

It's not a matter of low intelligence that moves us to, without evidence, believe the words of politicians, salesmen, academics, lawyers, military figures, or cult leaders, among www.nxgvision.com author shows us the four broad reasons we become drawn into gullible behaviour, and he presents ways people can become less gullible.

Cowboys DO still exist today. My brother is one. So are many of my relatives. They own or work on a ranch, they work with horses and cattle, they carry guns as in, in a holster on their hip. Knighthoods are continued to be used today in England. For someone who claims to be about historical accuracy, you should probably get your facts straight. Really, you are over complicating this to a ridiculous extreme. When you think of a Knight, in general, outside of historical facts, what do you envision? Armour, a sword, fighting to save the fair Princess, etc. Again, you need to get your facts straight. Cowboys, very similar to the ones in the wild west, still exist today. They even wear the sexy chaps. Really, I doubt this Driscoll guy is encouraging men to gorge themselves on prostitutes when he suggests that cowboys are masculine. Again, when you think of cowboys, what do you envision? A cowboy hat, "bad boy" attitude, usually slings a gun though I always preferred the two pistol look , a horse, and some sort intolerance for injustice. And, again, they DO exist today. Masons, Knights, Cowboys, Confederates not to be confused with the Confederacy, which does not exist , all exist today. Except for the fact that they ARE masculine examples. Many women love Southern men simply because of the cowboy persona. If he has said, "To be a man, one must talk and act like a cowboy. Forsake cars, only ride horses. Carry a gun in your holster. Make your own cigarettes. Learn a Southern accent. Change your name from, "Frederick" to "Dawson". But I highly doubt those were his words. I have been flabbergasted by this stuff. I wrote it off to a serious pet peeve.

Pinocchio was One Gullible Puppet 13 Dangerous Gullibility: Little Red Riding Hood and the Pied Piper 16 Satan as a Manipulator of the Gullible

My sisters learn from him and did it also. Dear old Dad always defended them. He was a bully growing up according to some of his brothers.. Dad even used scriptures to try and manipulate me. I was called the prodigal son often til I read up on the story and told him to give me my inheritance and let me go blow it and see if he would throw a great party for me when I returned.. After all that is what the Father did for the prodigal right? He used the following verses to manipulate me. He denied it was there but I proved it to him. He never used this one against me again. But he did criticize me every time I got near him. I run away mentality most of my life and even ran away for weeks at a time in my teen years. My family was a bad representation of Christian living and caused me to run from God for about 2 decades. I was in a drug religion; I was drug to church every time the doors were open. I was born again at seven and baptized. I felt I was the only one hearing and nobody else was following so I eventually dropped it all. I never enjoyed one waking moment around these people and my life was void of love. My Dad could never change his ways though I tried to become closer. He was a constant nag and manipulator. He always looked at certain people with critical specs on to see what he could find to criticize. There was no peace around him. Yhwh brought me back and revealed to me that some people were just following traditions. My son is my world. Glad that God saw you through the wilderness. My dad grew up in a pastors family and was really the worst dad, abusive alcoholic etc. Never could live for God. Finally made his turn around just days before he died. I used to hate him so much but when The Holy Spirit got hold of me He helped me change my heart toward him. All religion no spirit.

When these forces are mixed together in the political blender, the result is a poisonous smoothy capable of oozing noxious political instability and retrogression. The worst side of this rectangle is the religious as it is usually the source of social and communal unrest, riots and general state of insecurity. Religion which ought to bring some temperance into the political atmosphere and check the utterances and behaviours of political players has sadly failed. Rather, Religion has formed an alliance with the political actors and in the process the conscience of the people has been killed. Omoregbe, A Philosophical Look at Religion. However, religion could be seen as human activities manifesting through beliefs and ritual practices in response to the Super-sensible Being, believed to exist. Mixing the two however makes religion to lose its sanctity. This is the reality of our post-colonial state, particularly the capture and control of state power by a self-centered and divided political class. They whip up religious sentiments and accentuate its divisive tendencies. Hence, almost all political actions are seen through the prism of religion. A Moslem President becomes a Jihadist and religious extremist in the eyes of the opposition, even though there are Moslems within their own ranks. The herdsmen imbroglio was also used to whip up anti-Islam sentiments amidst name calling and painting of the President as the mastermind of a situation which ordinarily resides in the socio-economic domain. The Boko Haram issue is also a good example. These misguided terrorists and their international affiliates have continued to wreck havoc on our society, killing, kidnapping and maiming, regardless of the religious affiliation of their victims. Yet, they have been seen as an arm of a wider Islamic tendency to Islamize the country. According to Onapajo, the amalgamation of Nigeria in and the emergence of indigenous national politics saw religion effectively representing a source of ethnic identity, group unity, political mobilization, regime legitimization and delegitimization in the country H. Similarly, the non-Muslims in the North formed opposition political groups and parties to protest the ethno-Islamic political hegemony of the NPC in the region. Today, the politics of religious identification and affiliation has gone beyond that and now revolves round the religious inclination of the political leadership of the country. Hence, Moslems identify with a Moslem president and support him regardless of policy issues. This was also the case of the massive support of the Christian community for the presidency of Obasanjo and Jonathan. This is often translated into hatred for his party, despite the fact that these parties are not in any way monolithic religion-wise. Yet, when Obasanjo and Jonathan ruled for a cumulative period of 13 years there was no outcry of perceived Christianization of the country. It is however, inconceivable and an over-stretch of the imagination bordering on incredulity for anyone to say that a President harbors an agenda to Islamize or Christianize Nigeria, more so with the National Assembly and the Judiciary in place. Obviously, the days of Jihad and Missionary Evangelism has passed. There is no doubt, as Prof Ali Mazrui noted: In those African countries, where Islam is in serious competition with Christianity and both are politicized, the two creeds become divisive rather than unifying, destabilizing rather than legitimizing. Where religion reinforces ethnic differences on regional variation, governments become less stable rather than more. On the whole, the two Semitic religions in Nigeria Christianity and Islam reinforce regional and ethnic differences, and make stability more difficult. In Ralph Uwechue ed , Africa Today. United Kingdom It would be misleading to conclude that religious organisations have been uniformly or consistently supportive of democratic processes and values in Nigeria. On the contrary, they have periodically exhibited disturbing anti-democratic proclivities that have found expression in religious violence and intolerance, in the corruption and manipulation of religious leaders. In general religion is functional or dysfunctional, depending on the extent to which it contributes to the achievement of societal goals. The ferocious gyration of Nigerians about religious matters which will not be replicated when it comes to national interest has weakened the Nigerian state. A survey of ethno-religious crisis in Nigeria reveals that blood of innocent Nigerians are shed and properties destroyed on account of this

