*Line of Sight (Athena Force) by Rachel Caine 4 stars Two students from the Athena Force Academy have been kidnapped and former student now FBI Agent Katie Rush has been asked for her expertise.*

She is an American writer who mainly writes about the science fiction, suspense, horror, mystery and fantasy. Having being able to produce more than thirty novels, Caine is considered to be one the bestselling authors across the globe. Caine is a woman who has a lot of careers. Apart from being a good writer, she has worked as an accountant, as an investigator in an insurance company and also until recently, she was continuing in the corporate world to carry on a secret identity. The surprising thing about Caine is that, she is also a very good professional musician. She is married to a fantasy artist R. She and her husband currently live in Texas. Rachel Caine enjoyed her childhood life in the western region of Texas. She proceeded with her academic excellence pursuing Bachelor in Accounting together with minor music in the Texas Tech University and in the year she graduated. Five years later after her graduation, she began writing and publishing short stories and novels. As a former professional musician, she has a distinction of having played music with musical legends such as Peter Nero, John Williams and Henry Mancini. Caine unlike other writer is a TV watcher and an avid movie buff. In the month of September , a large multinational company offered Caine a job as a Director of Corporate Communications which she gladly accepted, having taken hiatus for eight months for the most of to ensure that the pressing headlines are complete. However, she did not last long in this job. In April the year , she left her job and returned to writing but now as her full-time job. She does most of her writing in her home especially in the nearby coffee shop. As a former musician, she has a character of listening to music as she writes with the playlist changing from project to project. On August 24, the year , Rachel Caine announced on her blog and mailing box that she had sold a four-book series. The series has then been published since the year The Warden Weather series As a part of an organization renting space from the UN, Joanne Baldwin is a Weather Warden who has control over the weather and keeps it less destructive and chaotic than it is already. Their main mission is supposed to make sure that the natural disasters are alleviated before millions of people get to die. In her hot Mustang Delilah, Baldwin shows up on the run, from a murder she was accused of killing a senior warden, which she did actually. Among most of the powerful wardens, there is a thread of corruption that runs through them one of which died after putting a demon mark on Joanne Baldwin. Baldwin with all the Weather Warden capabilities like the Fire, the Earth, and the Weather, she thinks that without help she can find her old friend Lewis Orwell who is in hiding. Stealing three bottles having Djinn the supernatural beings that mostly do their work while partnering with the Wardens many years ago, was the last known action Lewis was seen doing among the Wardens. As she is on the run, she accidentally picks up a hitchhiker who in turn offers help. The hitch hiker knows things that the normal person would not know. Baldwin is given conflicting information by the Djinn and other wardens sent to arrest her. This makes her have a lot of difficulties in knowing whom to trust in the romantic escapist life with excitement, dangers and cars. As a result, Baldwin life to become more and more complicated as she learns in the process a lot of truths that people do not want her to know. The Morganville Vampire series The series is about Claire who is 16 years old and speculated as a moron is thus enabling her vamp- ridden tale to work. She has been in college for several years early based on abiding and general genius and also a scientific prodigy. She is offered early placement at Yale, Caltech and MIT institution but her parents want her to be closer to their home. She would have not gone to those institutions because Rory Gilmore, Apu and Chuck Bartowski would have noticed that she was a vampire. Here, she is plagued by so mean girls and thrown down the stairs bus she does not even bother to call the police. So she decides to stay off campus housing and moves in a large mansion with Michael, Shane and Eve. Claire soon learns that the whole town either run by the vampires or infected by the vampires. The City Council, the Mayor. The Police Force and all the residents of Morganville exist under protection from either fringes of the society or the bloodsucker. Well there is a kind of spell that makes everyone who leaves Morganville by 10 miles out, you forget about the vampires and also cannot remember about your life while you were there. But if you start remembering, the vampires will come after you and kill you. Claire finds it
