November 09, Both began as commercial artists and turned filmmakers. Both of them chose village-based subjects for their debut ventures. And both shot their movies totally in outdoor locations. If Fakir cares for anyone in the village, it is his sister Chukka Vijayanirmala. He even ditches Ratthi Vijayalalitha who is madly in love with him. The village elders force him to give evidence against Fakir in the court. Fakir, who is sentenced and vows to seek revenge, escapes from prison. No villager gives shelter to Kishtaiah. Chukka marries Kishtaiah hoping her brother would not kill him. Unaware of this, Fakir attacks Kishtaiah. When pushed to a wall even a cat turns into a tiger. Bapu and Mullapudi also chipped in with their savings for the initial capital. Since Bapu was new to filmmaking, he suggested signing veteran cinematographer P S Selavaraj for the project. In a first for Telugu cinema, Sakshi was totally shot in outdoor locations. Pulidindi village on the banks of the Godavari was selected as the ideal location. Bhavaraju Seetharamudu, an engineer, helped the unit even by laying new roads. He also worked as an art director along with Bapu. Before commencing the shoot, Bapu took lessons on how to deal with close-up, mid-close-up and long shots from his experienced associate director Kabir Das. In fact great contribution for the movie came from Mullapudi, who is known for his witty and satirical writings, He floored the audience with a poignant tale and sensitive dialogues such as Chukka tells Kishta Manchodu cheddodu antoo vidigaa vundaru maavaa.. Two main actors dominated the show. Jaggarao, in his first and perhaps only such domineering character in movies, played Fakir to the hilt. Krishna, as the guileless Kishtaiah, gave one of his career-best performances. In High Noon when all the townsmen lock themselves up in their homes, a year-old boy comes in support of Kane to take on the villain. In High Noon when the hero shoots down the outlaw, all people gather around Kane. Similarly in Sakshi the villagers surround Kishtaiah after he kills Fakir. While Kane leaves the town in disgust peeved by the selfish behaviour of the people, Kishtaiah gives them a piece of his mind before leaving the village to surrender to the police, saying no one in the village need to give evidence against him. He played a wide variety of roles as a savvy spy in Goodhachaari , a villain in Private Mastaaru , the compassionate and patriotic youngster in Marapurani Katha and as the innocent village bumpkin in Sakshi. K V Mahadevan composed the music for the lyrics of Arudra and Dasarathi. Notable among the songs were Amma kadupu challagaa . P Susheela and the background song Yevariki vaare ee lokam lo Mohan Raj. He was proved right when the two got married two years later at Tirupati. The couple later visited the temple and exchanged garlands there. It ran for 28 days fetching back its investments and a little profit. Sakshi was also shown at the Tashkent Film Festival.
