

Chapter 1 : Acts Dialog: Signs and Wonders in the Last Days

Signs and Wonders for Our Times was founded to spread Our Lady's messages of prayer, fasting, faith, conversion, and peace all around the world.

Lets grant that it probably is. The answer is found in a careful examination of the text. Where we find in the Mark So we find that the Lord is in fact speaking directly to the apostles just before he is taken up into Heaven verse Afterward, the apostles went out and preached, and the Lord was working with them confirming His Word through accompanying signs. The "them" is referring to the apostles, therefore, there is no evidence that all believers can do what the apostles did. What did occur is the word was first preached and the signs and wonders followed to validate the new leadership for the Church. Signs and wonders were to follow those who believe, not the believer following after the signs. Signs and wonders, miracles are not for the Christians who already believe, they accompanied the Gospel and were done in the presence of the unbelievers to have them believe in the message. If we look at the book of Acts who was it that took up a serpent? Who laid hands on the sick? This was never a normal occurrence for everyone who was a Christian. And the Lord may use whoever he may wish to today. However if these signs and wonders were to follow all who believe how could one tell who the apostles were. There would be no distinction in leadership. The very reason for the signs and miracles were to appoint the apostles as a governing leadership over Gods new entity the Church. It was to show that Israel had a change of leadership. Those who were to dispense the new teaching of Jesus God used and validated by working through them signs and miracles like Jesus. So there is no scriptural validity for what certain famous people are saying today that we all can see this occur by our hands. The same apostles that had these miracles validate their leadership were the ones who wrote down the scripture for us to know the revelation of Jesus. All these and many more scriptures show that the apostles were special men commissioned for a unique role in a particular time period for the church. The apostles never preached signs and wonders to attract the multitudes who did not believe nor those who already believe. Seeing a sign was never a assurance of belief for the individual. There were what are called apostolic legates that had been commissioned by the apostles personally such as Stephen in Acts 6: Also Philip in Acts 8: With all this in mind neither did Paul use the signs and miracles as the final proof of his apostolic position. We are weak, but you are strong! You are distinguished, but we are dishonored To the present hour we both hunger and thirst, and we are poorly clothed, and beaten, and homeless. And we labor, working with our own hands. Being reviled, we bless; being persecuted, we endure being defamed, we entreat. We have been made as the filth of the world, the offscouring of all things until now. Or if we are comforted, it is for your consolation and salvation. Speaking of suffering for the sake of righteousness in his course to fulfill his ministry, which was to the Church. Remember, at the time he wrote both of these epistles he was a prisoner suffering at Rome in service to Christ and to them! He did not use the miracles as a proof test for his apostolic calling at least when it was not necessary. There are also signs and wonders in the cults who deny the essentials of the Bible. If these are from God it would be inconsistent with his character to authorize falsehood. How can he heal an individual who may deny sin the need for salvation ,or distort the Gospel and even deny who Christ is? Those who are spiritual will check the teachings out especially when it comes with an accompaniment of miracles. Then it becomes even more crucial. We all have the same standing before God since we all have the same Holy Spirit and mediator. Anyone can receive from Jesus. He is the one we all should be seeking, no one can do what he can. People directed to go to another through their preaching. God hates the Nicolaity, those who say they have more than others and we need to come to them to receive it are exactly what Jesus addressed. Nicolaity, meaning those put in authority to rule over others. It is a two-class system in which a certain group is given greater prominence over other believers. These are the dominionist rulers of our time. A Nicolaitan is one who rules over the common church member. Paul who was the apostle in which many of the signs and wonders were done through had a very different view than those today. He warns in the last days that the Church in the last days will be removed from the faith, a departure from the word. Over and over Paul teaches about adhering to doctrine and faith in Christ with no mention of signs and wonders. Even in his epistle to

