

Chapter 1 : My Book Boyfriend: Reckless (Thoughtless #3) by S.C. Stephens

S.C. Stephens is a New York Times and USA Today bestselling author who enjoys spending every free moment she has creating stories that are packed with emotion and heavy on romance. Her debut novel, Thoughtless, an angst-filled love triangle charged with insurmountable passion and the unforgettable Kellan Kyle, took the literary world by storm.

Book Review "Thoughtless by S. Another one that had me clutching my heart like Travis did. Some of you guys are trying to kill me and I loved every sleepless moment of it. What a completely absorbing rock star recommendation you had for me, this time. It usually takes me a day or two to come down from a book, so I can review it properly. But this one has me all twisted inside, and I need to deal with it now. And you know what? The only way to do that, without guilt, is to get this one off my chest now. I mean sleep deprivation. And I have to get up in the morning for work. He raised an eyebrow at me. Somehow, in my sleep deprived world, I quit making sense. Maybe even put her in the corner for a time-out. She sure needed it, at that point in the book. And it only got worse and so darn good from there. Where to start with this book? They both took me on an emotional roller coaster with no safety harness! To go with him, she is required to transfer to a new college, and find funding for school, but would do anything to follow him anywhere. I want to be where you are. He stopped my breath. It was nearly two weeks later, on a Friday evening at work, when something unexpectedly did change. Denny is asked by the company to go to another state for a few months, to work on an important project. They can get through this. So there she is, living so far away from her family, in a brand new school, trying to find a job, roommates with a stranger. Without hesitation, he pulled me to him in a tight embrace. He lightly rubbed my back and rested his cheek on my head. It was very comforting but I sobbed anyway, while the people around us stared. He ignored the stared and questioning looks he did have a reputation after all and held me until my tears stopped, all without comment or complaint. From three times a day, to once a day, to missing days, to not returning her calls as quickly, to cutting their once sweet and long conversations, short. The next afternoon, Denny finally called me after a two day absence. I ached to actually see him, hold him. The conversation was brief, he seemed distracted like the call was an obligation, and not something he really wanted to be doing. And then to not calling her for almost 4 days. One that devastates her. And the only one there to pick up her pieces is Kellen. I have never seen you this tied up over a book for real you are knotted up and twisty Maryse: You are so squeeing Maryse: Not a bad-bone in her body. But, situations arise and her selfish, self-centered, possessive, unfair side comes out. I called her a few bad words. One was really bad. I was uncomfortable feeling for her. Feeling her pent-up frustration, her confusion, the intensity of her love, her pain, because at times, it made me connect to her and I found myself sometimes making excuses for her behavior. I just did it again! I made an excuse for some of that inexcusable behavior. The betrayal by a few of the characters feels almost unforgivable. Incredibly detailed, incredibly emotional, incredibly long, but SO worth it. Love, game playing, and heartache. I felt it all. Especially those emotional gut-punches. I held him tight and rubbed his back. He may not want to hear it, but I needed to say it. He exhaled softly and nodded in my shoulder, clutching me tighter. Read it and weep!! Or maybe I should just get some sleep first?

Kobo The only place Kellan Kyle has ever felt at home is onstage. Gripping his guitar in a darkened bar, he can forget his painful past. These days his life revolves around three things: Until one woman changes everythingâ€¦ Kiera is the kind of girl Kellan has no business wanting-smart, sweet, and dating his best friend. Stephens, Kiera told her story. The cover for this highly anticipated story is finally here! When they head off to a new city to start their lives together, Denny at his dream job and Kiera at a top-notch university, everything seems perfect. Then an unforeseen obligation forces the happy couple apart. Feeling lonely, confused, and in need of comfort, Kiera turns to an unexpected sourceâ€”a local rock star named Kellan Kyle. And then one night everything changesâ€”and none of them will ever be the same. She was determined to never again inflict that kind of pain on anyone, especially the soulful, talented man who held her heart. Love is easy; trust is hard. Reckless Thoughtless, 3 Can love survive when life gets Reckless? When the band hits it big, Kiera and Kellan must ask themselves: Can their love for each other survive the constant pressures of superstardom? A greedy executive hell-bent on success, a declining pop star looking for an edge, and a media circus that twists lies into truths are just some of the obstacles the lovers will have to overcome if they are going to remain together. Fame comes with a price-but will it cost Kiera and Kellan everything? Stephens is a 1 bestselling author who spends her every free moment creating stories that are packed with emotion and heavy on romance. In addition to writing, she enjoys spending lazy afternoons in the sun reading, listening to music, watching movies, and spending time with her friends and family. She and her 2 children reside in the Pacific Northwest.