passion, fervour, emotional and emotive reactions, moral certitude and religiosity. Challenges of Sustainable Democracy in Nigeria; Ibadan. Unfortunately, the North has always been the bedrock of religious crisis. Since , over tens of thousands of people have died from communal-religious conflicts. In recent years, incidents of Christian Muslim violence have become more frequent and bloodier. The political class cannot exonerate itself from the present predicament of Nigeria. A lot of useful energy is diverted to building religious sentiment. Rather than mobilize Nigerians to their cause as politicians, the new political elites are busy mobilizing their religious constituencies for a war against one another. With religion generating so much passion, the polarization of the nation has found full expression as the country is finally pitched as a battleground between Christians and Muslims. Religion does not make people good or bad. On the contrary, it is being used as an instrument of oppression and deceit in Nigeria. It appears that Nigerians have resigned themselves to fate and this is possibly further compounded by poverty, illiteracy, and lack of political education on the part of majority. Religion, Politics and Justice: Interplay of Forces in Nigeria. The manipulation of religion by some powerful individuals who hide under the guise of religion to pursue selfish interests, and the greed and avariciousness of some religious leaders who patronize corrupt rulers remains part of the negative effects of religion on the polity. Efforts by Nigerian politicians to gain ascendancy and power have led to situation in which politics have swept away sacred precepts of religion, and in the process, contaminated the hearts of people with bitterness and enmity for the religion of others After Obasanjo was elected president, Pentecostal leaders conducted an all-night prayer meeting for him. This gesture was politically endorsed and rewarded with the construction of a chapel in the Presidential Villa. The effect of religion on politics all over the world is bifocal, in the sense that it is both positive and negative. It is positive in the sense that religion, as earlier identified, is value- driven and it naturally robs off on the polity through the participation of ardent religious believers. The negative effect could be deciphered from the perspective of sectarian tendency; where religious bigots do anything in the name of religion to ensure that positions or offices are gained by their adherents. Such people stand on the position that their ideals and beliefs dominate any environment they find themselves New York Times,

People who are gullible, easily led or uneducated are frequently influenced by others who have an agenda to prove the existence of the paranormal. It is a form of power to appear to have secret superior knowledge that most others don't know and lends an air of superiority.

Ron Patton Nazi Mind Control Amidst the subtle cerebral circumvention of the gullible populace, through a multitude of manipulated mediums, lies one of the most diabolical atrocities perpetrated upon a segment of the human race; a form of systematic mind control which has permeated every aspect of society for almost fifty years. To objectively ascertain the following, one may need to re-examine preconceived ideologies relating to the dualistic nature of mankind. Resolving the philosophical question of whether we are inherently good or inherently evil is tantamount in shaping our perception of reality; specifically, the spiritual variable within the equation of life. This exposition is substantiated by declassified U. There are numerous "triggers" in this article. It is therefore recommended not to read it unless appropriate support systems are in place or if you have a thoroughly reintegrated personality. During the 13th Century, the Roman Catholic church increased and solidified its dominion throughout Europe with the infamous Inquisition. Satanism survived this period of persecution, deeply entrenching itself under the veil of various esoteric groups. In , a Bavarian Jesuit by the name of Adam Weishaupt was commissioned by the House of Rothschild to centralize the power base of the Mystery Religions into what is commonly known as the Illuminati, meaning "Enlightened Ones. However, their underlying intention was to gradually increase control over the masses, thus becoming masters of the planet. The Anglo Alliance By the 19th century, Great Britain and Germany were recognized as the primary geographic areas of Illuminati control. It then should be of little surprise to know the first work in Behavioral Science research was established in England in , while much of the early medical and psychiatric techniques involved in mind control were pioneered at the Kaiser Wilhelm Institute in Germany. The Tavistock Institute of Human Relations was set up in London in to study the "breaking point" of humans. Kurt Lewin, a German psychologist, became the director of the Tavistock Institute in , about the same time Nazi Germany was increasing its research into neuropsychology, parapsychology and multi-generational occultism. Interestingly, a progressive exchange of scientific ideas was taking place between England and Germany, most notably in the field of eugenics: The nefariously enigmatic union between the two countries was bonded, partly through the Order of the Golden Dawn, a secret society which consisted of many high ranking officials in the Nazi party and British aristocracy. Top SS Nazi officer Heinrich Himmler, was in charge of a scientific project called Lebersborn, which included selective breeding and adoption of children, a peculiarly large number of twins among them. Much of the preliminary experimentation concerning genetic engineering and behavior modification was conducted by Dr. Josef Mengele at Auschwitz, where he coldly analyzed the effects of trauma-bonding, eye-coloring and "twinning" upon his victims. Beside the insidious surgical experimentation performed at the concentration camp, some of the children were subjected to massive amounts of electroshock. Sadly, many of them did not survive the brutality. Concurrently, "brain-washing" was carried out on inmates at Dachau, who were placed under hypnosis and given the hallucinogenic drug mescaline. During the war, parallel behavioral research was led by Dr. George Estabrooks of Colgate University. However, Estabrooks would occasionally "slip" and discuss his work involving the creation of hypno-programmed couriers and hypnotically-induced split personalities. Upon arriving in Washington D. The objective of their brain-storming sessions was to reorganize the nominal American intelligence operation, transforming it into a highly-efficient covert organization. Reinhard Gehlen also had profound influence in helping to create the National Security Council, from which the National Security Act of was derived. This particular piece of legislation was implemented to protect an unconscionable number of illegal government activities, including clandestine mind control programs. The research focused on the identification and testing of such drugs for use in interrogations and the recruitment of agents. Its objectives were to; 1 discover a means of conditioning personnel to prevent unauthorized extraction of information from them by known means, 2 investigate the possibility of control of an individual by application of special interrogation techniques, 3 investigate memory enhancement and 4