Timothy he tells him to stir up the gift within but he does not say anything about miracles but do the work of an evangelist. Today experience is knowledge or what is falsely called knowledge. This is how one gets their input, by a sign and a miracle they have experienced. Faith is trusting what you cannot see, if you can see it its not faith. Experiences that we see today are from the outside, the scripture says he has deposited in us the divine nature, he works in us from the inside. This is a completely different way of operation. The miracles in the bible through the apostles hands almost unanimously were to those who did not believe. If you had a miracle happen in your life praise the Lord, lets just be careful in our confidence to think any or every miracle is from God or genuine. Faith comes by hearing the word about Christ Romans Without seeing any evidence of supernatural manifestations, we can believe because God has granted us grace to believe based upon the testimony of His Word. Faith is to work from his word. The Lord requires faith, however we are more blessed who believe without seeing John Faith is the foundation upon which rests every thing we receive in our spiritual life. Without faith it is impossible to please God Hebrews But its not presumption nor is it imaginative. It was not true faith, but rather mere belief in what they could deny seeing. They believed because they saw, but they did not have true faith, it was temporary. The 3 cities Christ did miracles in the people hated him. So he pronounced a judgment on them. Woe to you, Bethsaida! For if the mighty works which were done in you had been done in Tyre and Sidon, they would have repented long ago in sackcloth and ashes. Jesus said in Jn. He never pointed to the miracles to prove the end all to who he was. Prophecy proves the bible is true and who Christ is, it is always the word of truth that is pointed to for the test of authenticity. The Old Testament prophets performed miracles in the sight of kings, priests, enemies and the people of Israel. Yet rather than instilling faith they more often were provoked to put them to death. There were times when there were numerous signs and wonders and other times when there were not. God provided the manna everyday for a nation yet they tired of this miracle of provision. We are to look to Gods daily bread for us, not miracles. Jesus is the word come flesh, the true manna and we have it for us daily today. Certainly we all need the miraculous in our lives at times but to be predisposed of it always occurring puts "God in a box. Not only is this presumption but it is like the rich spoiled kid who always looks to his parents to pay for his mistakes. This is not to be interpreted as a lack of faith. The church was never taught to expect a miracle to come to deliver them from whatever was needed. History shows the Church was persecuted and many died for their faith. Certainly this was not a lack of faith on their part for this to happen. To be inclined to productions of power in "faith meetings" is to be like Israel in the wilderness. Remember all died in the wilderness in unbelief, except two. The degree of unbelief that the children of Israel exhibited was in spite of the persuasive signs and wonders done before their eyes. Their miraculous deliverance from Egypt and Gods guidance and provision for them through the wilderness was quickly forgotten. Have we learned from there mistakes? Throughout history miracles would increase or decrease. Miracles were a rarity at times and those that actually worked miracles are no more than 20 or so different people. Out of approximately or more miracles recorded in the scriptures the reaction of the people was not positive. They hated the prophets and God for the majority of them of them. Jesus, after performing miracles of a quality and quantity not seen prior to His visitation on earth by any prophet was crucified by the very people he made miraculously well. When the belief system the people held was challenged by the evidence of His divine nature they reacted violently.

Chapter 2 : Signs in the Heavens - Life, Hope & Truth

Power, Signs, and Wonders Paul says in 2 Thessalonians that the very process of revealing the Antichrist would be accompanied by "all power and signs and lying wonders" (2 Thess.). In the book of Revelation John begins to describe these power, signs, and wonders using terms that make them sound frighteningly familiar, especially to our.

Let no one deceive or beguile you in any way, for that day will not come except the [a]apostasy comes first [unless the predicted great [b]falling away of those who have professed to be Christians has come], and the man of lawlessness sin is revealed, who is the son of doom of perdition , A This is a controversial passage of scripture and I have chosen the Amplified version to emphasize my point. There are those who look at this in a completely different way from the translation above. They say that the word apostasy means departure and from that they shore up the pre-tribulation position. The word is apostasy and the Amplified tells us that t his apostasy will bring about the great falling away. So all of you who hold to the pre-trib position the above scenario would still work for you. In my opinion, if we are intellectually honest, no one really knows when the rapture will take place, but I digress. What would make professed Christians, fall away? Could it be an event that is so off the hook, so over the top, perhaps something supernatural? The coming [of the lawless one, the antichrist] is through the activity and working of Satan and will be attended by great power and with all sorts of [pretended] miracles and signs and delusive marvelsâ€™[all of them] lying wondersâ€™ So we see that what is coming will be supernatural. This begs the question, if delusive marvels and lying wonders are going to manifest, then what might they be? What is manifesting right now all over the earth? What phenomena is burgeoning? What are people seeing and reporting in record numbers? The answer is the UFO phenomena. It is real, burgeoning and not going away! As I wrote yesterday, the buffer that holds the supernatural in check seems to be receding. There is going to be an event, most likely the detonation of a nuclear device in the Middle East. There is however, another possibility, in that the Taliban is trying to secure Pakistani nukes. Remember last year the terrorist attack that killed scores of people in that city? Some event happens like a war in the Middle East or a terrorist attack that uses a nuclear â€™ dirty or live â€™ device that kills thousands of people. We all watch the event unfold in real time as the world is now linked together by satellite. The event creates the greatest level of collective fear that the humankind has ever experienced â€™ to date. UFOs manifest openly and declare that they were the ones who created us, and started the worlds religions and are now back to help us through this critical juncture of our evolutionary development.

