Chapter 1 : THE NORTON ANTHOLOGY of World Literature Volumes D, E, and F - 3rd Edition - \$ | PicCli

In , Norton changed the way world literature is taught by introducing The Norton Anthology of World Masterpieces, Expanded www.nxgvision.comg the field once again, Norton is proud to publish the anthology for the new century, The Norton Anthology of World Literature, Second Edition.

Under the direction of Stephen Greenblatt, General Editor, the editors have reconsidered all aspects of the anthology to make it an even better teaching tool. This is not a giant page book. Buying this saves you a minimum of 70 bucks. Only contains volume D By K. The Romantic Period through the Twentieth Century and After, 8th Edition" and the picture with all three volumes one would suspect that one would receive all three volumes. Misled By Aileen on Jan 22, When ordering these books I expected to receive all the volumes that showed in the description - I did e-mail the person that shipped it to me and they informed me that they were included in the same book and that it was thick. It is not a very thick book and unless I am missing something?? So I feel I was misled when ordering these books!! Needless to say I was extraordinarily angry to open my package and find only the first volume Change your description guys, seriously. By Summer Patterson on Nov 04, Used it for class and it was as described. Shipped quickly and had it in time for class. They are designed to be used as college literature textbooks. I purchased them because they are the best anthologies covering their respective literatures. They have selections on all the well known writers but, also, selections by writers that are not well known. Thus I get to read many authors I would not have kneo otherwise. I cannot recommend any other anthology as highly as I recommend these volumes-they are by far the best there is. Other than that, the books are completely new. I needed the 9th edition but I got this one, the 8th edition, and it has every poem the 9th has, completely the same. The only thing is that the information about authors is different but what I need is the poems. The pages are not the same obviously but you can just look for them easily. I actually enjoyed the class that used these books and I am not an English major. So glad amazon carrys this item. It was like carrying around two floppy bricks. So this time around, I decided to purchase the triple volume. But only having to deal with a third of it at a time is a HUGE incentive. Definitely the choice to make, and turned out to be highly cost effective as well! Good collection of works By Psizzle on Apr 22, Good collection of works, not all the works seemed to be scholarly or even slightly important. Like some of the literature seems like garbage to me but that it is only great work because of the name attached to it. Add a Book Review Book Summary: Abrams Editor , Carol T. Now published in 2 slipcased sets this set, Package 2, contains three volumes covering from the to today , the new anthology boasts slimmer volumes, thicker paper, a bolder typeface, and dozens of newly included or newly translated works from around the world. The Norton Anthology of World Literature represents continuity as well as change. Like its predecessor, the anthology is a compact library of world literature, offering an astounding forty-three complete longer works, more than fifty prose works, over one hundred lyric poems, and twenty-three plays. More portable, more suitable for period courses, more pleasant to read, and more attuned to current teaching and research trends, The Norton Anthology of World Literature remains the most authoritative, comprehensive, and teachable anthology for the world literature survey. Included in this set are: Work, a new baby, and TV had slowly eroded the hours a day I used to spend reading. I started getting up an hour early each day to read. As a non English major, there are many classics that I never got around to reading. Reading these two anthologies has been one of the more rewarding intellectual activities of my life. While coverage of literature from outside Europe is lighter than one might hope, the concentration of great literature is intoxicating. Excellent By Dex on Feb 23, The book arrived on time and in good condition. Had a few problems with the volume, but the staff worked hard to correct them right right away. The Norton Anthology of World Literature: Arrived on time and in good condition. The books were used but very well reserved.