establish defensive means for preventing hostile control of agency personnel. The various avenues used to control human behavior under MKULTRA included radiation, electroshock, psychology, psychiatry, sociology, anthropology, graphology, harassment substances and paramilitary devices and materials "LSD" being the most widely dispensed "material". When a person is undergoing trauma induced by electroshock, a feeling of light-headedness is evidenced; as if one is floating or fluttering like a butterfly. There is also a symbolic representation pertaining to the transformation or metamorphosis of this beautiful insect: Such is the migratory pattern that makes this species unique. Occultic symbolism may give additional insight into the true meaning Psyche is the word for both "soul" and "butterfly" coming from the belief that human souls become butterflies while searching for a new reincarnation. The "Angel of Death" remember Mengele? During this process, a Satanic ritual, usually including Cabalistic mysticism, is performed with the purpose of attaching a particular demon or group of demons to the corresponding alter s. Of course, most skeptics would view this as simply a means to enhance trauma within the victim. Alters and Triggers Another way of examining this convoluted victimization of body and soul is by looking at it as a complex computer program: A file alter is created through trauma, repetition and reinforcement. In order to activate trigger the file, a specific access code or password cue or command is required. Subjects are used mainly for cover operations, prostitution and pornography; involvement in the entertainment industry is notable. A division of light-side good and dark-side bad alters are interwoven in the mind and rotate on an axis. One of the main internal structures, of which there are many within the system is shaped like a double-helix, consisting of seven levels. Each system has an internal programmer which oversees the "gatekeeper" demons? Some are adopted out to families of similar origin. Others used in this neurological nightmare are deemed as the "expendable ones" non-bloodliners , usually coming from orphanages, foster care homes, or incestuous families with a long history of pedophilia. There also appears to be a pattern of family members affiliated with government or military intelligence agencies. Many of the abused come from families who use Catholicism, Mormonism, or charismatic Christianity as a "front" for their abominable activities though members of other religious groups are also involved. Authority usually goes unchallenged, as their will has been usurped through subjective and command-oriented conditioning. A few may have had various parts of their bodies mutilated by knives, branding irons, or needles, Butterfly or occult tattoos are also common. Generally, bloodliners are less likely to have the subsequent markings, as their skin is to "remain pure and unblemished. For instance, two young non related children would be ceremoniously initiated in a magical "soul-bonding" ritual so they might be "inseparably paired for eternity" possibly another Mengele connection? They essentially share two halves of the programmed information, making them interdependent upon one another. Paranormal phenomenon such as astral projection, telepathy, ESP, etc. Regarded as "general" or regular programming within the base control personality; characterized by extremely pronounced memory retention, along with substantially increased physical strength and visual acuity. Alpha programming is accomplished through deliberately subdividing the victims personality which, in essence, causes a left brain-right brain division, allowing for a programmed union of L and R through neuron pathway stimulation. Referred to as "sexual" programming. This programming eliminates all learned moral convictions and stimulates the primitive sexual instinct, devoid of inhibitions. This is known as "killer" programming, originally developed for training special agents or elite soldiers i. Optimal adrenal output and controlled aggression is evident. Subjects are devoid of fear; very systematic in carrying out their assignment. Self-destruct or suicide instructions are layered in at this level. THETA considered to the "psychic" programming. Bloodliners those coming from multi-generational Satanic families were determined to exhibit a greater propensity for having telepathic abilities than did non-bloodliners. It is reported these are used in conjunction with highly-advanced computers and sophisticated satellite tracking systems. A "self-destruct" form of programming, also known as "Code Green. Another form of system protection is through "deception" programming, which elicits misinformation and misdirection. This level is intertwined with demonology and tends to regenerate itself at a later time if inappropriately deactivated. Method and Components The initial process begins with creating dissociation within the subject, usually occurring from the time of birth to about six years. Due to the severe trauma induced through ECT, sexual abuse and other methods, the mind splits off into alternate personalities from the core. The next stage is

to embed and compress detailed commands or messages within the specified alter. This is achieved through the use of hi-tech headsets, in conjunction with computer-driven generators which emit inaudible sound waves or harmonics that affect the RNA covering of neuron pathways to the subconscious and unconscious mind. High voltage electroshock is then used for memory dissolution. Programming is updated periodically and reinforced through visual, auditory and written mediums. Some of the first programming themes included the Wizard of Oz and Alice and Wonderland, both heavily saturated with occultic symbolism. Many of the recent Disney movies and cartoons are used in a two-fold manner: A prime example of how subliminal programming works is by looking at the recent Disney cinematic sensation Pochahontas, curiously billed as their "33rd" highest degree in Scottish Rite Freemasonry animated movie. In the movie, Grandmother Willow is a mystical year old tree who counsels the motherless Pochahontas to listen to her heart and help her realize all the answers lie within. Grandmother Willow is constantly talking in "double-speak" and using reversals" i. I The branches are used to whip victims in rituals for "cleansing" purposes, 2 A willow tree can endure severe weather disturbances i. Music plays an instrumental role in programming, through combinations of variable tones, rhythms and words. A partial list of other mediums used to reinforce base programming are: Green are a Jewish doctor named Dr. Josef Mengele, whose trademark of cold blooded and calculating brutality has not only scarred the souls of survivors from Auschwitz, but also a countless number of victims throughout the world. His unprecedented research, at the expense of thousands of lives, undoubtedly was a significant bonus to U. A gracefully handsome man of slight stature, Mengele would disarm people with his gentle demeanor, while at other times, he would explode into violent rages. When he pulled off the last daisy petal, he would maliciously torture and kill a small child in front of the other child he was programming. Distraught survivors also recalled being thrown naked into cages with monkeys, who were trained to viciously abuse them. Evidently, Mengele enjoyed reducing people to the level of animals. He also would purposely restrain his victims from crying, screaming, or showing any excessive emotion. Ewen Cameron, also known as Dr. Besides the conventional methods of psychiatric tyranny, such as electroshock drug injections and lobotomies, Cameron conceived the technique of "psychic driving," wherein unsuspecting patients were kept in a drug induced coma for several weeks and administered a regimen of electroshocks, while electronic helmets were strapped to their heads and repetitive auditory messages were transmitted at variable speeds. Not surprisingly, Dr Cameron has been conveniently left out of most psychiatric journals. The CIA and Canadian government settled out of court so as not to be required to officially admit to any wrongdoing. His obsession with Nazi pagan rituals and his hypnotic manipulation of people made him an ideal candidate for the position of "Master Programmer. Hummel is active in the Northwest, along with W. Bowers from the Rothschild bloodline.

