We highly suggest you have your package shipped to a safe location where a person will be present to accept the package during daytime hours. Many international shipments will not require a signature upon delivery. Most carriers will leave your package at the delivery address without needing a person available to accept the package, such as leaving the package near an entrance door, porch or garage. This solely at the discretion of delivery driver handling your route. A well-meaning neighbor might have taken your package inside their house for safekeeping or for protection against the weather. Customs Delays Depending on the destination country, international orders can occasionally be delayed or held in customs. This is not uncommon, especially with economy shipping methods and can sometimes delay a package for weeks beyond the regular delivery time. We understand that such delays can be very inconvenient when they occur, but we do not have any influence over such situations. We do not have any communication with the shipping carrier once the package has left the U. Seller assumes all responsibility for this listing.
