

Chapter 1 : Made To Crave Online Study! | A Home with Purpose

The Made to Crave Participant's Guide will take you through a much deeper, richer and more meaningful journey in this study. We are so excited about the Participant's Guide! It adds strong value to the book and encourages you to ponder critical areas essential to tackle in your struggle with food.

Right now, I want you to go visit the brand new Made to Crave website. The only problem was that later, when I finished the plan, went through a difficult time in my life, or just reverted to old ways, the weight would come back. Then guilt sets in. Then I set new goals and repeat the vicious cycle. I have craved food more than God. I have enjoyed a bowl of ice cream when I was sad, even though I should have been on my knees in prayer. And had chips and dip. I have placed my self-worth in my weight and appearance instead of my identity in Christ. I have placed my self-worth in what someone has said to me or about me instead of what God says to me and about me. I am sorry for this. A gift to myself right here at Christmas time. I was made to crave something much better. If so, I will be your Bible study leader. Here are the details: January 9-February 19, Details: This study lasts for 6 powerful weeks. Participants will need only the book and computer or web access to participate. The book is very thorough and has a Bible study built in.