Chapter 5 : do christians manipulate? | Christian Forums

He's basically this guy who can look however he wants and is totally manipulative of course, there are the Four Crown Princes of Hell: Satan, Lucifer, Leviathan, and Belial. They're also known as se'irim, ram gods.

Rosenthal who was [he died in August] a wealthy and influential Jew involved with the US government as an administrative assistant to Senator Jacob K. Javits of New York, explained the role of Jewry involvement in the major world problems we face today. By exposing certain aspects of the inner invisible world of Jewry he revealed the modes and tactics Jews have used in destroying Christian civilization and the covertly ways used for attaining control over our lives, government and future as a nation. The result has been the creation of an invisible but real hidden tyranny upon us like the one waged against the Saints by the red beast system of revelation referred to as Mystery Babylon. But how could such a small number of Jews enslave so many people and gain such an overwhelming control over the government without most of us not being aware of it? The answer to this may be found in Jesus parable of the unjust steward which represents Jewry. They are able to prevail in the world despite their ungodly ways because of their cunning and shrewd ways. In other words, the Jew with his worldly mind set is wiser than Christians and when you read and truly understand the words of Mr. Rosenthal the reality of his statements come to light. The US and the rest of the world are covered in political, economic, moral and social problems which need to be acted upon by Christian people, but before we can properly act we need a proper and an in-depth understanding of the problem. What you are about to read should act as a warning to all non-Jews throughout the world as it is obvious indeed that what he discloses here is not fiction or imagination. It is real although not so visible thanks to Jews serpent-like abilities to hide what they are really up to from those around them. Rosenthal was not pretending as he spoke during the interview with great knowledge and intelligence. It staggers the imagination! The Zionist plans for world enslavement are shocking and many will be astonished at these contents on which this writer prefers not to elaborate and let you the reader instead be the judge. When looking back at the time our interview took place and having had enough space to analyze Mr. Weisman The Conversation Mr. While the naive goyim wait for Khrushchev to bury them we have taught them to submit to our every demand. Failing in this the Jews stop the supply of news print and ink. Americans have not had a real presidential choice since Roosevelt was our man and every president since him has been our man. The credulous nature of Americans drew only contempt from him. The interview continued on an almost omniscient plane. Then we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues they fail to see who is behind every scene. We Jews toy with the American public as a cat toys with a mouse. The Jewish pits every ethnic group against the other and it works with excellence. For hours after this incredible discussion a sense of inadequacy prevailed. Is it possible that another group of people could be so treacherous in spirit and so evil in intent? The words heard and the evidence at hand is real. Is it possible that the American people can remain docile even while their life blood is being drained from them? It seems so according to what we can see. What does all this say to you? This writer is not easily shocked but as this egotist raved on-and-on I found so much of what he said to be actually horrifying and the actual betrayal of which he admitted, was a part of and he appeared to gloat over the apparent success of a Jewish world conspiracy to enslave people everywhere. Not many American Jews migrate permanently to Israel. Some say that all Jews are Zionists. Definitions have been tossed everywhere since the Jewish homeland became a reality. To this he replied: Most of them are not bright enough to see that powerful Jewish lobbyists influenced this practice many years ago and there is no one strong enough to stop it. Some of the money is even returned to the US and spent on Zionist propaganda and support for Israel. There is nothing wrong with sending US dollars to Israel tax-free so long as we are smart enough to get away with it. This we could not accept so we rejected Jesus and had him crucified. To which he answered: The Jews who drove the Arabs out of Palestine did so to disprove Jesus Christ mission for a spiritual kingdom. You see, instead of a leader who would make an empire for the Jews your kind of people gave the Jews a peaceful preacher called Jesus Christ who instead of an eye-for-an-eye methods would turn the other cheek. We are building and in fact have built an earthly empire without your kind and your

disappointing Messiah. Too many Jews do not have the guts to tell you how we live and plan but I am not intimidated by anyone or anything. We have infiltrated you effectively! I know what you are thinking about as Jews in government who use non-Jew names. The invisible government is taking strength in that direction. We have communication unequalled anywhere. You are the hypocrites not the Jews as you say and write about. To answer your question, in Russia there are two distinct governments, one visible and the other invisible. The visible is made up of different nationalities whereas the invisible is composed of only Jews. The powerful Soviet Secret Police takes its orders from the Jewish-controlled invisible government. The communist Jews are united and trust each other, while the others spy on one another. About every five to six years the secret Jewish Board calls for the purge of the party and many are liquidated because they begin to understand too much about the Jewish secret government. Russian communists have a secret group order which consists of Jews only. They rule over everything pertaining to the visible government. It was this powerful organization that was responsible for the secret removal of the centre of Communism to Tel Aviv from where all instructions now originate. We created and control the UN and it will play a vital role when we establish a one world government. We destroy all members of the police, State police, Army officers and their families but never Jews. You see, we know when a government begins to search for the communists within its borders they are really attempting to uncover Jews in their area. We are not fooled! The invisible rulers in the communist countries have a world control over the propaganda and governments in free countries. In every country or system we control all forms of media expression including newspapers, magazines, radio and television. We even control the music you hear and the performing artists. We censor songs released for publication long before they reach the publishers. Before long we will have complete control of your thinking through our media. The way you boast if this is true it is frightening to think about our future and that of Christianity. You will unquestionably be among them. The Jews will not be harmed. I am not boasting. I am giving you facts. It is too late for Christians to put up a defence. That time is long past. Long ago we had to become the aggressors and that is undoubtedly one of our great purposes in life. We are aggressors because you stole your pretended religious beliefs from our Talmud. Your so-called Christianity is an outgrowth of Judaism. The cultural and intellectual influence of Judaism is felt throughout the entire world throughout civilization. It may have been to his advantage to become converted but in reality he is a nigger and can never be a Jew. We can accomplish anything with money. Our people are proving that in Israel where strength against an attack is permanently in a state of war readiness. Israel can now win in any encounter. The kibbutz-raised intellectual elements are going to build that small country into a mid-east wonderland. It will also eventually be the base for our one world government headquarters. We discussed Watergate and corruption at all levels of Government and suggested that representatives practice more openness and candour in dealing with people. What the hell does the public know about the running of government? The great majority are ignorant and stupid jack asses! We would all have a better understanding between each other -Jews and gentiles- if we spoke out more openly. We establish your thinking and we even place within you guilt, fear and complex making you afraid to criticize Jewry openly. In the quietness of this enlightening conversation it became clear that understanding poured forth did not come from a novice and Mr. Rosenthal was asked how Jews gain acceptance so easily among other races. His answer was long and thorough. What could be more effective and at the same time more above suspicion than to borrow and utilize the idea of a religious community. We Jews never possessed any religious institution which developed out of our own consciousness for we lack any kind of idealism. This means that a belief in life beyond this terrestrial existence is foreign to us. As a matter of fact, our Talmud does not lay down principles with which to prepare the individual for a life to come but furnishes only rules for a sumptuous life in this world. It is a collection of instructions for maintaining the Jewish race and regulating intercourse between us and the goyim.

