**Chapter 2 : Jackie Collins (I) - News - IMDb**

*Jacqueline Jill Collins OBE (4 October - 19 September ) was an English romance writer who moved to Los Angeles in the 1960s and spent most of her career there.*

She has written over 29 novels all of which made the New York Times bestseller lists that have sold million copies all across the world. She has endured herself to readers, because of her insider knowledge of Hollywood and decadent sexual material. She is the youngest daughter of Joseph Collins, a theater agent, and Elsa Bessant. Her older sister was the legendary American actress, Joan Collins. Collins attended the Francis Holland School in London, where she became known for her erotic story telling. Classmates would pay the young Collins money for original stories. For unknown reasons, Collins was expelled from Francis Holland at age 15, and protested the expulsion by throwing her school uniform into the Thames River. During this time, she reportedly had an affair with 29 year old, Marlon Brando. Jackie Collins is one of the most popular authors the world has ever known. Her books have sold more than million copies across the globe and have been translated in over 40 languages. At 15, she became popular amongst her peers for her decadent and salacious writing style. Its unabashed sexuality and dealings with the double standard women face in society, became a Joan Collins signature. Hit after scandalous hit followed, until Collins published *Hollywood Wives* a 1 bestseller. My characters are actually toned down the truth is way more bizarre. She received critical acclaim with *Hollywood Kids*, a true to life story of the children of the rich and famous. She then began writing serial novels. One of her first was the popular, *L. Connections* series which she published every month. Her books, *Hollywood Wives* and *Hollywood Wives The New Generation*, were stories about how women use power, sex, success and love in Hollywood across multiple generations. The *Lucky Series* Throughout her career, Jackie Collins has brought a plethora of beautiful, rich, strong, and downright scandalous characters to life. But none of them have made the same impression or have had the longevity of *Lucky Santangelo* in the *Santangelo* series. The series is based on the lives, loves, and businesses of an Italian-American family. The series also explores their sometimes violent rivalries with the *Kassari* and *Bonnatti* families. *Lucky* is the brave and non-traditional daughter of *Gino Santangelo* and *Maria Grazione*. *Chances* This first novel in the series serves an introduction to the *Santangelo* family. It is divided into three parts. The first part takes place in the middle of a blackout in New York City, where *Lucky Santangelo* tries to keep her father from returning to the city. The second part focuses on *Gino Santangelo* and his life from the time he was a boy, to the present as a big time mob boss. The last part introduces *Carrie Berkley* and her son *Steven*. *Lucky* The second novel in the series delves into the life of *Lucky Santangelo*. Wild, beautiful, and strong, *Lucky* makes and breaks relationships from Vegas to the Greek Isles. She owns a casino in Las Vegas and is not afraid to throw around her rich and dangerous family name to get what and who she wants. The book explores her life, loves, and sets the foundation for a great ride. Film and Television Adaptations Jackie Collins has had several of her novels adapted for television and film, as fans yearned to see their favorite characters on television. It was another hit for NBC. In , she hosted her own daily talk show, where she interviewed a multitude of stars including *Jennifer Lopez* and *George Clooney*. Jackie Collins is a writer, producer, director and actress in her own right. Her books have sold hundreds of millions of copies throughout the world and have entertained and thrilled audiences in more than 40 languages. This author is truly as original as her books and movies. *Jack Reacher* is back! Family secrets come back to haunt *Reacher* when he decides to visit the town his father was born in. Because when he visits there he finds out no-one with the last name of *Reacher* has ever lived there. It leaves him wondering - did his father ever live there?
