

Chapter 1 : 15 Tastiest Heirloom Tomato Recipes Slideshow

*The Heirloom Tomato Cookbook [Mimi Luebbemann, Robert Holmes, Dan Mills] on www.nxgvision.com *FREE* shipping on qualifying offers. Whether you say to-may-to or you say to-mah-to, chances are you'll agree there's nothing like the taste of a sun-ripened heirloom tomato and this beautifully photographed book is a cornucopia for the tomato lover.*

First there are the recipes: Accompanying each is a wine pairing suggested by Kendall-Jackson, which each year hosts the Heirloom Tomato Festival in Sonoma the inspiration for this book. Add to this, advice on choosing and storing tomatoes and a brief history, and you have a book as vibrant as the tomato it celebrates. Stabio on Jan 13, I read cookbooks like many people read magazines: Your gardener, chef, and tomato lover will appreciate the beautiful illustrations as well. Pretty pictures, bad-to-average recipes By Eva Gerald on Oct 02, Unlike most of the other reviewers of this book, I actually made some of the recipes. The tomato bisque was thin and bland, tasting mostly of onion and watery cream with just a hint of tomato flavor. I expect that ripe heirloom tomatoes of "any" variety I used brandywine, pineapple, and black zebras may be too soggy, and the soup really suffered. The same thing happened when I made the brandywine tomato sauce -- the tomatoes disintegrated into nothing, leaving me with a lot of specks of skin and a watery sauce. It would have been helpful if the recipes had suggested several varieties that would work best, something the author did only a few times. Most people could figure that out on their own; why was recipe space wasted on it? There are, however, informative sections on common heirloom varieties and their cultivation along with lots of pretty pictures, so I gave it two stars for that. By Abby Haynes on Dec 14, I got this book for my dad who is into growing heirloom tomatoes. Fischer on Feb 02, This book provides a great introduction to heirloom tomatoes including both growing and eating them. There are beautiful photos throughout the book, and most, but not all, of the recipes feature a photo of the finished dish. The first chapter is an Introduction which includes the growing popularity of heirloom tomatoes, a description of the Heirloom Tomato Festival at the Kendall-Jackson Wine Center, and an overview of 20 varieties of heirloom tomatoes which includes physical characteristic, flavor and a photo. It describes the characteristics of Chardonnay, Riesling, Sauvignon Blanc, Cabernet Sauvignon, Merlot, Pinot Noir, Syrah and Zinfandel as well as the specific heirloom tomatoes for which they each pair best. The author provides a helpful tip: The resources page provides the names, addresses, phone numbers and websites of 13 vendors who sell heirloom tomato seeds. As a vegetarian, I was very pleased to see so many recipes that are vegetarian. I am really pleased with it. Heirloom Tomato Cookbook By A. Dixon on Nov 09, Joyful and lovely color photos, especially the cover! Enticing to say the least and sure makes you want to cook with tomatoes, especially heirlooms. Well-written and full of good information. The other bonus is that it pairs wines with tomatoes which is not always an easy job -enjoy! By Jane Austin on Aug 11, This is a fantastic book if you love tomatoes, especially heirloom tomatoes. It has so much information inside of it. They also have a chapter on "growing and cultivating". Heirloom Tomatoes By Lydia Rigen on Jun 07, We just planted heirloom tomatoes in our garden this year and I wanted a cookbook just for them. The cookbook has so many interesting recipes I am anxious to try them! The cookbook also has many beautiful pictures which I like. When I ordered the cookbook I thought it was going to be a small paperback but it is actually a large paperbook which is very nice. I was very happy with my purchase of the heirloom tomato cookbook. Used it daily this summer By Brandywine Girl on Nov 27, I found this book at Crate and Barrel while on vacation and bought it, since I grow alot of different kinds of tomatoes. Also, I like to collect cookbooks on one topic, so it was a good addition to my collection. And I did follow the procedures for saving heirloom seeds. Those of us who grow tomatoes, heirloom and otherwise, are always looking for interesting, inventive recipes for what is often an overly bountiful harvest. This collection provides both. Really helpful info on pairing wine and tomatoes. A must-have for the tomato lover. By Roseeve on Jul 13, This book of heirloom recipes is superb. The recipes are easy to follow and the dishes come out wonderful. Heirloom Tomatoes By Diane R. Sundquist on Aug 10, This is a wonderful cook book for Heirloom Tomatoes. My husband and I are Heirloom Tomato growers, new this year, and with the large quantities of