Chapter 6 : Gullible Quotes (22 quotes)

In the foreword to your book you mention a book titled Satan's Silence was the catalyst for your research. Tell us about that. Cheit: Debbie Nathan and Michael Snedeker solidified the witch-hunt narrative in their book, Satan's Silence: Ritual Abuse and the Making of a Modern American Witch Hunt, which included some of these cases.

What happened to the tree of life? Take what some refer to as the "fall of man" in the Garden of Eden. I believe that God set Adam and Eve up. Look at the story again. He gives him dominion over the environment. He puts two trees in the middle of the Garden and tells them not to touch one. He also created curiosity. Now, if He really did not want someone to touch something, why would He put it right in front of his or her nose? Would not you have hidden it, or taken it to another place where they could not have found it even if they knew to look for it. God says nothing to Adam and Eve about Satan, according to the narrative. He does not prepare or warn them about His adversary that is about to be unleashed on them. He leaves the garden and leaves the gate open, so to speak. Now, would not you think that he would have at least warned Adam and Eve that He was going to let Satan enter the garden and try to deceive them? Remember, the Bible says that Satan can do nothing that God does not allow. Adam and Eve are Gullible Here are gullible Adam and Eve God was responsible for their gullibility too being subjected to the craftiest enemy of them and their Creator. Talk about a set up! What a brilliant plan. God knows exactly what He was doing. He was going to teach Adam a lesson so profound that it would affect all man down through eternity. Remember, He wanted beings like Himself with which to share eternity. He wanted them to be as wise as serpents. So, why not let them learn directly from the serpent. The inference in all of this is that our Creator believed that with the intelligence He gave us we would ultimately be able to out fox Satan! Friendship Since Satan created enmity between his Maker himself, God realized that other free moral agents would be capable of doing the same. Therefore, he decided to let them "rebel" at the beginning of their creation so they could get a feel for what it is like. He would let them experience what Satan was like as a father. Is his plan working? You bet it is! It is on schedule and going exactly as He planned it. Most of us Christians as well as are tired of this evil world. Brilliant Our Maker is a brilliant planner and manipulator. He can influence people to do things that He wants without them even realizing it. He is in control of what goes on down here. It is His training program for us. Satan is not a "great" power. He is the boss! The "buck" starts and stops with Him. He is the Alpha and the Omega, the beginning and the end. What He says goes. On the one hand, some of our religious leaders say that God is all-powerful and has everything until control. Then, they talk about a conspiracy theory as if it will somehow threaten his plan. I am no match for someone as brilliant as he is. He is not about to let them wreck His plan. God has such a mind that knows every hair on our head. Every star has a name that He knows. Not even a sparrow can fall to the ground without Him knowing it. This ought to give us supreme confidence in His ability. He knows what He is doing! And he knew what he was doing with Adam and Eve.

Chapter 7 : Jews worship and adore Satan | Thetruthisfreedom's Blog

Gullibility almost always starts with a lie told by one or more people with an agenda, and what makes the dupe gullible is his or her being taken in by the duper(s).

