This provider has NPI and is licensed in Texas This provider participates in the following insurance and discount plans: Worth and Houston areas. This provider is licensed in She has worked in both ENT and private audiology settings. Clinic reviews Read verified patient reviews for Advanced Hearing Center! Their average review score is 4. Answered all my questions and were so patient. The doctors have helped me hear again and changed my life. However, my hearing has been getting worse as I continue to get older. I have been given information on the best hearing aid products and the test are quick and painless. It was diagnosed and cured. I had not been using my hearing aids, but after this visit, I am committed to use them. Made our first experience very good. I no longer say, What? Being able to get a new adjustment is easy! Cleaned blockage in other ear, Great! Will return after infection is cleared. Being diagnosed with hearing loss after going through chemotherapy, was and is, very scary. If you have been or someone you know has been diagnosed with cancer I would recommend calling for a baseline hearing test and monitoring through out treatment. I asked a ton of questions and they answered all of them with a caring and compassionate manner. Hinrichs really took her time to explain everything to me and made sure I understood the process and how everything worked. She is very knowledgeable. I even got to pick the color of my earpiece, and what I loved was that she was honest with me when she thought I was picking the wrong color, even though it was ultimately my choice, I went with her recommendation, and I am so glad I did!! Thank you to all the wonderful staff at Advanced Hearing Center for the kindness, compassion, and caring you show to all your patients! They have been extremely friendly and accommodating in every situation I have had with them. She is real nice to me and understanding. I am glad I have her as my doctor. McRae is very much a "people" person. She thoroughly explained what she was going to do and why she was doing it. I would recommend her to anyone. I would highly recommend Advanced Hearing Center for anyone wanting excellent service and care. Staff is always friendly with excellent customer service. Ledesma is a wonderful human being- extremely helpful, informative and caring. I look forward to my appointments with her. McRae is very knowledgeable, friendly, personable, etc. Very thorough and has a very pleasant way of expressing and explaining diagnosis, insurance and timing in all areas of my hearing problems and solutions, etc. Would recommend practice and Dr. H was extremely thorough. Thank you so much. The staff is very polite and friendly and timely. I would highly recommend Advanced Hearing to my entire family. My first experience 2 years ago was very pleasant and informative. Glad you have a close location. They are open early and I can see them before work. The hearing aids prescribed are a life improvement. Appointments are timely and thorough. All aspects of my condition and issues are reviewed and taken care of. They are also very accommodating when I arrive late, too much traffic or school zones. Excellent care for my hearing. They were able to get me an appointment at the last minute. Hearing aids work very well and the staff goes above and beyond to arrange things. Overall, a very pleasant experience. Attention, other medical providers, pay attention to how these folks work! Very helpful with getting me set up with my new hearing aids. Even the waiting room has very soothing music to put you at ease. I would definitely recommend AHC. She was very professional and I would recommend her to anyone.