Chapter 3 : signs and wonders | NowProphecy

Signs and wonders will follow those who believe, says the LORD. I will release them to those who BELIEVE in ME and My power. It is My desire to manifest My glory in the midst of you.

And these signs shall follow them that believe Jesus Christ spoke the above words to the 11 disciples apostles before He ascended to heaven. The 11 disciples became apostle; His chosen servants. Jesus Christ does not send His servants to preach His gospel without power. Then he called his twelve disciples together, and gave them power and authority over all devils, and to cure diseases. And he sent them to preach the kingdom of God, and to heal the sick. Heal the sick, cleanse the lepers, raise the dead, cast out devils: Before He ascended, He told His disciples to tarry in Jerusalem until they are powered. And, behold, I send the promise of my Father upon you: Because Jesus Christ is the gospel, and He did not preach powerless gospel when on earth, so His servants do not preach a powerless gospel. True Jesus Christ gospel is alive powerful not dead powerless because the kingdom of God is not in word but in power. Immediately before He ascended, Jesus Christ named signs which must follow the 11 disciples if they believed. And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover. The above signs must follow all true Jesus Christ servants. And the 11 disciples went preaching the gospel everywhere, signs following them. And they went forth, and preached everywhere, the Lord working with them, and confirming the word with signs following. God also bearing them witness, both with signs and wonders, and with divers miracles, and gifts of the Holy Ghost If you are preaching Jesus Christ gospel and you cannot see the above named signs by Jesus Christ following you, you are not preaching His gospel or He is not with you or you are not His servant. Power brings miracles signs and wonders. Without power, there are no signs and wonders. Without power there is no kingdom of heaven. These signs include Mk: See Jesus chooses His servants; you do not choose yourself The apostles were followed by signs and wonders. And fear came upon every soul: And by the hands of the apostles were many signs and wonders done among the people Signs and wonders followed Paul and Barnabas Acts Long time therefore abode they speaking boldly in the Lord, which gave testimony unto the word of his grace, and granted signs and wonders to be done by their hands. Through mighty signs and wonders, by the power of the Spirit of God; so that from Jerusalem, and round about unto Illyricum, I have fully preached the gospel of Christ Signs and wonders followed Stephen Acts 6: And Stephen, full of faith and power, did great wonders and miracles among the people. Philip was followed by signs and wonders Acts 8: And the people with one accord gave heed unto those things which Philip spoke, hearing and seeing the miracles which he did. The gospel is Jesus Christ. See what the gospel is Because Jesus Christ is the gospel, and He did not preach powerless gospel when on earth, so His servants do not preach a powerless gospel; miracles signs and wonders follow them. Purpose of signs and wonders following Jesus Christ servant Miracles signs and wonders; 1. Confirms that Jesus Christ is working with His servant Mk And they went forth, and preached everywhere, the Lord working with them, and confirming the word with signs following 2. And they went forth, and preached everywhere, the Lord working with them, and confirming the word with signs following Can Jesus Christ confirm a gospel not His? It is Jesus Christ bearing witness to His gospel through His servant God also bearing them witness, both with signs and wonders, and with divers miracles, and gifts of the Holy Ghost Heb 2: Reveal the power of the gospel Signs and wonders reveal the power of the gospel; revealing the power of the gospel through His servant. The power of the gospel is the spirit of God; the Holy Spirit. Through mighty signs and wonders, by the power of the Spirit of God Without power, the word is useless; it cannot perform or do anything. The power must be seen through miracles signs and wonders. See the kingdom of heaven is not in word but in power 6. Jesus Christ confirms to humanity that that person is His chosen servant Signs and wonders reveal the presence of power, the presence of kingdom of heaven, and Jesus Christ uses this to confirm to humanity that that person is His servant. It is a must for true Jesus Christ servants to be followed by signs and wonders. If you are calling yourself a God servant and you cannot see signs and wonders following you, ask yourself why? Are you truly a servant of

