### Chapter 5 : SBI NetBanking / Mobile Banking Registration For New User

*SBI Online Banking Login for Personal Banking. As part of providing convenience to the generation next, tech savvy, internet-holics customers the State Bank of India (SBI) has rolled out the online SBI banking scheme for years now.*

Khata Plus General The OnlineSBI registration form s should be addressed and sent directly to the branch es where the customer maintains its account s. Separate registration is required in case the accounts are maintained at different branches. All other accounts not listed in the registration form will be available on the OnlineSBI for the purpose of enquiry only. The OnlineSBI service cannot be claimed as a right. The Bank may also convert the Service into a discretionary service anytime, if so warranted, after it has been made available to the USER. While registering the request, the USER is informed about the time normally taken by the Bank for fulfillment of such requests. The rules and regulations applicable to the banking transactions done in the traditional way in India will be applicable mutatis mutandi for the transactions done through the OnlineSBI service. Disputes between the registered USER of this service and the Bank with regard to the transactions done through OnlineSBI will be subject to the jurisdiction of the competent Courts where the branch maintaining the relative account of the customer is located and will be governed by Indian Laws in force from time to time. The Bank will take reasonable care to make use of the available technology for ensuring security and preventing unauthorized access to any of the services offered through the OnlineSBI. It assures that during the session user is dealing with web-site of SBI. The two-way communication is secured with bit SSL encryption technology, which ensures the confidentiality of the data during transmission. The Bank reserves the right to modify, change, add or cancel any of the services offered through OnlineSBI or the Terms of Service listed in this Document without prior notice to the Users. However, as a matter of precaution and safety, he should avoid using PCs with public access. There is no way to retrieve the Password from the system. It is a good practice to commit the password to memory rather than write it down somewhere. Bank will not be responsible for any loss sustained by the USER due to breach of this condition. The Bank presupposes that log-in using appropriate Username and Password is a valid session initiated by none other than the USER to whom the said Username and Password belongs. The USER is cautioned against leaving the computer unattended during a valid session. The authorization granted to a user is valid till he is de-registered from the OnlineSBI service. The request for de-registration of an authorized user must be made to the branch by the customer and will be effective when branch acknowledges the same in writing. The company does accept such terms, regulations, conditions, stipulations laid down by SBI, from time to time, for the purpose. The company agrees to execute from time to time necessary agreement form s , authority letter s and any other related documents for this purpose. The Company agrees to nominate Internet Banking Administrators and other users to manage the service for the Company. SBI accepts the obligations to maintain the confidentiality, privacy and integrity of the transaction completed on the OnlineSBI Service. The registered User is free to choose a Username and Password of his choice as per the guidelines on the site. In the interest of customer safety the system does not permit retrieval of a lost or forgotten Password. In case the User forgets his Password, he will have to register for a duplicate password and a fresh Password will be issued to him. Transactions originated by the Users are logged and transmitted to Core Banking System for fulfillment. The requests take effect only after the requests are successfully processed by the Core Banking System. The rules, regulations and conventions applicable to the banking transactions in the physical world will be applicable mutatis mutandi for the transactions done through the OnlineSBI service. For the present transaction requests would be processed at the branch during the business hours on the same day or next working day. SBI presupposes, and the same is acknowledged by the Company, that log-in using appropriate Username and Password is a valid session initiated by none other than the User to whom the said Username and Password belongs. SBI is not bound to enquire as to whether or not the User has been duly authorized to access the OnlineSBI Service on behalf of the Company by an appropriate or competent authority of the Company. SBI shall not be liable for any direct, indirect or consequential loss or damage sustained by the Company by any direct or indirect use of or reliance on the electronic communication, orders or messages. Without prejudice to

any other provision of this Agreement, SBI does not warrant to the Company that the OnlineSBI Service will be provided uninterrupted or free from errors or that any identified defect will be corrected; or the OnlineSBI Service shall provide any function not set out or described in any associated documentation provided by the SBI. Notwithstanding what is stated in these terms and conditions, the agreement is only between the SBI and the Company. Therefore, any executive, officer or employee of the Company shall not have any legal rights or remedies against the Bank or against any executives or employees of SBI. Though SBI strives to maintain the quality of service, timely delivery and execution of the instructions given by the Company, the same is not guaranteed by SBI and SBI does not accept any responsibility for not effecting or not completing any transaction entered into on the OnlineSBI Service due to any break-down in computer hardware or software systems including any break-down of internet services or any delay or default of service providers from whom SBI has availed of the services for providing the OnlineSBI Service. SBI may for valid reasons refuse to execute any instructions placed by the Company. If SBI determines after due enquiry and investigation that the transaction is a valid transaction and not a suspect transaction, SBI shall release such withheld payment. Provided that SBI shall not withhold payment to the Company without sufficient cause, which shall be informed by SBI to the Company on the finding of such sufficient cause. Provided further that if within the period of 6 six months SBI determines after due enquiry and investigation that any suspect transaction is not a valid transaction at all, SBI shall reverse the invalid transaction, consequently the Company shall be liable to SBI for the resulted outstanding balance, if any. Obligations of the Company The User must keep the Username and Password strictly confidential and known only to himself. SBI is not responsible for loss sustained by the Company due to breach of this condition. The User is also cautioned against leaving the computer unattended during a valid session. The User will not attempt or permit others to attempt accessing OnlineSBI through any unlawful means. At the same time this is a joint endeavor of the SBI and the Company. SBI, therefore, expects the Company to appreciate the risks unique to transacting on the Internet and take precautions, as it may deem fit, in the interests of protecting confidentiality and transactional integrity. It is highly recommended that the advices of the IT department of the Company or an external consultant be sought in this regard. The User undertakes that if any wrongful use or misuse of the system is noticed by the User or any other person authorized by the Company it shall be the responsibility of the User to bring the same to the notice of SBI forthwith and the User shall also co-operate with SBI in the event of SBI giving any alert about such wrongful use or misuse of the OnlineSBI Service. The User undertakes not to disclose the conditions or any of the transactions made or entered through the OnlineSBI Service. The duties and responsibilities of users are described in the user manual. SBI shall not be liable for any loss the corporate may suffer due to acts of omission and commission by the users of the corporate. The Company hereby undertakes and agrees to protect SBI against all claims and liabilities arising directly or indirectly as a result of any breach or nonperformance by any user or any act, neglect or default of the user. Any dispute between Company and the SBI with regard to the transactions done through OnlineSBI will be subject to the jurisdiction of the competent Courts where the SBI branch maintaining the relative account of the Company is located and will be governed by Indian Laws in force from time to time. The company do accept such terms, regulations, conditions, stipulations laid down by SBI, from time to time, for the purpose. Provided further that if within the period of 6 six months SBI determines after due enquiry and investigation that any suspect transaction is not a valid transaction at all, SBI shall reverse the invalid transaction, consequently the Company shall be liable to SBI for the resulted outstanding balance, if any. SBI is not be responsible for loss sustained by the Company due to breach of this condition.
