A fine receiver, Craig caught more than passes in San Francisco. He has 53 career touchdowns catches, notching 13 in both and last season. Clair was a mountain of a man at 6-foot-9, but also enough of a technician to make five Pro Bowls. It took a heckuva long time for St. Clair, whose stellar year run with the 49ers ended in , to make it into the Pro Football Hall of Fame, but he eventually got the call in He made five Pro Bowls and won three Super Bowls with the 49ers. Cross made three Pro Bowls as a guard -- and, of course, he collected three big rings over the course of his career. Blue was named first-team All-Pro twice. Hardman played at a high level for a decade in San Francisco, making two Pro Bowls. Nomellini made the Pro Bowl 10 times and was inducted into the Hall of Fame in Yes, over the course of his year run, he accumulated the Pro Bowls, the Super Bowl ring and the multiple playoff appearances, but ultimately Young was a true leader for the organization. The early years [edit] Morabito was one of the first to realize that with the advent of air travel, truly national professional sports leagues were now possible. Indeed, the 49ers were the very first team in the four major sports to originate on the West Coast. The 49ers could never unseat the dominant Cleveland Browns , and had the misfortune of being in the same conference as the Browns. Nonetheless, they were clearly the second-strongest franchise in the AAFC both on and off the field. Thus, along with the Browns and the first Baltimore Colts , they were granted admission to the National Football League in . San Francisco lost 21 Unlike the Cleveland Browns , who won the championship that year, the 49ers struggled in the NFL, finishing the season 3 In , they would do much better, with a 7 season and nearly reaching the championship game. The season saw seven wins and five losses. With a 9 record, San Francisco had its best season yet in , but a loss to the Lions kept them from the championship match. Injuries in caused a 7 finish. More injuries notably to RB Hugh McElhenny caused the 49ers to fall to a losing 4 the following year. With former quarterback Frankie Albert taking over as head coach in , the team went 5 6 1. This period was most notable for the destructive on-field antics of LB Hardy Brown , traded from Washington in . Brown established a fearsome reputation for injuring players by ramming them with his shoulder during his five years on the 49ers roster. After losing the opening game of the season, the 49ers won their next three against the Rams , Bears , and Packers before returning home to Kezar Stadium for a game against the Chicago Bears. The 49ers fell behind the Bears 17 7. Tragically, 49ers owner Tony Morabito collapsed of a heart attack and died during the game. The 49ers players learned of his death at halftime when Coach Frankie Albert was handed a note with two words: With 10 seconds remaining, 49ers ball on the Lions 41, Detroit leading 31 28, Y. Tittle threw a desperation pass into the end zone, right into the arms of high-leaping R. The play became famously known as the " Alley Oop ". Ironically, the two men covering Owens would later become 49ers coaches: The 49ers would end that season with three straight victories and an 8 4 record, tying the Detroit Lions for the NFL Western Division title, and setting up a one-game divisional playoff in San Francisco. The 49ers got off to a fast start, and in the third quarter led 27 7. The Lions, led by quarterback Tobin Rote , who earlier in the season had replaced an injured Bobby Layne , would mount one of the biggest comebacks in NFL history and defeat the 49ers, 31 7. Had they won the game, the 49ers would have hosted the NFL Championship game the following weekend against the Cleveland Browns. As it happened, the Lions wound up beating the Browns 59 7. He led them to a 7 5 campaign in , and again in . Key players for these 49ers included running back Ken Willard , quarterback John Brodie , and offensive lineman Bruce Bosley. It was named by the man who actually devised the formation, Red Hickey. The formation, where the quarterback lines up seven yards behind the center, was designed to allow the quarterback extra time to throw. The formation was used for the first time in and enabled the 49ers to beat the Baltimore Colts , who were not familiar with the formation. In , primarily using the shotgun the 49ers got off to a fast 4 1 start, including two shutouts in back-to-back weeks. In their sixth game they faced the Chicago Bears , who, by moving players closer to the line of scrimmage and rushing the quarterback were able to defeat the shotgun and shut out the 49ers, 31 0. The 49ers won six games that year. They won only one game at Kezar Stadium while on the road they won 5 of 7 games the NFL expanded to a game season that year. After posting losing records for the next three years 6 8, 2 12, and 4 10 in 64 , the 49ers rebounded to finish with a 7 6 1 record. The team had six wins, six losses, and two ties. One of those wins was over the eventual champion Packers. Coach Jack Christiansen was fired after a 7 7 season which saw the team go on a six-game losing streak. Louis "Lou" Spadia was the general manager of the 49ers for the Morabito widows during the worst times of the team. After losses to Detroit and Los Angeles , the 49ers won