Jesus Christ preaching His gospel or you have gone astray? If you open a building calling it a church and people come until it is full; that is not a sign that the heaven is with you. If you open a building calling it a church and people come giving you money becoming worldly rich, that is not a sign from heaven. Heavenly signs are, people speaking in tongues , the sick healed, the disabled rising up and walking etc. For many have gone to preach this gospel without being called and chosen by Jesus Christ Himself Mt 7: If you are following a person you claim to be Jesus Christ servant and you cannot see signs and wonders, ask yourself what are you following and where are you heading to? Jesus Christ gospel is powerful living doing the impossible to humanity. It is not dead. The way Jesus preached it with miracles signs and wonders so must it be preached. In the so-called churches with the so-called God servants, people read how miracles signs and wonders used to follow the gospel; history. There are no miracles, signs and wonders in many so-called churches today and we cannot see them following the so-called God servants. Majority of the gospel preached is not Jesus Christ gospel because Jesus is not confirming it neither are the servants His because we cannot see Jesus Christ working with them. See protestant heresies today: You brood of vipers! From your Bibles, can you not see that miracles signs and wonders which followed Jesus must follow every true Jesus Christ servant called and chosen by Jesus preaching His gospel? Can you not see that Jesus Christ gospel must be alive with power performing miracles signs and wonders not a gospel of mere enticing words? An evil generation indeed! Awaken Awaken Bride of Christ Jesus Christ gospel must be with power performing miracles signs and wonders; doing the impossible to humanity Because Jesus Christ is the gospel, and He did not preach powerless gospel when on earth, so His servants do not preach a powerless gospel. A true Jesus Christ servant preaching Jesus Christ gospel must be followed by miracles signs and wonders.

Chapter 4 : Signs and Wonders Follow Jesus Christ Servants Â» Christian Truth Center

"And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth them that dwell on the earth by the means of those miracles which he had power to do" -Revelation For some reason, man associates miracles, signs and wonders with the.

Are the miraculous gifts of the Spirit for today? First, it is important to recognize that this is not a question of whether God still performs miracles today. It would be foolish and unbiblical to claim God does not heal people, speak to people, and perform miraculous signs and wonders today. The question is whether the miraculous gifts of the Spirit, described primarily in 1 Corinthians 12â€”14, are still active in the church today. This is also not a question of can the Holy Spirit give someone a miraculous gift. The question is whether the Holy Spirit still dispenses the miraculous gifts today. Above all else, we entirely recognize that the Holy Spirit is free to dispense gifts according to His will 1 Corinthians In the book of Acts and the Epistles, the vast majority of miracles are performed by the apostles and their close associates. Paul gives us the reason why: If every believer in Christ was equipped with the ability to perform signs, wonders, and miracles, then signs, wonders, and miracles could in no way be the identifying marks of an apostle. Chapters 12â€”14 of 1 Corinthians deal primarily with the subject of the gifts of the Spirit. We are not told how commonplace this was. Beside the apostles and their close associates, the New Testament nowhere specifically describes individuals exercising the miraculous gifts of the Spirit. It is also important to realize that the early church did not have the completed Bible, as we do today 2 Timothy 3: Therefore, the gifts of prophecy, knowledge, wisdom, etc. The gift of prophecy enabled believers to communicate new truth and revelation from God. God miraculously heals people every day. God still does amazing miracles, signs, and wonders and sometimes performs those miracles through a Christian. However, these things are not necessarily the miraculous gifts of the Spirit. The Bible does not say outright that the miraculous gifts have ceased, but it does lay the foundation for why they might no longer occur to the same extent as they did as recorded in the New Testament.

Chapter 5 : Miracles, Signs and Wonders - Prophetic Light

Miracles, Signs and Wonders Miracles, signs, and wonders are what I do, always, says the LORD. I will perform the spectacular, and do what is astounding, for that is My nature, My power, and My purpose.

