

## Chapter 1 : Mad Lib Printable Worksheets

*Printables. This collection of activities can be used with Mad Libs® books in the elementary classroom, as a supplement to reading and language arts study.*

The Devil himself is hiring, and you were brave enough to apply. Fill in the blanks to make this interview from hell funny or scary. Just beware, the Devil cares most about what you wear. Click to download this printable Teachers can use Mad Lib style printables in a variety of settings. The Job Interview From Hell is a great story to use with high school students who are preparing for a first job interview. The story will not only get teens thinking about critical components of interviewing but will also lighten the mood of this typically nerve-wracking scenario. A Summer Love Story Fill in the blanks to determine how long your summer romance lasts. This sweet tale of love can turn quirky and awkward depending on the words you select, so choose wisely. Click to download this printable A Summer Love Story is written from the perspective of a girl who falls deeply in love with a boy who has to leave at the end of the summer. Any teen girl can have fun dreaming up the perfect summer romance alone or with friends. The printable can easily be modified to include other types of relationships by replacing a few pronouns. Tour the Campus A ritual experience in the college selection process includes guided campus tours. While some tours may be boring, this one is anything but. Tour the Campus takes a typically boring college tour and turns it into an unforgettable experience. Click to download this printable Perfect for use at home or school with teens thinking about college, this story provides a fun way to explore the history of a fictional college. Universities could also use the story as an added activity during an actual campus tour to lighten the mood. More Mad Lib Style Stories While Mad Libs is the name of the company famous for creating this style of story, it is also the term typically used to describe any story that follows the same style. Mad Libs, the company, sells books full of stories about almost any topic. However, there are also many places to play mad libs online or print off fun versions for any age group. Teens will love the crazy excuses created out of using random words. Stories With a Twist Mad Libs stories expand upon the reading experience by making the reader an author as well. These stories can provide endless fun when different words are used to fill in the blanks. Was this page useful?

## Chapter 2 : Mad Lib: A Day At The Zoo! Worksheet

*Printable Mad Libs for Kids I remember getting those great mad libs books made with invisible ink when I was a kid. I used to beg my parents to buy them for me all the time, but I only seemed to get them as car games when we went on road trips.*
