She dreams to get her "Prince Charming" and have a fantasy, like the Disney Princesses. Her story is about how she meets her prince, saves the Kingdom of Paradiso and ultimately, through hardship, becomes a Princess herself. Volume 1[edit] This is Volume 1 and 2 of the Tokyopop release One day after school, a young girl named Kilala Reno stumbles across a boy sleeping in her yard. After thinking to herself he looks like a Prince, she tries to kiss him, thinking it will wake him up, just like a kiss wakes up Sleeping Beauty. He does wake but only to fall back asleep again. Kilala then carries him inside her house and watches over him sleeping as she wonders who he is and where he came from. To her surprise, she feels just like one of the Disney Princesses. Then, Rei wakes up and accuses her of stealing the tiara. Valdou explains that Rei and him are searching for the Seventh Princess and the rightful owner of that tiara. There is a legend that the Princess can save their country from turmoil. Kilala tells them she knows where they can find a princess and leads them to a Princess Contest where her best friend, Erica, had just won. Certain that Erika was the Princess they were looking for, she goes to find her only to watch as strange men in long coats kidnap her and throw her in the back seat of a car. Kilala goes after her but is almost injured by the mysterious men before Rei comes and saves her. Rei and Kilala come upon a strange gated door called the "Gate of Dreams". The Tiara starts to glow and Kilala places it on her head, praying that the door lead the way to saving Erika. However, when the two wake up, they suddenly find themselves in the world of Snow White and the Seven Dwarfs where they meet Snow White in person, and the two of them become dwarfs. After some introductions, Kilala realizes how to find a way to find Erika and the two make their way to the Magic Mirror, summoning it. The Mirror tells them the Tiara will show them the way if they can survive the danger ahead. Before Kilala can ask what the danger is, they are attacked by the Evil Queen, who demands the Tiara. They try to escape but are ultimately captured when they are attacked by dogs, badly injuring Rei. The Queen turns into an old lady and tries to force Kilala to eat a poison apple, making the dogs hold down Rei. Snow White appears and tells The Queen that, to save Kilala, she will eat the apple instead. Just before she can, however, Kilala knocks the apple out of her hand telling The Queen no one will be eating that apple and the Seven Dwarfs appear. They are all able to attack the Queen, pushing her into a Cauldron which turns her into a vulture. Afterwards, Snow White gives Kilala a ruby, which attaches itself to the Tiara and changes her and Rei back to normal. Rei questions why they would leave her behind, but then realizes it must be because she is not the Seventh Princess. The next day, everything returned to normal for Kilala. She reminisces on her journey and blushes as she realizes she has feelings for Rei, who appears next to her. Later that night, she goes to the Princess Contest Afterparty to support Erica. She starts to feel lonely without a partner before a dress but Rei shows up asking her for a dance. The two dance in the garden outside as crowds begin to gather to watch them. She asks time to stop on this moment forever. Volume 2[edit] This is Volume 3 and 4 of the Tokyopop release Kilala rescues Erika before the unnamed villains can kill her, and sneaks up to their boat where she steals back the Tiara before falling into the ocean. Kilala and Rei go to the world of The Little Mermaid. While Kilala and Ariel set off to find white crown seaweed to cure Rei, he is later captured by Ursula who intends to marry him and become a Queen. Ursula tells her that Rei is really a Prince and should marry a suitable bride. Ariel gives Kilala an aquamarine gemstone as token to their friendship, which turns out to be one of the magic gems to be acquired by the Tiara. He gives Kilala the Tiara and promises to return for it soon. He leaves on a ship back to Paradiso. Kilala tries to defend her, but ends up getting the book dirty, and Mill blames her for it. Later, however, Mill returns to thank her for the aid. As they talk about believing in fairies, Tinker Bell appears and lures them to an ancient library. There, Kilala finds a journal containing information about the Seventh Princess. Rei finds out Valdou is the leader of the Coup, the people responsible for attacking the kingdom of Paradiso. Rei is held captive as Valdou goes after the Tiara. Kilala enters a Princess Cinderella contest, only to fail at every single test and humiliates herself. She runs away in tears before running into Valdou, who "takes" her to Rei. She

