A little different scenario is used and I especially liked the extra games that can be played in the AM and PM. But then the screen went blank. Finally I shut it down and went back to it later. It was all back including my investment. Now it shuts down once or twice a day We strive to make games that our players enjoy, and would love to hear more of your feedback. Please feel free to message us from the app, or email us at support platinumplayerllc. I loved playing this game back when it was originally called Word Addict. It was definitely named very well because it was very addictive. I have to wait endlessly for them to make new levels. What are Infinity Levels? Can you close out the game with an Infinity Level unfinished and come back to it later? It makes the fun Weekend Challenge beat 50 levels before Sunday night completely impossible. So do I uninstall and then reinstall this game in order to play? Or am I stuck forever endlessly waiting for the developers to make new levels? What could they possibly tell me? That I have to wait for more levels to be developed, in the future- the way off future? We would love to help you discover what is happening with your game. They do not limit several words like the others, you get points for words that are in fact real, but may not be the ones with in the scramble of words. Also they give you several opportunities daily, to make extra coins. The levels do get harder as you move up, by they still throw in several mercy rounds with small words that even contain two letter words. If you like word scramble games, then look no further Thank you so much for taking the time to leave such an awesome, thorough review. Have a fabulous day!
