What I can tell you is that God sees You as perfect and feels only love for you. Without love, life is not worth living. Yet I have run from love, O God. Perhaps it is because the price of love seems to be grief. Here on Earth, we often lose who and what we love. Awaken within me the courage to love, Glorious Father. Help me to love myself as deeply and profoundly as You love me. Bring to me those who would love me truest and best. For, as part of You, the core of me is Love. Help me see the truth of my own lovability. Enter my spirit, mind and body and reclaim me for all time. For I am Your Beloved and deserve no less. As WE read and speak this prayer, fill me with this realization: That love is my true nature, and that love will always triumph. I love the earth. I love all life. I love how I walk, how I talk, how I look and how I live. I love my heritage, my world, all nations and all peoples. I love You always and forever, and my actions reflect this love. Filled with awareness of my true identity, I thank You for this gift. From this moment on, my life is transformed. The energy of Love now expands exponentially in my world, Empowering me as never before. I attract people I love, and who love me in mutual joy And recognition. I share my life with my Beloveds, Who demonstrate Your love for me. I am adored for who I am, and I see everyone else as lovable, And my love returns to me a thousandfold from every direction. I am love incarnate. I love with all my heart. I empower others with the strength of my love. I love my life deeply, and know love is my way home. Wonderfully, I am appreciated and cherished in return. As I accept this beautiful gift of loving and being loved, I help humanity rise out of negative attractor fields. We all rise up out of fear, separation and loneliness. Together and separately, we are each renewed in Your love. Thank You for adoring me into wholeness. And so it is.

Chapter 2 : Prayer For Love: 8 Ways To Pray For Love, No Matter What Your Relationship Status

The prayers on this page focus around finding love in relationships. There is a short prayer asking for God's guidance as you look to find your true love, and prayers for love to return in a marriage or relationship.

Love and relationships are one of the most important aspects of our lives, because our relationships will either lift us up, or tear us down. Prayer For Love Vs. Worry About Love It took me a while to grasp how to pray for love. But it takes me a while to turn to prayer. All through Scripture Jesus is challenging us: Prayer is the act by which we mentally hand over our problems, concerns, fears, desires, and dreams to someone who actually has the power to control. If you find yourself consumed by your love life "or lackthereof", here are some ways to mentally and prayerfully hand those things to the One who can actually do something about it. Here are 8 ways to pray for love. Pray that God would give you a relationship Matthew 7: As long as our hearts are aligned with His, there are no limits on what we can ask. What are your deepest needs and desires when it comes to a relationship? What do you need God to do in your relationship? Pray that He would grant you patience and insight to wait for a good one Isaiah Waiting on God is never easy, because once again, it is a reminder that we are not in control. But through the time of waiting, ask God to change you, nourish you, and fill you so that you are empowered and prepared to take the next steps when the timing is right. Pray that He would be working out anything unhealthy in your life Jeremiah Seek to get to the bottom of your sins, and ask for His healing power to be at work in your life. Pray that He would shape your heart for nourishing interactions with others Colossians 3: When your heart is open to loving and edifying others the way it was meant to, your relationships will be enriched and empowered. Pray that He would bring healing into your past so that you are free to embrace the present Philippians 3: We are called to move forward, and forget what is behind. No matter what kinds of things your past may hold, ask God to be at work in your past so that you are free to live in the moment and embrace your present. Pray that He would protect your emotional world and give you wisdom of how to set healthy boundaries Proverbs 4: I talk a lot about guarding our hearts and how to practically do that, but how often do we actually pray about our hearts and emotional worlds? God longs to be a part of our emotions just as much as our spiritual life. He is a holistic God, who longs to interact with our mind, body, and soul. Give Him a chance by opening your emotional life to Him through prayer. Pray that He would open your eyes to the joy of doing sex His way Hebrews But what if we were to ask God to open our eyes to doing life His way? What if we were to plead with Him to download His heart onto ours, so that we could truly understand what is best for our lives? More on this in Chapter 8 of True Love Dates 8: Pray that God would be the focus of your life now and forever Psalm At the end of the day, no matter how we view it, there is no gift that is greater than the Giver. May we continue to bring this request before God, so that He can turn our hearts to Him as our greatest delight and desire, because perspective has the power to change everything. Chapter 7 : Prayer for my lover

A prayer to find a love relationship Abba Father, Before a word is on my lips you know each thought, each tear, each joy you see. For I'm your cherished child.

As we pray we allow God to "hold" and "keep" things for us - our worries or hopes, our sadness or joys. There are many things that we process as we sleep. It is known that the body carries out essential repairs, that our minds do the critical work of sorting and processing our experiences, and our emotions can find solace in sleep. Praying is a little like making a bed. Our prayers soften the place to lie and rest, they cover us with warmth and love and hold us when we are alone. Please help my mind to wind right down and guide my dreams to heal. O Lord, restore my tired limbs. Help me to find peace here. As I close my eyes to sleep, come help me to trust in you. And all the loved ones I hold dear, that you would hold them too. O Lord, the night time flies so fast, may I be blessed with time. And sleep that is deep and peaceful, a heavenly dreamtime. So as I crawl into bed tonight, I rest within your care. Bless them with peace that surpasses understanding, sow in them hope that can not be put out, grow in them dreams and visions for their future and protect them with your unconditional love. A simple prayer suitable for meditation before sleep at bedtime: Help me to sift through the many experiences, feelings and thoughts I have encountered today. I allow myself to rest, to wind down and to be still. Help me to surrender all I am to you, my fatigue, my concerns, my hopes and fears. As I sleep tonight, I choose to hold your hand. I choose to live with you. I choose to believe, I choose to trust, I choose you always. Featuring images of the sun setting over the sea of Galilee. May I dwell in this goodness as I sleep, and awake tomorrow with love, faith and hope for a new day.