In that single moment a spiritual calling was released and an invitation to come up higher was given. This moment would not be recorded in Scripture if Elisha did not discern the weight of what was taking place. Elisha was being called by God to take the mantle of a prophetic father and advance! I so clearly hear the rumbling of revival in this hour. There is a transition that is taking place, and a generation of people are arising in the earth who long for the outpouring of the presence of God. We have read the books about the great healing ministers, powerful prophets and renowned revivalists who have gone on before us. When they died they left their mantles on earth waiting to be claimed and taken to the next level. It is time that this generation makes spiritual history! It is time that we have a fresh outpouring of power, miracles and awakening. In a time of prayer recently a powerful word of the Lord came to me about the mantles being released: I am calling this generation forth to move in the supernatural. Even as the church in the book of Acts went from place to place with power and demonstration, so am I calling this generation to move in power and demonstration. No longer shall the hand of man prevail; no longer shall the wisdom of man stand. I have invested the power and authority of My kingdom inside of My family, My sons and daughters. There is an awakening unto fullness, fullness of sonship, fullness of covenant, fullness of position and grace in Me, there is an awakening to the fullness of My power, My kingdom that I have called you to carry. There is a banner of fire being cast over this generation, and I am raising up voices who will release My wind and My breath upon the embers in order to fan the flame. This generation is called and marked to burn for Me. This generation is called unto the supernatural. I am raising up and establishing healing ministries in the earth as a sign and a wonder. The spirit of slumber has blinded the eyes of many and they have been asleep at the wheel while destined journeys and planned exploits have crashed in the spirit and not been fulfilled because they were driving with their eyes closed! I am calling them to wake and move with Me. I am casting the mantle upon My people! I am casting the mantle of supernatural ministry upon My people. I am calling them to arise into the kingdom. The kingdom is supernatural. My sons and daughters are supernatural people called to signs and wonders. There is a generation that is arising in the earth that shall walk in uncommon faith and do uncommon exploits by my spirit. Friend, I believe that this is the word of the Lord for you and me! God is calling His people to move in the supernatural. A new era of revival is beginning, and you have a part in it. Heaven has no small assignments! Let us be like Elisha and recognize the moment that we are living in. Jesus is inviting us to move deeper and allow Him to shine brighter through us. My prayer is that we receive the mantle of fire and go forth blazing with the fire of revival! Ryan LeStrange has been preaching the gospel for more than half of his life. Chapter 6 : Prophecy: God Is Restoring the Signs and Wonders Movement – Charisma Magazine

Obviously, there was a need for God's spokesmen (prophets and apostles) to be authenticated, and the means by which God authenticated them was through the performance of signs, wonders, miracles and powers.

The prophet Isaiah also described these same events: The sixth seal in the book of Revelation The prophecies of Joel and Isaiah match the events described by the apostle John in a vision of the end time: And the stars of heaven fell to the earth, as a fig tree drops its late figs when it is shaken by a mighty wind. Jesus mentioned that the heavenly signs would follow right on the heels of another prophesied event: The Great Tribulation will be a time of terrible trial for the modern-day descendants of Abraham, Isaac and Jacob later renamed Israel. These people will suffer famines and pestilence, military invasion and enslavement. Additionally, the Tribulation will be a time of widespread persecution against the saints of the true Church of God at the end of the age. A great earthquake occurs. Every mountain and island will move out of its place. Blood and fire and pillars of smoke will be seen. The sun, moon and stars will have their light blocked, making them appear as dark as night. The moon will appear blood red. The stars of heaven will appear to be falling to the earth. The sky will be seen receding like a scroll when it is rolled up. Immediately after these stunning cosmic disturbances, a series of great plagues will quickly follow, each accompanied with the sound of a trumpet Revelation 8 and 9. These plagues will precede the return of Jesus Christ to earth in glory and majesty to establish a kingdom of peace and righteousness. Who will control these signs and wonders? When these signs in the heavens and the earth occur, scientists and weather forecasters may attempt to explain them away as extreme, cyclical events, rather than signs from God. To be sure, Bible prophecy clearly shows God will be the author of them. It is hard to imagine, but large numbers of unconcerned people are likely to dismiss these signs as being random occurrences. But those who are watching and praying will discern the reason for the signs 1 Thessalonians 5: Throughout the Bible, God says that He controls all the elements of His physical creation and that He uses them either to bless or to curse mankind. And they swirl about, being turned by His guidance, that they may do whatever He commands them on the face of the whole earth. So, we clearly see that God controls all the powers of the heavens and the earth—from climate conditions to earthquakes and volcanoes to the orbits of the planets and the positions of the massive constellations in deep space. God speaks of the sun, moon and stars being darkened; and this has happened at various times on smaller scales. A dense, dark cloud of smoke can certainly block light to the earth over an area of land. For instance, in June the second largest volcanic eruption of the 20th century in terms of the amount of material spewed out took place on the island of Luzon in the Philippines. The volume of ash emitted from the June 15 peak eruption was about 1. The giant, umbrella-shaped eruption cloud was miles kilometers in diameter and 21 miles 34 kilometers high. Mount Pinatubo is just one in a series of more than volcanoes along the ring of fire circling the Pacific Ocean. It is certainly possible that a series of simultaneous volcanic eruptions could shut out sunlight for a period of time across large portions of the earth. For another example, a passage such as Matthew If the heavenly signs to come are caused by natural laws of physics, God will orchestrate these events in an extreme and stunning display. If these wonders are supernatural, God can certainly alter the courses of the heavenly bodies and the natural elements from what has been the norm. Will God get the attention of the vast population of the earth before that time? Will He find lasting, heartfelt changes in human behavior before He unleashes His anger? Jesus posed an important question to His disciples and us today: Those who never took heed of these warning signs will be in terror at the appearance of Jesus Christ. But Jesus promised the faithful: For those who take heed, God provides a way of escape from His wrath.

