How long should it take you to feel the full effect of marijuana tea? As with most marijuana products consumed orally, it will take longer than 5 to 10 minutes to feel the full effect of marijuana tea. While you may begin to feel the first effects of marijuana tea after 20 to 30 minutes, you should wait a little longer to feel the full effect. Remember that even though this recipe only uses half a gram of marijuana, it will still create a strong high. Read on for another quiz question. Up to 90 minutes Nope! You should feel the full effect of marijuana tea prior to 90 minutes. If you do not, you may not have used enough butter, which extracts the THC from the buds. Method Marijuana Chai Latte 1 Grind the marijuana buds. Place the ingredients in a blender and blend until completely smooth. This gives the flavors a chance to meld. Add more water if necessary to keep the level of liquid constant. Steep the teabag for five minutes. During this time the tea will begin to cool. Place the sieve or a piece of cheesecloth over a bowl and pour the tea through to remove the tiny pieces of bud. Stir in sugar and more milk to taste. For an extra-indulgent drink, add a dollop of whipped cream topped with a sprinkling of cinnamon. To extract the THC. To extract the THC, you need both high heat and fat. Therefore, you are not yet extracting the THC. To give the flavors a chance to blend. The ingredients should be completely smooth after blending. You can leave the mixture in the blender while you wait. To allow you time to prepare the water. When the mixture is ready, you will combine it with water and simmer for 30 minutes. Click on another answer to find the right one To create the chai taste. The chai taste comes from a chai tea bag, which you will add after simmering the mixture. Steep the bag for about 5 minutes for good flavor. Method Marijuana Herbal Tea 1 Grind the marijuana buds. Use a scissors to cut off the top of the bag, then empty the contents. Spoon the ground marijuana into the bag, then fold it over several times to keep the marijuana from spilling out. If you have a metal tea ball, you can use that instead. Or use a coffee filter: Add a second regular teabag if you want to enhance the flavor. Earl grey, Irish breakfast, or flavored herbal teas all taste great. You can do it either on the stove or in the microwave. The longer it steeps, the deeper the flavor of the tea will be. Stir in sugar, honey or milk to taste. If you want potent marijuana tea, use a different method.