Though his story is sad, Milton declares that it is more heroic than the epic tales of Homer or Virgil because it deals with morality, not just physical strength. Milton hopes she will visit him in his sleep and inspire him, as he worries he began this task too late in life and cannot finish it alone. Milton now places his epic within the tradition of tragedy, as it involves the fall of a great man through some special flaw. Milton both reaffirms his ability and speaks with appropriate Christian humility, mentioning his old age and asking the Holy Spirit to finish the poem through him. The Fall of Man will be the tragic climax of the poem, but there is no suspense about its outcome whatsoever, as it has been foretold from the start and is part of Christian doctrine. On the eighth day Satan returns to Eden disguised as a mist, following the Tigris River and rising up in the fountain next to the Tree of Life. Milton mocks the more tedious parts of the classical epics and the knightly romances of the Middle Ages. For him, the ultimate hero is not measured in physical strength but in moral power. Milton has already described the extravagant war in Heaven, but in the end it was more about obedience and revolt than feats of martial prowess. God again allows Satan to enter Eden undeterred. He decides that Earth is more beautiful than Heaven ever was, but as he praises its glory he laments how he cannot take any joy in this wondrous new creation. In the actual account in Genesis, Satan is never mentioned, and it is merely the clever serpent who tempts Eve. It is only Christian doctrine that later associates Satan with the serpent. God did indeed create humans partly to spite Satan and repair his number of worshippers, so in a way Satan had that small victory. Satan has totally devolved in his transformations by now – beginning as the brightest Archangel, then a dark, terrible warrior, then a cherub, then a cormorant, toad, mist, and serpent. The image of the maze returns as a negative image of forbidden knowledge, which leads one to become lost. Then Eve proposes that she and Adam work separately instead of together as she usually do, as she hopes to get more work done this way. Milton again associates natural procreation with the innocence of Eden. Active Themes Eve replies that the proud Satan will surely seek out Adam first, so she is in little danger. Milton breaks in again to emphasize the acuteness of the tragedy that is about to occur. He restates all the beauty and innocence of Paradise before it is snatched away by one act of disobedience. Active Themes Meanwhile Satan has been seeking out the pair, hoping but not expecting to find them separated. He is then delighted to see Eve by herself, tending to her flowers. Milton portrays the pre-Fall serpent as a magnificent animal with a crest on its head and the ability to lift itself upright. Again this physical verticality symbolizes moral righteousness, as the serpent is still a sinless beast before the Fall. Satan makes himself a beautiful physical spectacle, knowing that Eve is easily diverted by vain appearances. Satan explains that he found a tree with beautiful, delicious apples, and when he ate the fruit he suddenly found himself with the ability to speak and with an expanded intellect, able to perceive both heavenly and earthly knowledge. He says the apples also made him seek out Eve so that he could give her the praise and worship she deserves. Milton approves of knowledge, but only when it is made subject to obedience. Satan offers to show her, and Eve follows him the short distance to the Tree of Knowledge. Satan asks about this commandment, and Eve reaffirms that she and Adam can eat the fruit of any tree except that of the Tree of Knowledge, or else they will die. Eve is initially armed with repeated obedience, but she has overestimated her own strength in asking to work separately from Adam. Satan says that he himself has proved that the fruit does not bring death, as he ate of it and still lives. Satan also argues that it would be unjust for God to punish Eve for such a small thing, and if he is not just then he is not worthy of being God. Satan uses several arguments that seem persuasive on their own, yet are contradictory when taken together, and Eve shows her inferior intellect by being persuaded by them. Milton expands on the Biblical account by having the serpent claim to have already eaten the fruit – in Genesis the serpent just tells Eve the fruit will make her more godlike. If he, a serpent, achieved speech and intelligence from eating the fruit, then surely Eve will become a goddess if she eats it. This argument seems like it would be unappealing to the relatively ignorant, unambitious Eve, but when combined with the earlier flattery and barrage of arguments, it

wins her over. It seems wrong that such magical fruit would be denied to humans if beasts are allowed to eat it. She resolves to give him the fruit as well, as she loves him and wants to share everything with him, whether life or death. At first the Tree does not bring feelings of guilt and sin, so Eve is convinced she has made the right decision. Her character grows even more negative as her first thought after eating the fruit is leading Adam also into her disobedience. Her temptation of Adam brings up another traditional aspect of the Fall – love and sexuality. The couple choose each other over God in a perversion of the hierarchy of love, in which love of God should come first. Active Themes Eve bows to the Tree of Knowledge and then goes to find Adam, who has been weaving a wreath of flowers to give to Eve. Adam meets her and sees the forbidden fruit in her hand, and Eve hurriedly explains that the serpent ate it and learned to speak, and so convinced her to try it as well. This wreath, the last image of their unfallen relationship and the idea of marriage as God intended it, falls symbolically to the ground. He is horrified that Eve has succumbed to temptation, and he realizes that all is lost, but then Adam immediately decides that he cannot live without Eve, as no new unfallen woman could replace her. He knows he will be dooming himself by eating the fruit, but reasons that surely God would not destroy them or punish them too harshly. Active Themes Related Quotes with Explanations Nature groans again and the sky weeps a few drops of rain, but Adam feels immediately invigorated and more godlike. Afterward they fall asleep briefly, and when they wake up their minds are in turmoil and they recognize that they have fallen. The couple now realize the point Milton has been trying to prove – knowledge is important, but not all knowledge leads to good, especially when it involves being disobedient to God and disrupting his order. Adam blames Eve for wanting to work separately, and Eve says that the serpent would surely have tempted Adam as well if he had been there. She says Adam should have been firmer with her, which makes Adam angrier, and he calls her ungrateful, reminding her that he ate the forbidden fruit just so they could be together. He curses himself for listening to her and trusting her, and promises to not trust a woman again. The two keep arguing for hours. One of the immediate effects of sin is for Adam and Eve to blame each other and the serpent. This then becomes the first real argument on Earth, and the beginning of the corruption of the inner lives of all people.

The Illuminati are the driving force behind efforts to brainwash the gullible masses through thought control and manipulation of beliefs, through the press, the educational curriculum, and the political leadership of the nations.

Satan is a master manipulator. Ever since the beginning of time he has sought to deceive and manipulate people into believe his lies. A believer who realises who his enemy is then can be well equipped to stand the attacks. A believer who does not know who his enemy is is at a disadvantage in an attack. To understand the truth of the enemy one must go back to the very beginning. To the garden of Eden. You know the story of Adam and Eve. This story is crucial for you to understand the truth about your enemy. In the garden at the beginning of time we understand that God made man and woman and placed them there in the garden to live life in his presence and glory in the things he made for them. Man and woman were at peace with God and God walked with them and gave them all they needed and wanted. They worked not, nor did they toil for a living. They were in serene bliss with no fear of God whatsoever and no desires of sin or evil of any kind. They were Gods creation made for him and worshiped him accordingly. They knew not evil but only good. Now we all know about the tree of knowledge of good and evil. And we all know how the serpent satan took on this form was in the garden also. And we know God told them NOT to eat of this tree or they would die That is all he said in genesis. They ate of the tree therefore they died. Sin unto death entered the world from that moment. It must be noted that ONE disobedience was all it took for death to enter the world. God at that time also promised the saviour he had planned from the foundations of the world through Jesus Christ the lamb of God who came in the far future to atone for all the sins of man thereby crushing the head of satan and rendering him defeated forever. Satan and his demons have had a long time of working with people to understand how to manipulate people. If you do not know your enemy, you can be open for him to gain a foothold in your life if you do not realise that his head is crushed and he is rendered powerless by Jesus Christ. Because YOU have the power over him in the name of Jesus Christ for YOU have been bought at a price and are now clensed and spirit filled through your faith in Jesus the Messiah wherein lies the victory. In the world you belonged to satan, but when you came to believe the truth and repented and came to the Lord in joy your slavery and curse of sin was broken over you and satan lost his rights over you for your sins were washed away and the spirit of God entered you as his abode. He is mad and wants you back. It must be noted here that satan hates God with all his being. To understand that satan hates God with ALL his being is crucial to understanding and knowing your enemy. The sooner you can understand this the sooner you can stand firm and fight the enemy and win. Then he was cast out of heaven and not allowed back. As a result he is walking around like a roaring lion looking for whom he may devour. And God punished ALL sin. We know that we all belonged to satan for we all followed his paths of sin in our lives since we were conceived and born in sin. We also know that now, since we are freed by the blood of Jesus, we are of our father GOD who gives us the righteousness within to complete every good work praise God! So dear brethren we can see that not ONE sin is acceptable to God nor will be excused except there be repentance and turning away from sin through faith in Lord Jesus Christ. For once you sin Jesus said you become a slave to sin. Remember he is a master manipulator and liar and he knows what areas you are weak in. Another pride, vanity, false witness, and so on. The goal is to get you to sin ONCE. But we who are bought of the blood of Jesus have ceased our works of sin because we repented and were filled with the Spirit of God and our past sins were washed away. We became slaves to righteousness not sin anymore. We were freed and satan was no longer our father but GOD became our real father praise God! So since we are no longer slaves to sin, Satan can no longer control us and bring us to hell in our sins. The keys of death and hades were taken away from satan. Satan and his demons know you have the power to bind them and live in victory over all sin while you are on this earth. The flesh has several doors through which satan uses. The eyes looks good the ears sounds good touch feels good and through desires of your soul and heart. In order to get through your defence of faith, he first has to know about your weaknesses to certain sins. We were all born and concieved into sin from Adam, and we are all born with various weaknesses and desires varying between each person. What is tempting to one person will not tempt

