

Chapter 1 : The Thing About Jane Spring by Sharon Krum

*The Thing about Jane Spring [Sharon Krum] on www.nxgvision.com *FREE* shipping on qualifying offers. At thirty-one, Jane Spring has everything a woman could ask for and seemingly everything a man could long for—great legs.*

My love for the book comes from the girl in me that watched the Doris Day movies and longed to be so effortlessly a lady. I read it with a big, dopey grin on my face. It felt a little slow in the beginning, but once she hit the movie marathon I could not put it down. I could not wait to see what the reactions to her transformation were going to be. Most people do not see me as a conservative person, but Doris Day holds a special place in my heart. MB What she read 1st read: I enjoyed this book a lot! I thought it was a cute story and an interesting take on how Jane feels she "is" and how everyone else perceives her. I could certainly identify with her about that. Since I know nothing about Doris Day movies, I have no problem with the quotes used. Other reviewers have mentioned this as a problem. Overall this is a light-hearted and cute chic-lit novel! The usually tiresome "makeover" trope is used in an o Emily When I caught "Doris Day" on the inside jacket of this book my interest was sparked. Perhaps if you strip away the trappings of the overt physical changes and adapted to understanding the underlying positive outcome that arrives when using the Golden Rule, then maybe this book has a shot. Jane Spring is a woman who has found success in being whip-smart, systematic, censorless, pragmatic, and truthful. The struggle that women face in the business wo I admired the fact that when she made up her mind about something she went all the way with it. I would recommend this for a light read on a plane or at the beach. Amarilli Settantatre da www. In altre parole, a chi potrebbe ispirarsi per trovare il Vero Amore una ragazza di buoni propositi ma ancora nubile, figlia di un generale e sorella di militari, cresciuta in una base e unica della famiglia ad essere stata inviata tra i famigerati "civ Jennie I found this to be the usual frothy summer reading with the usual implausible plot: One warning, however, and this really started to bug me about 75 pages in: Krum bothered to get to know any real army "brats" I hate Ruth I really really liked this book! It was very easy to read, took me only a few days to finish. Jane Spring is an assistant procecuting attorney in New York City. Then over a long snowed in blizzardy weekend she tries to figure out what guys want in a woman. While searching for a role model she happens to see a Doris Day marathon on tv. Then it dawns on her Aryn This, for me, was one of those books that I thought was going to be totally ridiculous but I kept reading just because I wanted to see how the author handled things, and while it was totally pie-in-the-sky, and dated as well, I liked it. You can read the jacket for the particulars, but this is so much more. And perhaps it is just my age group. Anyway, this is one of those books that make me wish I had another reader to discu Damaskcat I absolutely love this book and cannot recommend it highly enough! To me this is a chick lit masterpiece. I know the scenario is unlikely but it is fun. Hot shot lawyer Jane Spring sets out to turn herself into Doris Day in order to find a man who will not be put off by her legal skills and apparently abrasive personality. The story is told with humour and a lightness of touch which makes it irresistible. Naturally Jane gets her man in the end and Bookworm Jane Spring was raised with a military father, two older brothers, and no mother causing her to be ultra masculine and somewhat offputting to most men. In order to find love, she decides to makeover herself in the image of an effortless lady, Doris Day. Now I find the premise ridiculous and somewhat insulting but I love Doris Day movies and I think this could totally have been one. It is just adorable chick lit with some very amusing sections. Amusing in places, but I had a hard time believing that a woman as smart and successful as she was could be THAT clueless about relationships. Rachel Romeo I loved this book. I am also a big fan of Doris Day movies so I loved the references and how she pulled out the "Doris" in this day and age and how it helped her emerge both personally and in love. Laura Cee I absolutely loved this book! I think it was one of the funniest books I have read in a long time. I did read that the movie rights had been purchased, but that was awhile ago. To be honest, a movie would probably just wreck it Nanny Diaries, Something Borrowed come to mind. Carol This is just a fun book. I needed it before I tackle something depressing again. She decides to make a huge change in her life. Sandy Pothier This was a fun book to read. At times I laughed out loud. Oh, what we do for love Caryn This was another one of those fun books. It was a nice break from some tricky reading. Vivianne I loved this book. It was an easy and fun

read. I saved it for a rainy Sunday, and could not have been more pleased with the outcome. Looking forward to more from Sharon Krum. E poi in qualche modo una piccola parte di me riconosce quella povera anima di Jane D Suzanne very fun read! It still makes me laugh. Definitely a worthwhile, easy read. Leticia I loved the character and narrative, and hated how sexist and mean it all sounded. Shirley I love this book! It light and fun. My go-to cheer me up. After spending a night snowed in with a bottle of wine Zury This actually deserves a 2. Cute story and it was an interesting but quick read. I liked it and I admit that I laughed in some parts but I got annoyed with Jane Spring at times because of how pathetically clueless she was. I get that she was raised by a drilling sergeant from the army and with no mother as a role model but can anyone really be that clueless to the relationship of others? She was astonished to discover on her After she realizes that her approach is more of a turn off than a turn on that sends most men running for cover, Jane decided that she needed to find a perfect model to emulate that always got her man - who better than Doris Day? And, from that point, she executes a plan that is ridiculous

Chapter 2 : The Thing About Jane Spring (Audiobook) by Sharon Krum | www.nxgvision.com

The Thing About Jane Spring is a chick lit romantic comedy novel by Sharon Krum, known for Walk of Fame (St. Martin's Press,).

My love for the book comes from the girl in me that watched the Doris Day movies and longed to be so effortlessly a lady. Though the plot is impl I read it with a big, dopey grin on my face. It felt a little slow in the beginning, but once she hit the movie marathon I could not put it down. I could not wait to see what the reactions to her transformation were going to be. Most people do not see me as a conservative pe MB What she read 1st read: I enjoyed this book a lot!