their next two games before the season finale against the Oakland Raiders. Going into the game the 49ers had a half-game lead on the Los Angeles Rams and needed either a win or the Giants to defeat the Rams in their finale to give the 49ers their first ever divisional title. In the early game, the Giants were crushed by the Rams 30-3, thus forcing the 49ers to win their game to clinch the division. In wet, rainy conditions in Oakland, the 49ers dominated the Raiders, 38-7, giving the 49ers their first divisional championship, becoming champions of the NFC West. The 49ers won their divisional playoff game, 17-14 against the defending conference champion Minnesota Vikings, thus setting up a matchup against the Dallas Cowboys for the NFC Championship. In what would be the final home game for the 49ers at Kezar Stadium the 49ers kept up with the Cowboys before losing, 17-10, thus giving the Cowboys their first conference championship. Despite being located on the outskirts of the city, Candlestick Park gave the 49ers a much more modern facility with more amenities that was easier for fans to access by highway. The 49ers won their second straight divisional title in with a 9-5 record. The 49ers again won their divisional playoff game against the Washington Redskins by a 24-20 final score. Though the defense again held the Cowboys in check, the 49ers offense was ineffective and the eventual Super Bowl champion Cowboys beat the 49ers again, 14-3. In , eight 49ers made the Pro Bowl, including defensive back Jimmy Johnson and Gene Washington, both for the second year in a row, as well as defensive end Cedric Hardman, running back Vic Washington, and offensive lineman Forrest Blue. Their opponents in the divisional playoffs would again be the Dallas Cowboys, making it the third consecutive year the teams faced each other in the playoffs. After the 49ers took a 28-13 lead in the 4th quarter, Tom Landry sent quarterback Roger Staubach, who was backing up Craig Morton, into the game. Staubach quickly led the Cowboys on a drive to a field goal, bringing the score to 28-16, and as the game wound down it appeared that that would be all the Cowboys would get. However, the Cowboys would complete the comeback all in the last two minutes. Just after the two-minute warning Staubach found Billy Parks for a touchdown to bring the score to 28-23. Needing an onside kick to have a realistic chance at a game-winning touchdown, Cowboys kicker Toni Fritsch executed a successful onside kick, with the ball going back to the Cowboys. With the 49ers on the ropes, Staubach completed the comeback with a touchdown pass to Ron Sellers giving the Cowboys a dramatic 30-28 victory and sending the 49ers to yet another crushing playoff defeat. The defeat would have a chilling effect on the 49ers, as they failed to make the playoffs for the next eight seasons. The team lost six of its last eight games, including games to the also-ran New Orleans Saints and Detroit Lions. In the final season of his career, longtime 49ers quarterback John Brodie split playing time with two other quarterbacks, most notably longtime backup Steve Spurrier. With Steve Spurrier injured and missing nearly the entire year, the 49ers did not have a regular quarterback but did put together a respectable 6-8 record. Though Plunkett had shown promise with the Patriots, he had not won there and it was thought that he needed a change of scenery. Monte Clark was also brought on as 49ers head coach. The 49ers were led by one of the best running games in the NFL in The 49ers started the season 6-1 for their best start since Most of the wins were against second-tier teams, although the 49ers did shut out the Rams 16-0, in Los Angeles on Monday Night Football. In that game the 49ers recorded 10 sacks, including 6 by Tommy Hart. However, the 49ers lost four games in a row, including two against divisional rivals Los Angeles and Atlanta that proved fatal to their playoff hopes. Though they would win five of their next six they would lose their last three games to finish the season 5-9. Gene Washington