another. This person may not be tempted with pride because naturally he isn't weak in that area. Not all people are proud, as not all people are thieves. But Satan doesn't care what the temptation is for its ALL SIN and his goal is to get you to sin and fall from grace back into his power. We must remember that the scriptures tell us that no liars, homosexuals, sexual immoral people, adulterers, fornicators, effeminate, thieves, murderers, lovers of themselves rather than lovers of God, filthy or perverse individuals will ever enter the kingdom of heaven rather these will be cast into the lake of fire along with Satan and his angels. It is God who will allow you to be tempted and tested by Satan thus purifying you in the fire like fine gold. Like in the book of Job we see that God allowed Satan to do many things to him for a time. But it is always the person who rejects the temptations of Satan and stays in their faith with God who proves their faith before God. Jesus himself was tempted by Satan for a time in the wilderness through sight, feelings, hearing and the flesh. But Jesus stood firm and in a time Satan left him till a later time. Jesus was tempted with power, authority, and rulership of the kingdoms of earth Satan owned. For the believer in Christ you will not escape temptation from Satan. Your weaknesses will be the target and Satan will set up situations for you to be tempted to sin. Satan also speaks and like he spoke to Jesus, and to Eve, with lies and deception so he will speak to you also though you may not be aware it is him. He will plant thoughts and words into your mind lying to you that the sin he tempts you with is ok to do and not sin. With many clever words he will use these ways and other people to try and influence your belief system in such a way that you change your knowledge of the truth into believing a lie. The lie will be an allowance to follow the wants and desires to sin that were born within you. It is by the grace of God that he gives you time to repent and reenter his grace and victory through Jesus and he strives with your spirit to bring you back to repentance but it must be understood that God does not strive with man forever and there will come a time of your appointed death where what you sowed in your life is what you will reap. In this life your enemy is Satan and the desires to sin that are born within you. By understanding that Jesus crushed Satan powerless and freed you from slavery to sin you now have all power and victory in the name of Jesus over Satan. You will always have victory over this foe even in the deepest of temptations. Jesus didn't escape temptation from Satan and you sure will not escape either. But if you are overcome and yield to Satan and sin, you give yourself into his power and enter slavery to sin once more. Just ONE sin is what Satan needs to get you to do. In this state your only hope is to call upon the name of Jesus and repent and turn back to him for the washing clean of your dirtied soul. It is of importance to note that a person cannot on his own power save himself from slavery to sin and Satan, for the only way is through calling upon Jesus through whom the victory over sin and death was won. Once set free a believer must choose against the devil and the flesh in order to stay in victory with Christ. The one who does not stay with Jesus but goes back to the paths of evil, has walked away from his hope and salvation and has chosen bondage to his new father, Satan. These people will be cast into the lake of fire along with Satan in the last day. In the power of the blood of Jesus I shall go forth and rebuke all sin, temptation, and Satan this day. You have the victory now WALK in it. The points to remember are: 1: Satan hates God completely therefore hates you completely also 2: Satan is the father of all sin and lies and was the first sinner 3: Satan will be cast into the lake of fire along with ALL who practice sin on the last day 4: Satan used deception and lies to deceive Eve into sinning once 5: One sin is all it took for death to enter the world and Satan to fall from grace 6: One sin is what Satan will try and get a believer to commit to gain legal power over them 7: Satan will use the 5 senses of the flesh to tempt you in your weaknesses you were born with 8: Jesus crushed Satan and rendered him powerless at the cross wherein lies your victory, there is POWER in the name of Jesus when you speak it 9: Stand firm against every temptation and lie from Satan when he speaks to you in your mind God allows you to be tested by Satan as Jesus was also tested. You shall overcome Satan and his lies if you stand firm in your victory over sin that comes by faith in Jesus the Messiah. Be ever watchful putting down every desire within your flesh and casting down every thought and imagination that goes against the will of God and living by the spirit of God following closely Christ. Only if you choose to follow your sinful desires and listen to Satan and believe his lie shall a believer fall. Like Judas who was once a servant of our Lord, he chose to follow his desires of greed and the scriptures showed us Satan entered him and he betrayed our Lord for 30 pieces of silver. He allowed Satan legal ground within and ONE sin gave birth to death. Read More At My Blog.

Chapter 9 : Annals of gullibility : why we get duped and how to avoid it in SearchWorks catalog

Bible verses about being naive. There are so many gullible Christians who just believe every false teaching they're told. Instead of reading Scripture to find out if the teaching was accurate they would rather believe it and live it out.

