Studying for your PTCB exam using sample questions is one of the most effective study practices you can use. The advantages of using sample tests include: Understanding the Test Format - Every standardized test has its own unique format. Once the test day arrives you will have no surprises! Concentrating Your Study - As you take more and more sample tests you begin to get a feel for the topics that you know well and the areas that you are weak on. Many students waste a lot of valuable study time by reviewing material that they are good at often because it is easier or makes them feel better. The most effective way to study is to concentrate on the areas that you need help on Know the Tricks - All standardized tests have certain "tricks" that they use to get you to select the wrong answer. By taking practice tests, you will learn to spot these trick questions The PTCB exam is a multiple choice exam that has 80 scored questions and 10 unscored questions. The exam is taken on a computer and administered by Pearson Vue. Candidates are given 1 hour and 50 minutes to answer the exam questions. Pearson VUE operates over test centers nationwide. Additionally, Pearson VUE allows military personnel and qualifying dependents to take the exam at approved military sites. Candidates may change their exam appointment up to one business day before their appointment. Exam fees will be forfeited if a candidate does not show up for their exam appointment. Full compliance with all appropriate PTCB certification policies. Successful completion passing of the PTCE exam. A candidate is subject to disqualification for any of the following items: Violation of any PTCB certification policy such as the code of conduct. Any State Board of Pharmacy licensure or registration action involving the candidate. Scaled scores on the PTCB exam range from 1, to 1, A passing score for the exam is 1, This passing score was determined by a panel of subject-matter experts who evaluate each test question and estimate the percentage of qualified pharmacy technicians who would answer the question correctly. Official score reports will be available online approximately one to three weeks after the exam date. Candidates are also given the option of having their score reports emailed to them. Candidates who pass the exam will receive a certificate and wallet card approximately four to six weeks after the exam. Candidates who fail the exam are allowed to retake the exam after 60 days for second and third attempts. If a candidate fails the exam three times, they must wait six months to take their fourth attempt. After four failed attempts, candidates must provide evidence of completing acceptable preparation activities in order to be allowed to take the exam again.