helps Cinderella finish her chores to get her on time for the royal ball, but Drizella and Anastasia continue to make a mess to make them work. Jaq and Gus make a dress for Cinderella while Kilala secretly finishes the chores. Cinderella also teaches her the proper ways of eating, walking, singing and dancing like a princess. Anastasia steals her Tiara during a confrontation and decides to use it to brainwash the prince. After the Fairy Godmother helped Cinderella to the ball, Kilala asks for her help. At the ball, she knocks down Drizella before she can hypnotize the prince and sends the Tiara flying out the balcony. Just then, Cinderella arrive and the dance goes smoothly as ever. Kilala finds the Tiara broken and shattered. The Fairy Godmother appears and restores it, with a new gem added to it: When Kilala returns to the human world, her body is healed. She and Rei are then captured and taken to a devastated Paradiso. Kilala is thrown in an Internment Camp and Rei is taken to be brainwashed and forced to help the Coup. Kilala saves him before they can and the two declare their feelings for one another. The Volume ends with Kilala and Rei walking towards the Paradiso gate, determined to collect all the remaining gems and save the country. Gaston throws the watch back to them, but keeps the amber stored inside. Kilala and Sylphy pose as dancers to steal back the jewel. Rei starts a fight with Gaston again, and wins, along with the gem. Kilala convinces the Beast to confess his feelings to Belle and give her the broken pocket watch, which she happily accepts. The Tiara immediately brings them to the World of Sleeping Beauty. When they do find it, the little princess gives it to her as a token for her help. Princess Aurora finds Kilala on the balcony and tells her to keep on believing in herself and her love for Rei. Maleficent appears disguise as Lady Malecent and attempts to curse Aurora with magic rose thorns. Kilala shields the princess and falls under the spell. Right after Maleficent is defeated, the glass bead turns into a rose quartz and joins with the Tiara. When they return to Paradiso in more ruin than when they left. Sylphy shows herself to also be a traitor, siding with Valdou in agreement that he will make Rei marry her. They race off on an air vehicle. While Rei and Aladdin hold off the guards, the girls make their way to escape. Jasmine falls off the roof trying to help Sylphy and ends up captured by Valdou, who has also followed them to this world and sided with Jafar. Sylphy tries to use the lamp to first make Rei fall in love with her which is denied and later to find Jasmine, but Valdou steals the lamp before she can summon Genie again. He wishes to return to Paradiso and become its ruler. As he fades away, Kilala steals back the lamp and wishes to find Jasmine. After the tension, Aladdin wishes the princess good night. Jafar turns into Sylphy after she left and attempts to steal the diamond, but Kilala and Rei figure him out. Kilala returns the diamond and Jasmine gives her a flower given to her by Aladdin as a token to their friendship. Angered, Jafar has Iago steal the flower and take it far off the desert. They find a nearly drowned Aladdin and Genie. Sylphy steals the lamp again and wishes to find the flower. It changes into the sixth gem: Kilala, now the Seventh Princess, restores Paradiso to the way it was before, along with the people who have been brainwashed. Rei gathers the townsmen and women to fight against Valdou and his Coup to protect Paradiso. Valdou creates a powerful blast and sets the village on fire. Kilala runs into a church to save the children trapped inside. Grief-stricken by her sacrifice, Rei fills his weapon with the power of love and defeats Valdou once and for all, further ending the fire in the village. Now married to Rei and becoming a true princess, Kilala takes on the new road of learning to become a proper princess. Rei sets sail to end serious problems caused by Valdou in other countries. Having chosen her way of life as a princess, the final gem appears on the Tiara: Rei returns to Paradiso. And they lived happily ever after. Kilala hopes to become like them someday, but her clumsy and spunky attitude puts her very behind. She is in a different place from her parents, and wishes to meet them again someday. Her best friend is Erica and her pet is Tippe.

The "Common Knowledge" section now includes a "Series" field. Enter the name of the series to add the book to it. Works can belong to more than one series. In some cases, as with Chronicles of Narnia , disagreements about order necessitate the creation of more than one series. If the series has an order, add a number or other descriptor in parenthesis after the series title eg. By default, it sorts by the number, or alphabetically if there is no number. If you want to force a particular order, use the character to divide the number and the descriptor. So, " 0 prequel " sorts by 0 under the label "prequel. Series was designed to cover groups of books generally understood as such see Wikipedia: Like many concepts in the book world, "series" is a somewhat fluid and contested notion. A good rule of thumb is that series have a conventional name and are intentional creations, on the part of the author or publisher. For now, avoid forcing the issue with mere "lists" of works possessing an arbitrary shared characteristic, such as relating to a particular place. Avoid series that cross authors, unless the authors were or became aware of the series identification eg. Also avoid publisher series, unless the publisher has a true monopoly over the "works" in question. So, the Dummies guides are a series of works. But the Loeb Classical Library is a series of editions, not of works.

His son, whom Moochie also tortures, sees this as a hate crime and sets off a biochemical targeting all the people of Caucasian descent. He and Devil Lad leave the town afterward. Development and publication[edit] Illustrator Benjamin Roman made his professional debut with the first volume of I Luv Halloween; he wanted to create "something that was offbeat and a little gory, but with a kind of humor and playfulness. We were just trying to let loose with the characters, however violent that mentality m[a]y have turned at some points.
