

Chapter 1 : The Vicomte of Bragelonne: Ten Years Later - Wikipedia

*The Vicomte of Bragelonne: Ten Years Later* (French: *Le Vicomte de Bragelonne ou Dix ans plus tard* [lÉ™ vikÉ™]ft dÉ™ bÉ™aÉ™É™IÉ™n u dizâ€žÉ™f ply taÉ™]) is a novel by Alexandre Dumas. It is the third and last of The d'Artagnan Romances, following *The Three Musketeers* and *Twenty Years After*.

About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com). Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. These will once again present a gordian knot for our heroes that will cause anguish and lead them into the final chapter of their adventures. A page turner that will keep you up late on many successive nights, guaranteed. Fue un grato placer reencontrarme con mis cuatro bravos mosqueteros. En effet, le Gascon souhaite restaurer la couronne anglaise. I have yet to see historical fiction books which would top this story. Nous quatres mousquetaires joyeux sont pour la majeure partie absents. Pour la plupart de temps, le lecteur passe son temps avec des personnages historiques vrais et leurs intrigues amoureuses sordides et leurs tactiques qui ont tres peu de relevant qui sont aussi historiques vraies. Le roi, qui est deja lui-meme amoureux de la Valliere, devine que le pere ne veut pas du mariage. Ils ordonne aux jeunes amoureux de remettre leur mariage aux calends grecques. The problem I have with some books when rereading them is that they slow down at times; and I am particularly sensitive to that. I finally skipped some portions of it and then went to the grand finale. Which of course made me cry; this is drama manly and mainly. But is a very good book. To view it, [click here](#). This volume is noteworthy for the death of Porthos, which made me cry out loud. El final de uno de mis protagonistas favoritos:

Chapter 2 : German addresses are blocked - [www.nxgvision.com](http://www.nxgvision.com)

*The Vicomte de Bragelonne opens an epic adventure which continues with Louise de la Valliere and reaches its climax in The Man in the Iron Mask. This new edition is the only one in print and is fully annotated with an introduction that sets Dumas's saga in its historical and cultural context.*

The "Works of Alexandre Dumas" was designed and bound with an embossed floral design and gilt portrait on the front cover. The exceptional quality paper prevents page yellowing over time. The convenient "cast of characters," and the gorgeous portrait frontispiece and frontis tissue guard add to the superb book experience. In addition, the high-quality binding makes this a book that can be read over and over again. Alexandre Dumas is one of the most prolific and most widely read French authors to date. Although he wrote under a multitude of genres, he was best known for two of the most adventurous, swashbuckling novels of all time: His stories have been translated into nearly languages, and all of his major works have been adapted into films. See my other listings for additional books in this exceptional set. These vintage books are in good to very good condition. The inside pages are in very good condition with no tears, no bent corners, no creases, no writing, no highlighting, and no discoloration. No pages are loose or missing. The vintage bindings are secure. There is a dark brown top stain, and the page edges are deckled. I personally handle everything from the detailed listing to the damage-proof shipping. I will treat your order with the care and attention it deserves. If a particular aspect or condition is important to you, please do not hesitate to contact me. I am happy to answer all questions and send additional photos if needed. I specialize in signed copies, first editions, limited editions, and scarce out-of-print titles. You may find something you never knew you wanted! If for any reason you feel I have not met your expectations, please allow me the opportunity to resolve the issue. My goal is a satisfied customer who will come back and buy again! Your item will be carefully and securely wrapped and protected for the long journey. Additional fees will apply. Every item comes from a smoke-free home. Saisissez un code postal valide.

*The Vicomte de Bragelonne opens an epic adventure which continues with Louise de La Valliere and reaches its climax in The Man in the Iron Mask. www.nxgvision.com new edition of the classic translation presents a key episode in the Musketeers saga, fully annotated and with an introduction by a leading Dumas scholar.*