again led the team in receiving in , which would be his final year with the 49ers. Simpson from the Buffalo Bills. As with Plunkett two years previously, it was thought that rescuing Simpson from a bad situation and bringing him to the area of the country he had been raised would rejuvenate his career. Thomas also released Gene Washington and Jim Plunkett, giving him only one season, and replaced him with Pete McCulley, his third coach in three seasons. The season was a disaster for the 49ers, as they finished 2-14, their only wins coming against the Cincinnati Bengals and Tampa Bay Buccaneers. Wilbur Jackson also missed the entire season due to injury. Even worse for the franchise was that the first pick of the draft that they would have had was traded to the Bills as part of the O. Thomas was fired following the season. However some of the key players that would be part of the

49ers stunning rise to emergence would begin their 49ers career in The Montana and Jerry Rice era[edit] Main article: The former head coach of Stanford University was known for stockpiling draft picks, making excellent draft selections, and patching roster holes by acquiring key free agents. Bill Walsh was hired to be the 49ers head coach in the off-season. However, Brown did not appoint him as his successor upon his retirement, ironically choosing another assistant, former 49ers center Bill "Tiger" Johnson. Desiring head coach experience, Walsh looked to Stanford University in He had had some success there before the 49ers tapped him to be their replacement. The Bill Walsh offense was actually created and refined while he was an assistant coach with Bengals. The true West Coast offenseâ€”more focused on the vertical, or downfield, passing gameâ€”was actually created by s L. Montana had enjoyed a storied college career, leading the Fighting Irish to the national title and a number of dramatic comeback victories, the most stunning of all being his final game, at the Cotton Bowl. Playing the University of Houston in an ice storm, and with Montana suffering from a bad flu, Notre Dame was down 34â€”13 in the third quarter. Despite this, most scouts did not peg Montana as a top prospect. Though he did get credit for his moxie and intangibles, most thought of him as a system player surrounded by a great team. In the draft , the Dallas Cowboys were placed just ahead of the 49ers. However, feeling that the quarterback position was in excellent long-term shape with Roger Staubach and Danny White , and desperately needing a tight end, the Cowboys went off their strategy and drafted Doug Cosbie. The 49ers, and Walsh, took Montana. As Walsh implemented his strategies and game plan, the 49ers had another year of losing, going 2â€” There were, however, a number of bright spots.

History of the San Francisco 49ers – Early years[edit] The San Francisco 49ers, an original member of the new All-America Football Conference AAFC , were the first major league professional sports franchise based in San Francisco, and one of the first major league professional sports teams based on the Pacific Coast. In , the 49ers enjoyed their first sustained success as members of the NFL. The 49ers players learned of his death at halftime when coach Frankie Albert was handed a note with two words: The 49ers special assistant to the Morabitos, Louis G. Spadia was named general manager. During the decade of the s the 49ers were known for their so-called " Million Dollar Backfield ", consisting of four future Hall of Fame members: They became the only full-house backfield inducted into the Pro Football Hall of Fame. Key players for these 49ers included running back Ken Willard , quarterback John Brodie , and offensive lineman Bruce Bosley. During this time the 49ers became the first NFL team to use the shotgun formation. The 49ers rebounded nicely to finish with a 7–6–1 record. In , the Morabito widows named Lou Spadia, team president. After losses to Detroit and Los Angeles , the 49ers won their next two games before the season finale against the Oakland Raiders. Going into the game the 49ers had a half-game lead on the Rams and needed either a win or the Giants to defeat the Rams in their finale to give the 49ers their first ever divisional title. goal, bringing the score to within 28-16, and as the game wound down it appeared that this would be the last points the Cowboys would get. However, Dallas completed the comeback in the last two minutes. Just after the two-minute warning Staubach took just four plays to drive 55 yards in only 32 seconds, hitting Billy Parks on a yard touchdown pass to bring the score to 28-0. Cowboys kicker Toni Fritsch then executed a successful onside kick that was recovered by Mel