Chapter 8 : Prayer for love relationship - for true love & happiness

Please pray for my wife (cindy) and I; she told me our marriage of 27 years is over and she doesn't love me as a Miracle prayer for a 2 yr olds life My almost 3 yr old nephew is currently fighting for his life after a terrible accident.

Ruth Karasik 68 Views What is a prayer? A prayer is a way to connect to God. Till today, I have said many prayers with a hope that most would be answered. But not all of them are. But I never got her back. When I was in college, I prayed to become among the top surgeons in the field, but I never knew what God had planned for me. When I was about to complete my college, I prayed to attain all the successes of life and to enjoy the fame and status. Now I am in my late forties and I am still waiting for that fame and success. Prayer for Love Like any other person, I wished that I enjoyed a happy married life. I prayed to God to bless me with a beautiful, loving wife and happy and healthy children. I got married and God blessed me with two sons. Prayer for a Happy Family My wife is not that that beautiful nor loving and neither of my kids are healthy. One is autistic and the other is mentally handicapped. Though they are happy with the way they live, they struggle day by day. I still pray to God regularly to heal them and help them lead a normal life. Instead, I started realizing that he used my prayers to teach me love, to accept the way life is, and granted me the patience to see things change. He helped me to heal my soul instead. Answer Our Prayers My unanswered prayers definitely taught me a lot of things. Mostly we pray for things that we want, and not what we need most. There is a fine line between what we want and what we need. Every person comes into this world with their fair share of problems, muddles through it and eventually tries to find his or her purpose in life. We connect to countless people during this journey while God keeps a watch on how far we have come and where we are heading. He is our mentor, he guides us through our difficulties and leads us towards the path of success. He gives us what is good for us, and not what we feel is good for us, for he knows better. He answers our prayers by strengthening our souls and improving our level of acceptance at every stage of life. Prayers Can change Your Life. When I lost my dog, Hunny, I opened my loving heart to many other dogs. I saw Hunny in each one of those dogs and found the same loving quality in all of them. I became stronger and could overcome the pain of losing my parents rather easily. It was difficult in the beginning, but I could clearly understand the unspoken message that every living creature created by God has to leave. Had I not lost Hunny, it would have been more difficult for me to deal with the death of people who meant most in my life. Being a surgeon and attaining such a high level of prestige would have nurtured my ego. My kindness would have shrunk and my ego would have grown. I thank God for not making me the professional I wanted to be, as I now know, he wanted me to be a humble person. Accepting my not so beautiful and loving wife was another lesson by God. She loved my children and beauty fades with age, I realized later. Despite autism, my kids were the world to me. They were the warmth in my heart. They taught me that love is a priceless irrespective of your inabilities or limitations. Now my prayers have changed too. Instead of asking God to reduce my burdens, I have asked him to give me stronger shoulders to bear the struggle without much hassle.

Chapter 9 : Soulmate Prayer - Prayers - Catholic Online

The second prayer is for those who have recently become engaged, which thanks God for His goodness in their lives. Finally, there is a short prayer for those who have recently found love and romance. A prayer for married couples.

We can even call that jealousy and from experience, the greater the love, the greater the jealousy. That said, God is an extremely jealous Father. He is also an all-encompassing family that offers so much more in our times of need. So, His love compels Him to be with us through thick and thin. Still, attention must be paid to the fact that tempering the love of God with ours leads to an eternal bond between people. And in favor of such blessing, we have the following love prayers that work quite well. And my presence here is because of my significant other husband, wife, spouse. I plead that You strengthen the love between us so that it may last for eternity. Our bond will be unbreakable like the promise You made to Abraham. Prayer for Love to Return God, I thank You for granting me the resolve to stand before You today in acceptance of my faults and wrongs. Please, God, I pray for an opportunity from You to apologise for my wrongdoings. He or she is the other half of me—the one that makes me whole. Father, I believe he or she is my completion and I pray that he returns to me. Thank You once again for another miracle, Amen. You have stood by me ever since the fateful day that I accepted Your company. You have showered me with Your pure love, blessings, miracles, and divine protection. In fact, this prayer is only due to Your power. By which, You kept me alive to see today and to make a request. I pray, Father in Heaven that You open the eyes of my family and friends. And for the ones who love You like I do, Father keep both their eyes and mine open to Your devotion and adoration. I bless Your divine name for this deep and short prayer for love. Prayer for Love and Happiness Looking back Lord, I understand that happiness is key to having a love-filled relationship. And from my experiences also, I know You hold that key. God, I want You to open the door of joy in our lives so that this relationship will endure. It will easily endure ups and downs and the trials of time. Let me breathe in the aroma of sweet love and fully immerse myself in the happiness given by my partner. Father, I give thanks to Your name over the answered prayers, Amen. Love shall be shared between us and there will be calm always. Father, prosperity in the areas of procreation, financial stability, and spiritual awareness shall complement our love. I thank You for Your daily attention to my needs, Amen. Bible Verses for Love A few bible verses compiled for your consumption daily. Such meetings with your significant others are thus ordained by God. If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up. Also, if two lie down together, they will keep warm. But how can one keep warm alone? Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.