The Vicomte de Bragelonne, by Alexandre Dumas

The Arithmetic of m. Whilst the king was directing his course rapidly towards the wing of the castle occupied by the cardinal, taking nobody with him but his valet de chambre, the officer of musketeers came out, breathing like a man who has for a long time been forced to hold his breath, from the little cabinet of which we have already spoken, and which the king believed to be quite solitary. This little cabinet had formerly been part of the chamber, from which it was only separated by a thin partition. It resulted that this partition, which was only for the eye, permitted the ear the least indiscreet to hear every word spoken in the chamber. Warned by the last words of the young king, he came out just in time to salute him on his passage, and to follow him with his eyes till he had disappeared in the corridor. During this short monologue and the mise en scene that had accompanied it, whilst the king, through the long corridors of the old castle, proceeded to the apartment of M. Mazarin was in bed, suffering a little from the gout. But as he was a man of order, who utilized even pain, he forced his wakefulness to be the humble servant of his labor. He had consequently ordered Bernouin, his valet de chambre, to bring him a little traveling-desk, so that he might write in bed. But the gout is not an adversary that allows itself to be conquered so easily; therefore, at each movement he made, the pain from dull became sharp. But if it is the wish of your eminence, he can speedily be called. Let us see, however. And with that please to remember M. Guenaud is not here. Indeed, I ought to have brought M. That young man goes on very well, Bernouin, very well; a very orderly youth. Well, what were we saying? You always interrupt me! Upon Madrid four millions. I give you to understand plainly to whom this money belongs, Bernouin, seeing that everybody has the stupidity to believe me rich in millions. I repel the silly idea. A minister, besides, has nothing of his own. Rentrees generales, seven millions; properties, nine millions. Have you written that, Bernouin? These thirty-nine millions are bespoken, and much more. I must, however, attain that sum, which I had set down for myself. But who knows whether I shall have time? I sink, I am going, I shall never reach it! And yet, who knows that I may not find two or three millions in the pockets of my good friends the Spaniards? They discovered Peru, those people did, and what the devil! I thought he was in bed long ago. What is the matter, then? It is an important communication which I wish to make to your eminence to-night, that is all. This time, political cunning, as keen as it was, made a mistake; this color was not caused by the bashfulness of a juvenile passion, but only by the painful contraction of the royal pride. Like a good uncle, Mazarin felt disposed to facilitate the confidence. Sire, I should wish your majesty to ask of me something of importance, even a sacrifice; but whatever it may be that you ask me, I am ready to set your heart at rest by granting it, my dear sire. His distress is great, monsieur le cardinal, and it has appeared painful to me, who have seen my own throne disputed, who have been forced in times of commotion to quit my capital, to me, in short, who am acquainted with misfortune, to leave a deposed and fugitive brother without assistance. His crown would then have remained intact. They are dangerous, observe, sire, and filthy to the touch after having wallowed in royal blood and covenantal murder. That policy has never suited me, I scorn it and reject it. Have you millions to throw away? I could find Jews who would be willing to lend me a million. Every one in France knows that; my books are as open as day. What did I tell you to do just now, Bernouin? Did I not tell you so? Be frank, my friend. His majesty is returning to his own chamber.

## Chapter 4 : The Vicomte de Bragelonne (Audiobook) by Alexandre Dumas | [www.nxgvision.com](http://www.nxgvision.com)

*The Vicomte de Bragelonne by Alexandre Dumas The Vicomte of Bragelonne: Ten Years Later is a novel by Alexandre Dumas. It is the third and last of the d'Artagnan Romances, following The Three Musketeers and Twenty Years After.*

Plot[ edit ] The principal heroes of the novel are the musketeers. The narrative is set between and against the background of the transformation of Louis XIV from child monarch to Sun King. He resolves to aid the exiled Charles II to retake the throne of England, unaware that Athos is attempting the same. The erratic Buckingham is madly in love with the princess and can scarcely conceal it, while Guiche soon finds himself equally smitten. Philippe, though little attracted to women, becomes horribly jealous of Buckingham and has him exiled after the wedding. The king, however, refuses to sanction the marriage because Louise is of inferior social status, and so marriage is delayed. Meanwhile, the struggle for power begins between Fouquet and Colbert. Meanwhile, Aramis meets the governor of the Bastille M. Aramis uses this secret to persuade the dying general of the Jesuits to name him his successor. To avoid her new husband being jealous Henrietta suggests that the king choose a young lady at court to act as a smokescreen for their flirtation. That same night Henrietta hears de Guiche confess his love for her to Raoul. The two pursue their own love affair. De Guiche is forced to fight a duel with him and is defeated and seriously wounded. The incident is the last straw for Madame Henrietta who resolves to dismiss Louise from her service as Maid of Honour. The king dissuades Henrietta, but she prevents the king from seeing Louise. On his return to France, Raoul is heartbroken to discover Louise in the arms of the king. Athos finds out everything and spits his contempt at Louis XIV. Chevreuse has let the secret slip to Aramis when they had an affair. Aramis plots to replace Louis with Philippe as a puppet ruler for himself and Fouquet, and even intends to become in turn the next Pope. Through an elaborate subterfuge mounted by Aramis, Philippe replaces a prisoner due for release from the Bastille and escapes to Vaux. Meanwhile, Fouquet is throwing a lavish party for Louis at Vaux. Colbert poisons the king further against Fouquet. He then substitutes Philippe for the King. Porthos is an uncomprehending accomplice in all this, believing that he is removing an impostor instead of the real king. Aramis conspiratorially informs Fouquet of his acts, but Fouquet wants no part in such treachery and rushes to the Bastille, rescues Louis, and brings him back to Vaux to confront Philippe. Louis banishes Philippe, ordering that "he will cover his face with an iron visor" which he "cannot raise without peril of his life. They next meet the Duc de Beaufort , on his way to Algiers for an expedition against the Barbary corsairs. Soon Raoul is off to war in North Africa, and Athos is retired. The Duke goes on to win the battle, sinking forty-six Algerine vessels. Meanwhile, Athos returns to his estates and lapses into decline. On hearing that Raoul has died in action at Gigelli , Athos succumbs to grief and dies. Thanks to the secret power of the Jesuits, which he now commands, Aramis reaches Spain and becomes her ambassador to France.

## Chapter 5 : VERY RARE VINTAGE The Vicomte De Bragelonne Trilogy 3-Volumes, Dumas | eBay

*The Vicomte de Bragelonne is the final volume of D'Artagnan Romances. When Dumas wrote the novel publishers considered it too long and so they divided it into 3 sections. Some years later a different publisher divided it into 4 sections.*
