In My Father's Martial Art, an unnamed narrator struggles to summon the internal and external strengths of his deceased father in order to face the rest of his life - strengths which he nonetheless realizes were not enough to save his father in the end.

He is a 4th Dan Blackbelter, and can smash coconut bare-hands to emphasized how good he is. He tried to teach me and my sisters some basic self-defense but I was too lazy to practice No one pushing me to practice But I never totally lost interest in Karate or Kung Fu I have collections of Martial Arts films especially Jackie Chan. He always brought me and my sister Gina to watch Kung Fu movie To him, by the way he is Ferminiano Sanchez Ymas, karate is not about punching or kicking You must know where are the vital points Guard your self at all times. Never under estimate an opponent or never under estimate LIFE. He said, when your posture is correct any opponent will hesitate I thought those were just being over acting to the point of being ridiculous. That is why he emphasize the teaching of Kata to me. To be able to make a whizzing sound while punching and kicking. This discipline is also preserve on athletic competition like Wu Shu or gymnastics. My father can blow a lighted candle using his fist inches away But I can light a candle using my brush I think he had lived to what he said I had never hit him even once during our sparring. Oh yes, sometimes but I know those were freebies or consolations when he notice my frustrations, He never lose his guard even if he is unaware Karate thought me another valuable lesson or a character that my father develop. He never hit us when we had done something wrong. Not even a slight tap or even gestures to spank. The role of spanking was assign to my mother Hurting is not the first disciple of Karate If you can get away with quarrel Running away is also an option, he said. The practitioner is counseled to visualize the enemy attacks and their responses. Karateka "read" a kata in order to explain the imagined events. There are perhaps kata across the various forms of karate, each with many minor variations.