Chapter 7 : Pyromaniacs: Prophecy and Signs and Wonders

But love for God sees through deceptive signs and wonders to the falsehood they support and flees to Christ. Love for God sees through the heresy and holds fast to him. May God deepen our love to him so that it has this kind of penetrating, protecting power."

We thank and rejoice in the Lord, the Head and commander in chief of all things in Heaven and the Earth for healing this great friend, and His child of Cancer - stage 4. She was not doing well when the man of God, Prophet Maxillar Mumo first met her, through her friend Rose but out of prayer and talking to God concerning her, he prophesied that her healing had been granted and that it shall be well with her from that day even unto this day that the doctors have confirmed the word that the cancer of blood is gone right through to the marrow. Chapter 8 : end times signs and wonders | End Times Prophecy Report

For over thirty years, the Chavdas have been reaching the nations with the Gospel accompanied by signs and wonders. Hundreds of thousands have come to salvation and thousands have received healing from critical diseases like AIDS and cancer through their ministry.

First of all we are NOT to listen to those who promote their opinion that we can do anything the apostles or Jesus did. And neither should we listen to those who claim that miracles no longer take place. What we need to hear is the word of God, the apostles teaching on this and what took place in the early church history. Any Scripture we may find has to agree with the actual events otherwise it must mean something other than what you may think it means. We are to believe it as it is written to be in the truth. What the apostles did is seen in the book of Acts as recorded history and doctrine. What the apostles taught the church is in the epistles. Believers are not given the supernatural ability *cart blanche* like the apostles to do miracles at the drop of hat. Otherwise they would not have had to call Peter to raise Tabitha - they would have done it themselves. This woman was full of good works and charitable deeds which she did. But it happened in those days that she became sick and died. When they had washed her, they laid her in an upper room. And since Lydda was near Joppa, and the disciples had heard that Peter was there, they sent two men to him, imploring him not to delay in coming to them. Then Peter arose and went with them. When he had come, they brought him to the upper room. And all the widows stood by him weeping, showing the tunics and garments which Dorcas had made while she was with them. But Peter put them all out, and knelt down and prayed. And turning to the body he said, "Tabitha, arise. Then he gave her his hand and lifted her up; and when he had called the saints and widows, he presented her alive. And it became known throughout all Joppa, and many believed on the Lord. Then the word of God spread, and the number of the disciples multiplied greatly in Jerusalem, and a great many of the priests were obedient to the faith. If we go back a few verses we can understand what took place and see that Stephen and Philip also did a miracle are a specific group chosen out of the church to be evangelists especially to the Jews. And the multitudes with one accord heeded the things spoken by Philip, hearing and seeing the miracles which he did. For unclean spirits, crying with a loud voice, came out of many who were possessed; and many who were paralyzed and lame were healed. What we notice is that there were just a few not the many, not the majority of believers. There are only two specifically mentioned that did these miracles and they were appointed by the apostles.
