Slovakia, the country in the real heart of Europe Geography Slovakia is a small middle European country in the heart of Europe. Slovakia is divided into eight main regions. It has about 79 districts. In Slovakia people speak Slovak, but in different regions, they speak with different dialect. Slovakia has an extension of Density in Slovakia is about persons per square kilometre. History First settlement in this region was already from prehistoric times, what proved found human skull from Ganovce. Later in the Iron age the culture. In this time there were made the first coins. In 5th century AD came first Slavs to this territory during the large Slavic migration westward. First national organisation, which worked as a defence union for Western Slavic tribes known as the "Empire of Samo". This was established in AD to protect the tribes against the threats of Avars. In came missionaries St. Metod to the Great Moravia. They founded the first basic of Slavic alphabet. In 11th century, Slovakia became part of Hungarian Kingdom and it remained almost for years. The first university Academia Istropolitana was founded in Bratislava in It was first university at present territory of Slovakia. During the Turkish expansion into central Europe, after the battle near Mohac in Ottoman Empire occupied most of the Hungarian kingdom. Because of this Bratislava became the capital and the coronation city for Hungarian kings. In was founded the first mining college in Europe in town Banska Stiavnica. The first codification of Slovak language by Ludovit Stur in In was established Matica Slovenska which was abolished in by Hungarian authorities. October is known for establishing of Czechoslovak Republic. From has changed regime to communist and was abolished only in the Velvet Revolution in Slovak Republic has originated after peaceful dissolution of Czechoslovak federation 1st January Many other Slovak rivers fall into Danube. There are not very many lakes in Slovakia except some mountain lakes as Strbske pleso, Zelene pleso barriers as Zemplinska Sirava, Liptovska Mara, Oravska priehrada, Krpelany. Relief Slovakia has very miscellaneous relief. There is the highest peak of this ridge in Vysoke Tatry called Gerlachovsky stit Gerlach peak about metres high. These mountains are mostly situated in the north, east Slovakia. The lowest point above the sea level is 94 metres above the sea level and it is near Hungarian border on the river of Bodrog. People In Slovakia lives about 5 people. Each crown is equal to hellers. There are banknote of , , , , 50, 20 and coins 10, 5, 2, 1 and hellers 50, 20, Slovak Central bank is Narodna Banka Slovenska. Most of large towns have grown because of industry. Main industries are engineering, metallurgy, chemical, textile and food industry. Most of raw materials as iron ore, oil, coal, manganese ore, chrome ore, bauxite and so on. Meciar was prime minister till the end of September. In September there were parliamentary elections. Prime minister is Mikulas Dzurinda. Hopefully we will join EU by year Other popular sports are basketball, volleyball and tennis. Nowadays is fitness becoming very popular, mostly among young people. Some famous players, who could be seen playing tennis around the world, are Dominik Hrbaty, Karin Habsudova or Korda. There are also some good ice-hockey players in NHL. Slovakia is also one of competitors for the Winter Olympic Games in We will see if we get this opportunity or now later on. Representative Symbols National emblem consists of an early Gothic shield with a silver double cross erected on the central and highest of three blue hills. National flag has three horizontal stripes, white blue and red. The state emblem of Slovak Republic appears in the upper left of the flag. National seal has the national emblem of Slovak Republic surrounded by the inscription Slovenska republika.