Chapter 3 : Thoughtless (Thoughtless Series #1) - free PDF, DJVU, DOC, EPUB

Book "Thoughtless" (S.C. Stephens) ready for read and download! For almost two years now, Kiera's boyfriend, Denny, has been everything she's ever wanted: loving.

Parts of this book were enjoyable for me, while many others were "I want to choke a bitch right now" moments. Thoughtless has been compared to Beautiful Disaster, and I can see where the comparisons are coming from. Both books are high on the back-and-forth drama. Both books have a male lead who is a lady-killer, able to bag any woman he wants, and often does. Both books feature Is it possible to have a hesitant relationship with a love or hate book? Both books feature a female lead in college, and have a roommates falling-for-each-other scenario. Go on this bitch-fest with me, please. I need to rant to you strangers out in the Goodreads universe. The couple in Thoughtless was a 1 step forward, 15 steps back, type of deal. This woman has two incredible guys willing to do whatever she wants, and instead of picking one to settle down with, she strings them both along selfishly, deciding that she can take her time to make a decision and pick one person to be with. After all, cheating is the cool thing to do, right? If Kiera had figured out her shit earlier in the game, I would have enthusiastically given this book at least 3 stars. That said, this girl should have put on her big girl pants and figured out what to do after it happened once, twice, etc. She ran out of excuses pretty early on, and I never warmed up to her because of it. Will I read the next book in the series? I do love me some drama, after all. I wish it had been nipped in the bud earlier on, but a little bit of drama is always fun, up to a point. He was pretty upfront about who he was. Was he a bit too much of stereotypical caveman-type male? But hey, I like my guilty pleasure men. On a completely unrelated note - part of me really wants to rename this book to Chuckles and the Blushing Crybaby. It did actually have one extremely funny scene one of the only scenes to ever make me actually laugh out loud. I did end up liking where book 2 went, so my thoughts are not all negative.

Chapter 4 : Thoughtless | Official Website of Author SC Stephens

Author: S C Stephens Emma has admittedly made some bad decisions in her life, but she was positive that being with Teren Adams wasn't one of them. He was everything she'd ever wanted in a man " kind, caring, loyal, loving, and on occasion, a hopeless romantic.

Can love survive when life gets Reckless? When the band hits it big, Kiera and Kellan must ask themselves: Can their love for each other survive the constant pressures of superstardom? A greedy executive hell-bent on success, a declining pop star looking for an edge, and a media circus that twists lies into truths are just some of the obstacles the lovers will have to overcome if they are going to remain together. Fame comes with a price-but will it cost Kiera and Kellan everything? I think partly due to the audio version, partly because I thought it was way too long, and partly because of Kiera. This may get a tiny bit spoilery so I can explain. Although I could understand her reasons for wanting to remain out of the spotlight, I thought that was a bit naive of her and selfish. It was all about her. And in the end, it came out anyway. So, I thought that was a bit unrealistic or a character flaw. I think they should have come clean sooner. Then, there were so many unnecessary parts. Clearly if they fixed above, a lot could have been cut out and focus placed on other things. And honestly, it still bugs me about Denny. Maybe, but it showed what a wonderful guy he was. Really, after everything, Kiera has sympathy for her. I guess overall, it was a little too feel good and less realistic. I must admit it was nice that everything tied up in a bow, but I was left missing something. Not sure what it was. I thought the most real parts were with Griffin. Audio Review Revekkah Ross did an okay job. I really loved her accents for Denny and his girl. However, I think that part of the reason I found this book loonnngggg was due to the narration. Anyway, my book boyfriend Kellen.