Rosenthal, an influential Jew learned in the Jewish ways and involved in the workings of government in Washington, D. But how could such a small number of Jews enslave so many people and gain such an overwhelming control over their governments, especially without their being aware of it? They are able to prevail in the world despite their ungodly ways because of their cunning and shrewd ways. As Christ said "For the children of this world are in their generation wiser than the children of light. When you read the words of Mr. Rosenthal the reality of this statement will come to light. This problem was so prevalent and important for us to overcome that Christ had instructed us to "be wise as serpents". As Edmund Burke stated: This booklet will help provide the reader with that understanding. Harold Wallace Rosenthal, made this statement after admitting Jewish dominance in all significant national programs. He said, "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While the naive Americans wait for Khrushchev to bury them, we have taught them to submit to our every demand. Rosenthal attributed this victory to absolute control of the media. Any newspaper which refused to acquiesce to controlled news was brought to its knees by withdrawing advertising. Failing in this, the Jews stop the supply of news print and ink. Asked about men in high political office, Mr Rosenthal said that no one in the last three decades has achieved any political power without Jewish approval. Roosevelt was our man; every president since Roosevelt has been our man. Rosenthal smiled and suggested that we note where Wallace stands today. Yet the citizens think this Jewish policy will benefit America. The credulous nature of Americans drew only contempt from him. The interview continued on an almost omniscient plane. Then we promote both sides of the issue as confusion reigns. We Jews toy with the American public as a cat toys with a mouse. The Jewish mind pits every ethnic group against the other. For hours after this incredible discussion, a sense of inadequacy prevailed. Is it possible that another group of "human being" could be so treacherous in spirit, so evil in intent? Yet, the words heard and the evidence at hand are real. Since what you have just read plus the lengthy interview that followed, Mr. Javits of New York was killed in an alleged sky-jacking attempt on an Israeli airliner in Istanbul, Turkey, August 12, It would appear that Mr. Rosenthal might have "talked too freely" because although four people were killed and some 30 injured during the sky-jacking attempt, Rosenthal was not killed by a random bullet as were the others. From reports secured at the time, it seems amazing and strange that of all the people involved in this incident Mr. Rosenthal should have been fatally wounded. Meanwhile, I Walter White who conducted this confidential interview, can now state after much investigation, expense and travel, that Harold Rosenthal was undoubtedly murdered at the Istanbul Airport, in what was to appear as a hijacking probably by his own people We had no desire to hurt anyone and especially members of the Rosenthal family who had suffered enough in this tragedy. We corresponded with his mother and father in Philadelphia and his brother Mark David Rosenthal who is attending college in Northern California. He sent us a copy of "The Harold W. Mondale and Senator Jacob K. Out of respect, we decided to wait until a year had passed since the death of Harold Wallace Rosenthal so we delayed publishing everything he gave us on the memorable day and evening. And as stated before, the interview was lengthy as he seemed to enjoy pouring out this information and at times it was broken and went on into the evening. This writer and editor is not easily shocked but as this egotist Harold W. Rosenthal raved on and on I found so much of what he said actually horrifying the actual betrayal of which he admittedly was a part and he appeared to gloat over the apparent success of a Jewish World Conspiracy. Javits of New York. It hopefully should open the eyes of many who knew him in Washington government circles. It becomes indeed obvious that what he discloses is not fiction. It is not imagination! He was not pretending as he spoke with knowledge and intelligence. Many things have been said and written about the One World Jewish Conspiracy but never has it been described so openly. It staggers the imagination. Their plans are shocking and many will be astonished at the contents of this document. We prefer not to elaborate. You be the judge. I would classify him as an egotist and a egoist. When asked if he was a

Zionist, Mr.. Ever since and the creation of the State of Israel, aliyah has become a basic imperative of Israeli government policy. Will you please spell it for me? He did so and we inquired as to the realistic meaning of aliyah. Not many American Jews migrate permanently to Israel. Some say that all Jews, by definition, are Zionists. Definitions have been tossed everywhere since the Jewish homeland became a reality. Most of them are not to bright so the powerful Jewish lobbyists influenced this practice years ago and there is no one strong enough to stop it. There is nothing wrong with sending American dollars to Israel tax-free so long as we are smart enough to get away with it. Why do you hate us? Rosenthal I do not hate anybody. I said I hate what the Jews are doing to us and especially as it relates to any and everything related to Christianity. I hate their deceit, trickery, cunning and their detestable dishonesty. Does that make me anti-semitic? If it does then I am anti-semitic!! There is no such thing. It is an expression we Jews use effectively as a smear word used to brand as a bigot, like you guys, anyone who brings criticism against Jews. We use it against hate-mongers. To which he answered: You see, instead of a leader who would make an empire for the Jews, your kind of people gave the Jews a peaceful preacher called Christ who instead of an eye-for-an-eye turns the other cheek. We are building and, in fact, have built an earthly empire without your kind and your disappointing Messiah. I feel sorry for you Too many Jews do not have the guts to tell you how we live and plan, but I am not intimidated by anyone or anything. I know what you are thinking about Jews in government who use non-Jew names. The invisible government is taking strength in that direction. To which he said: We have communication unequalled anywhere. You are the hypocrites not the Jews, as you say and write about. To answer your question in Russia, there are two distinct governments one visible and the other invisible. The powerful Soviet Secret Police takes its orders from the invisible government. The Communist Jews are united and trust each other, while the others spy on one another. About every five to six years the secret Jewish Board calls for the purge of the party and many are liquidated. They rule over everything pertaining to the visible government. It was this powerful organization that was responsible for the secret removal of the center of Communism to Tel Aviv from where all instructions now originate. We pretty much control the U. They destroy all members of the police, state police, army officers and their families but never Jews. You see, we know when a government begins to search for the Communists within its borders they are really attempting to uncover Jews in their area. The invisible rulers in the Communist countries have a world control over the propaganda and the governments in free countries. We control every media of expression including newspapers, magazines, radio and television. We censor the songs released for publication long before they reach the publishers. Before long we will have complete control of your thinking. You will unquestionably be among them. The Jews will not be harmed. And it is too late for your Christian followers to put up a defense. That time is long past. Long, Long Ago we had to become the aggressors!! That is undoubtedly one of our great purposes in life.