Renfro, giving the Cowboys the ball at midfield with 1:11 left. With the 49ers on the ropes, Staubach scrambled for 21 yards, then completed a yard sideline pass to Billy Parks who went out of bounds at the yard line to stop the clock. Staubach then completed the comeback with a yard touchdown pass to Ron Sellers with only 52 seconds left, giving the Cowboys a dramatic 30-28 victory and sending the 49ers to yet another crushing playoff defeat. The team lost six of its last eight games, including games to the also-ran New Orleans Saints and Detroit Lions. In the final season of his career, longtime 49ers quarterback John Brodie split playing time with two other quarterbacks, most notably longtime backup Steve Spurrier. The team also suffered from not having a dominant running back, with Vic Washington leading the team with only 1,000 yards rushing. Jackson enjoyed a fine rookie year, leading the 49ers with 1,000 yards rushing. He and fellow running back Larry Schreiber combined for over 1,000 yards rushing. With Steve Spurrier injured and missing nearly the entire year, the 49ers did not have a regular quarterback but did put together a respectable 6-8 record. Wilbur Jackson was hurt much of the year and Delvin Williams led the 49ers in rushing with 1,000 yards rushing. Following the season the 49ers traded for New England Patriots quarterback Jim Plunkett, former Heisman Trophy winner from nearby Stanford University which was also the alma mater of John Brodie. Though Plunkett had shown promise with the Patriots, he had not won there and it was thought that he needed a change of scenery. Monte Clark was also brought on as 49ers head coach. Delvin Williams emerged as an elite back, gaining over 1,000 yards rushing and made the Pro Bowl. Wilbur Jackson also enjoyed a resurgence, rushing for 1,000 yards. The 49ers started the season 6-1 for their best start since 1971. Most of the wins were against second-tier teams, although the 49ers did shut out the Rams 16-0, in Los Angeles on Monday Night Football. In that game the 49ers recorded 10 sacks, including 6 by Tommy Hart. However, the 49ers lost four games in a row, including two against divisional rivals Los Angeles and Atlanta that proved fatal to their playoff hopes. The team was sold to Edward J. DeLoach. Though they won five of their next six, they lost their last three games to finish the season 5-9. Bright spots for the 49ers included defensive linemen Tommy Hart and Cleveland Elam, who made the Pro Bowl, and running backs Wilbur Jackson and Delvin Williams, who combined for over 1,000 yards rushing. Gene Washington again led the team in receiving in 1979, his final year with the 49ers. The offseason was marked by a number of questionable moves by Joe Thomas that backfired badly. Simpson from the Buffalo Bills. As with Plunkett two years previously, it was thought that rescuing Simpson from a bad situation and bringing him to the west coast where he had been raised would rejuvenate his career. Thomas also released Jim Plunkett, giving up on him after two seasons. Finally, Thomas fired Meyer after only one season, and replaced him with Pete McCulley, his third coach in three seasons. Simpson indeed led the team in rushing, but with less than 1,000 yards. Wilbur Jackson also missed the entire season due to injury. Even worse for the franchise was that their first pick of the draft was traded to the Bills as part of the O. Joe Thomas was fired following the season. Some of the key players that became part of the 49ers stunning rise began their 49ers career in 1976. The team was led in its turnaround from late season doormat by new owner Edward J. DeLoach. The former head coach of Stanford University was known for stockpiling draft picks, making excellent draft selections, and patching roster holes by acquiring key free agents. Bill Walsh was hired to be the 49ers head coach in the off-season. The Bill Walsh offense was actually created and refined while he was an assistant coach with the Bengals. The 49ers took Montana. The 49ers other notable draft choice of the draft was wide receiver Dwight Clark in the 10th round. There were, however, a number of bright spots. Freddie Solomon also had a good year, with over yards receiving. The running game was patchwork, with Paul Hofer leading the team with yards and O. Simpson , in his final season, rushing for only yards and being sidelined with injuries. The 49ers got off to a strong start in , winning their first three games of the season. However, the team, still maturing, lost their next eight games in a row. Many of those games though were close, and the 49ers acquitted themselves well. During the season Walsh alternated DeBerg and Montana at quarterback.
