Chapter 4 : George H. W. Bush - Wikipedia

Robert William "Mac" McKenzie, - Robert William McKenzie Ohio Tennessee Robert William McKenzie was born on month day , at birth place, Ohio, to Doris May Britton. Doris was born on October 10 , in Holly, MI.

Bush family George H. The Bush family moved from Milton to Greenwich, Connecticut , shortly after his birth. Growing up, he used the nickname "Poppy". Beginning in , he attended Phillips Academy in Andover, Massachusetts , where he held a number of leadership positions that included president of the senior class, secretary of the student council, president of the community fund-raising group, a member of the editorial board of the school newspaper, and captain of both the varsity baseball and soccer teams. Six months later, Bush enlisted into the U. Navy [4] immediately after he graduated from Phillips Academy on his eighteenth birthday. He became a naval aviator , taking training for aircraft carrier operations aboard USS Sable. Despite the fire in his aircraft, Bush completed his attack and released bombs over his target, scoring several damaging hits. Several of those shot down during the attack were executed, and their livers were eaten by their captors. Bush was honorably discharged from the U. Navy in September , one month after the surrender of Japan. They had become the longest-married presidential couple in January when their marriage surpassed the year " marriage of John and Abigail Adams. After Bush received his military discharge, he enrolled at Yale University. He earned an undergraduate degree in economics on an accelerated program that enabled him to graduate in two and a half years, rather than the usual four. Like his father, he was also a member of the Yale cheerleading squad. This strong faith would inspire many themes that later would become apparent in his public life, such as his Thousand Points of Light speech, his support for prayer in schools , and his strong support of the pro-life movement. So cross the Bushes off your worry list. Bush , then age two, the family lived in one of the few duplexes in Odessa with an indoor bathroom, which they "shared with a couple of hookers". In shortly after the subsidiary became independent , Bush moved the company and his family from Midland to Houston. The following year, he ran against incumbent Democrat Ralph W. Yarborough in the U. He presented himself as a young Conservative Republican in contrast to the aging liberal Democrat Yarborough. He campaigned against civil rights legislation pending before Congress, stating that he believed it gave too much power to the federal government. Second, during and after the civil rights movement , Democrats in the South who were committed to segregation left their party, and although the "country club Republicans" had differing ideological beliefs, they found common ground in hoping to expel the Democrats from power. Eisenhower with Bush In , Bush was elected to a seat in the United States House of Representatives from the 7th District of Texas ; he won 57 percent of the ballots cast in a race against Democrat Frank Briscoe, who was the district attorney of Harris County. Bush voted for the Civil Rights Act of , although it was generally unpopular in his district. In the Republican primary, Bush easily defeated conservative Robert J. Morris by a margin of As chairman, Bush formally requested that Nixon eventually resign for the good of the Republican party. The [resignation] speech was vintage Nixon" a kick or two at the press" enormous strains. The 14 months that he spent in China were largely seen as beneficial for U. Ford eventually narrowed his list to Nelson Rockefeller and Bush. Rockefeller was finally named and confirmed. Reagan, however, far ahead in the polls, campaigned little. Bush represented the centrist wing in the GOP, whereas Reagan represented conservatives. His strategy proved useful, to some degree, as he won in Iowa with After the win, Bush stated that his campaign was full of momentum, or " the Big Mo ". As a result of the loss, Reagan replaced his campaign manager , reorganized his staff, and concentrated on the New Hampshire primary. The two men agreed to a debate in the state, organized by the Nashua Telegraph , but paid for by the Reagan campaign. Reagan invited the other four candidates as well, but Bush refused to debate them, and eventually they left. Bush lost most of the remaining primaries as well, and formally dropped out of the race in May of that year. Vice presidency " See also: Presidency of Ronald Reagan First term, " As vice president, Bush generally maintained a typically low profile while he recognized the constitutional limits of the office; he avoided decision-making or criticizing Reagan in any way. After selling the house in Tanglewood , the Bushes declared a room in The Houstonian Hotel in Houston as their official voting address.

Bush found the funerals largely beneficial, saying, "George met with many current or future heads of state at the funerals he attended, enabling him to forge personal relationships that were important to President Reagan. Bush was in Fort Worth , Texas, and immediately flew back to Washington because he was next in line to the presidency. Bush rejected the idea, responding, "Only the President lands on the South Lawn. From then on, the two men would have regular Thursday lunches in the Oval Office. During a Tulsa, Oklahoma Republican fundraiser in June , Bush stated that President Reagan was unwilling to make additional tax cut compromises with Congress. He said in a statement that President Reagan was "deeply committed to strengthening the friendship and cooperation between our countries". Bush told reporters that while he would allow for heads of state to dictate how each meeting would transpire, there was an expectation on his part for discussions on the independence of Namibia , adding that the US was going to retain the position of no settlement in Namibia until Cuban troops in Angola were withdrawn. Shultz and Yuri Andropov in Moscow, Russia to discuss human rights and arms reductions. Bush later said, "The meeting was frank, cordial and substantive. It gave both sides the opportunity to exchange views on the state of their relations. If these death-squad murders continue, you will lose the support of the American people and that would indeed be a tragedy.
