

**Chapter 1 : The Witches of Sea-Dragon Bay by Sandra Forrester**

*"The Witches of Sea-Dragon Bay" is the third book about the continuing struggles of Beatrice Bailey as she attempts to undo a curse placed on members of her family years ago.*

Hobbies and other interests: Box , Bellport, NY An historical novel for young adults, set in a small town in Alabama during the Depression, working title Leo and the Lesser Lion. Sandra Forrester is the author of several novels for young adults, among them her lighthearted "Beatrice Bailey" series, which follows young witch Beatrice as she tries to receive the "Classical Witch" rating so she can learn important magic. As Forrester once commented: After the Union Army captured Roanoke Island in February , runaway slaves began to arrive almost immediately seeking sanctuary. Sound the Jubilee is the story of a young girl named Maddie who fled to Roanoke Island with her family in search of freedom. The reality of their lives on the island was often difficult and quite different from what they had envisioned. Mikowski wrote in the Voice of Youth Advocates that "the beauty of the book lies in two things: Many of the incidents experienced by Maddie and her friends and family are based on these first-hand accounts. Sadly, nothing remains on the island to remind us that a thriving business and residential community once stood there. The buildings were destroyed long ago, and the land has reverted to forest and undergrowth. I wrote Sound the Jubilee because I was inspired by the courage of these self-freed slaves and moved by the poignancy of their experience". My collaborative efforts with librarians, who were as excited by my research as I was, convinced me to return to school for a degree in library studies. Maddie becomes the assistant to a local young black school teacher, and though things begin very well for Maddie and her family in their new life, racial tensions soon rise in the community. Young Simone wants to be like her beautiful cousin Claire-Marie, and when Tante Madelon comes from Paris for a visit, Simone views the European woman as an ideal role model. John Peters of Booklist called the novel "a diaristic tale of a thirteen year old losing some illusions. Life in the colonies is better than life on the streets for Pen, the narrator of the tale, but the same is not true for all of her friends: Lisa Prolman, writing in the School Library Journal, considered the novel "a good, clear story about a time period not generally mentioned in history texts. She will either be rated as "Everyday" or as "Classical," the more prestigious of the two titles. With her three best friends, Beatrice travels to the mythical land of Bailiwick to begin her quest. Knight, writing in the School Library Journal, found that the first volume of the series, The Everyday Witch, is filled with characters who "are a cohesive group and there is a nice emphasis on cooperation and individual efforts. I can only hope that we will someday learn to value the lives of these innocents, who require so little and give so much. Rear-don, review of Sound the Jubilee, p. **Chapter 2 : NEW - The Witches of Winged-Horse Mountain (The Adventures of Beatrice Bailey) | eBay**

*The Witches of Sea-Dragon Bay" takes Beatrice and her friends Cyrus, Ollie, and Teddy to a very unusual beach resort, where the waters are filled with sea serpents and monsters. As in the previous Beatrice Bailey novels, Beatrice is c This third in a series of magic and adventure novels, stars young Beatrice Bailey, apprentice witch, on another.*

The Everyday Witch Airdate: July 01, Beatrice Bailey is tall, skinny, and about to turn twelve years old. On that birthday she will get her official classification as a witch. But will she be named an ordinary Everyday Witch or a specially empowered Classical Witch? At last, they agree that her Maximum Magic Level must be tested, and to pass the test she must break a spell that has been cast by the evil sorcerer, Dally Rumpe. In this tale, their main challenge is to get past an enchanted hedge of thorns and a fire-breathing dragon to undo the spell that has cast the land in snow and ice. Author Sandra Forrester promises further bewitching adventures in books to come. In each adventure, Beatrice makes new friends who help her when she goes on to face dangerous new encounters. Beatrice is a twelve-year-old witch whose talent for magic-making sometimes falters. On a nighttime excursion they encounter strange blue lights in the marshes. Further bizarre adventures introduce Beatrice and friends to a maddened old man witch named Yorick. Here is exciting escape entertainment--a delightful mixture of humor, magic, and spooky adventure. October 01, This third in a series of magic and adventure novels, stars young Beatrice Bailey, apprentice witch, on another of her exciting adventures. As in the previous Beatrice Bailey novels, Beatrice is continuing on her mission to break the spell of Dally Rumpe, the evil sorcerer whose dark powers extend over many different realms. Their balloon mysteriously deflates, and they need to be rescued by the Ghost Guard. Several other ordeals follow, all of them having mysterious causes. They include Ollie being trapped in a cellar flooded by rising tide, and Beatrice being stalked by an army of ferocious rats. Young readers will keep turning pages of this fast-moving tale, as Beatrice meets and overcomes a variety of mysterious and sometimes humorous challenges. April 01, Apprentice witch Beatrice Bailey and her friends are off on a brand-new adventure as they continue their effort to thwart the evil Dally Rumpe and reverse his magic spell. They visit a phantom rodeo with ghost cowboys and horses, then go to the ruby mines of Blood Mountain. While trying to break the spell, they explore the cave where Dally Rumpe once lived, and there they discover his book of evil spells. In this new adventure, Beatrice faces a difficult and frightening decision. If she chooses an evil path, she can defeat Dally Rumpe; otherwise, she seems destined to fail. The Witches of Bailiwick Airdate: February 01, The fifth and newest Beatrice Bailey adventure begins as the two teenage apprentice witches Beatrice and Teddy are on their way to the shopping mall. But before reaching their destination, they have a frightening encounter with a strange young man who identifies himself as Ganef, a pickpocket. It soon turns out that Ganef means no harm to the young witches. He has traveled from a town near the castle of Bailiwick, and now hopes to bring Beatrice and her friends back with him to assist in the long-running struggle against the evil sorcerer, Dally Rumpe. Young readers who enjoyed the earlier Beatrice Bailey novels will take pleasure in this mysterious and exciting new adventure. And readers meeting Beatrice for the first time in " The Witches of Bailiwick" will want to read the rest of the Beatrice Bailey series. The Witches of Widdershins Academy Airdate: They need to pass it in order to be accepted by any of the witch academies. On her way to the exam, Beatrice encounters a strange fox that leaves no footprints in the snow, and then suddenly disappears before her eyes. Is this an omen of strange things to come? How on earth did they get accepted there? Something mysterious is going on--and the mystery grows deeper on the day they arrive at Widdershins Academy. E Chuunibyou Demo Koi ga Shitai!
