Tamil Nadu – Tamil Nadu is one of the 29 states of India. Its capital and largest city is Chennai, Tamil Nadu lies in the southernmost part of the Indian Peninsula and is bordered by the union territory of Puducherry and the South Indian states of Kerala, Karnataka, and Andhra Pradesh. The state shares a border with the nation of Sri Lanka. Tamil Nadu is the eleventh-largest state in India by area and the sixth-most populous, the state was ranked sixth among states in India according to the Human Development Index in , with the second-largest state economy after Maharashtra. Tamil Nadu was ranked as one of the top seven developed states in India based on a Multidimensional Development Index in a report published by the Reserve Bank of India and its official language is Tamil, which is one of the longest-surviving classical languages in the world. Tamil Nadu is home to natural resources. In addition, its people have developed and continue classical arts, classical music, historic buildings and religious sites include Hindu temples of Tamil architecture, hill stations, beach resorts, multi-religious pilgrimage sites, and eight UNESCO World Heritage Sites. Archaeological evidence points to this area being one of the longest continuous habitations in the Indian peninsula, the ASI archaeologists have proposed that the script used at that site is very rudimentary Tamil Brahmi. Adichanallur has been announced as a site for further excavation. A Neolithic stone celt with the Indus script on it was discovered at Sembian-Kandiyur near Mayiladuthurai in Tamil Nadu, according to epigraphist Iravatham Mahadevan, this was the first datable artefact bearing the Indus script to be found in Tamil Nadu. Mahadevan claimed that the find was evidence of the use of the Harappan language, the date of the celt was estimated at between BCE and BCE. The early history of the people and rulers of Tamil Nadu is a topic in Tamil literary sources known as Sangam literature, numismatic, archaeological and literary sources corroborate that the Sangam period lasted for about six centuries, from BC to AD Trade flourished in commodities such as spices, ivory, pearls, beads, Chera traded extensively from Muziris on the west coast, Chola from Arikamedu and Puhar and Pandya through Korkai port. A Greco-Roman trade and travel document, the Periplus of the Erythraean Sea gives a description of the Tamil country, besides these three dynasties, the Sangam era Tamilakam was also divided into various provinces named nadu, meaning country 2. Romance novel – The romance novel or romantic novel discussed in this article is the mass-market literary genre. Novels of this type of genre fiction place their primary focus on the relationship, there are many subgenres of the romance novel including fantasy, historical romance, paranormal fiction, and science fiction. Walter Scott defined the literary form of romance as a fictitious narrative in prose or verse. Austen inspired Georgette Heyer, the British author of historical romance set around the time Austen lived, Heyers first romance novel, The Black Moth, was set in The British company Mills and Boon began releasing escapist fiction for women in the s and their books were sold in North America by Harlequin Enterprises Ltd, which began direct marketing to readers and allowing mass-market merchandisers to carry the books. Nancy Coffey was the editor who negotiated a multi-book deal with Woodiwiss. In North America, romance novels are the most popular literary genre, the genre is also popular in Europe and Australia, and romance novels appear in 90 languages. Most of the books, however, are written by authors from English-speaking countries, despite the popularity and widespread sales of romance novels, the genre has attracted significant derision, skepticism, and criticism. According to the Romance Writers of America, the plot of a romance novel must revolve about the two people as they develop romantic love for each other and work to build a relationship. Furthermore, a novel must have an emotionally satisfying and optimistic ending. Others, including Leslie Gelbman, a president of Berkley Books, define the genre more simply, stating only that a romance must make the romantic relationship between the hero and the heroine. Bestselling author Nora Roberts sums up the genre, saying, The books are about the celebration of falling in love and emotion and commitment, some romance novel authors and readers believe the genre has additional restrictions, from plot considerations, to avoiding themes. While the majority of romance novels meet the criteria, there are also many books widely considered to be romance novels that deviate from these

rules. Therefore, the definition, as embraced by the RWA and publishers, includes only the focus on a developing romantic relationship. As long as a romance novel meets those criteria, it can be set in any time period. There are no restrictions on what can or cannot be included in a romance novel 3. Kumudam

Kumudam is a Tamil weekly magazine published in Chennai, India. The Kumudam Group started a Telugu spiritual magazine called Kumudam Bhakthi Special and it had a circulation of , copies in The web site kumudam. The womens pictures used in the article were reportedly printed without consent, the article received considerable social media attention, resulting in a petition on Change. An ISBN is assigned to each edition and variation of a book, for example, an e-book, a paperback and a hardcover edition of the same book would each have a different ISBN. The ISBN is 13 digits long if assigned on or after 1 January , the method of assigning an ISBN is nation-based and varies from country to country, often depending on how large the publishing industry is within a country. Occasionally, a book may appear without a printed ISBN if it is printed privately or the author does not follow the usual ISBN procedure, however, this can be rectified later. For example, the edition of Mr. Reeder Returns, published by Hodder in , has SBN indicating the publisher, their serial number. An ISBN is assigned to each edition and variation of a book, for example, an ebook, a paperback, and a hardcover edition of the same book would each have a different ISBN. The ISBN is 13 digits long if assigned on or after 1 January , a digit ISBN can be separated into its parts, and when this is done it is customary to separate the parts with hyphens or spaces. Separating the parts of a digit ISBN is also done with either hyphens or spaces, figuring out how to correctly separate a given ISBN number is complicated, because most of the parts do not use a fixed number of digits. Some ISBN registration agencies are based in national libraries or within ministries of culture, in other cases, the ISBN registration service is provided by organisations such as bibliographic data providers that are not government funded. In the United Kingdom, United States, and some countries, where the service is provided by non-government-funded organisations.
